

"The Blood Is The Life."

Science has never gone beyond the above simple statement of scripture. But it has illuminated that statement and given it a meaning ever broadening with the increasing breadth of knowledge. When the blood is "bad" or impure it is not alone the body which suffers through disease. The brain is also clouded, the mind and judgment are affected, and many an evil deed or impure thought may be directly traced to the impurity of the blood. **Foul impure blood can be made pure by the use of Dr. Pierce's Golden Medical Discovery.** It cures and purifies the blood, thereby curing, pimples, blotches, eruptions and other cutaneous affections, as eczema, tetter, or salt-rheum, hives and other manifestations of impure blood.

In the cure of scrofulous swellings, enlarged glands, open eating ulcers, or old sores, the "Golden Medical Discovery" has performed the most marvelous cures. In cases of old sores, or open eating ulcers, it is well to apply to the open sores Dr. Pierce's All-Healing Salve, which possesses wonderful healing potency when used as an application to the sores in conjunction with the use of "Golden Medical Discovery" as a blood cleansing constitutional treatment. If your druggist don't happen to have the "All-Healing Salve" in stock, you can easily procure it by enclosing fifty-four cents in postage stamps to Dr. R. V. Pierce, 663 Main St., Buffalo, N. Y., and it will come to you by return post. Most druggists keep it as well as the "Golden Medical Discovery."

You can't afford to accept any medicine of unknown composition as a substitute for "Golden Medical Discovery," which is a medicine of known composition, having a complete list of ingredients in plain English on its bottle-wrapper, the same being attested as correct under oath. Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels.

GINCLES TRIAL IS STILL ON

[United Press Leased Wire.]

Chicago, July 10.—Declaring that he considered it his duty to his family, his friends and himself to clear his name, Tom Taggart appeared at the criminal court early today and went on the witness stand in the trial of Ella Gingles, the pretty Irish lace-maker, accused of stealing lace from Miss Agnes Barrett, her former employer. Taggart said that so much had been said and printed about him in connection with this that he felt it necessary to show that he was not implicated in the affair.

Taggart was represented in court by John W. Kern and James Hamilton Lewis. The famous politician said that he was 55 years old, and described the various political positions he had occupied in the course of his career.

He said that he knew Miss Barrett, the prosecuting witness, and explained that he became acquainted with her when she kept a shop at his hotel at French Lick Springs.

He declared that he was not in any manner concerned in the Gingles case, and declared that he conducted a hotel from where all questionable characters were excluded.

"I know nothing of the charges made by Miss Gingles, and am not interested in her in any way," he said in connection with the fact that the girl had testified that when she was

attacked by Miss Barrett and her friends in the Wellington Hotel, she had heard them mention "Tom Taggart's French Lick Springs Hotel."

"Do you know the definition of 'white slave'?" asked Assistant District Attorney Short.

"I know nothing about white slaves or white slavery," replied the witness. "Furthermore, I never heard of Ella Gingles until I saw the accounts of her arrest in the newspapers."

Attorney O'Donnell asked a series of questions, with the object of showing that he had not dragged Taggart's name into the case, and then the witness was excused.

Dr. A. H. Watson, physician at the Wellington, testified that he found Ella Gingles in a bathroom of the hotel, after she alleged she had been assaulted. He said that the "cuts" she referred to were merely scratches and that, in his opinion, she had not been assaulted. He said the girl was screaming when found, and appeared to be in a delirium.

FOOT CAUGHT IN FROG TRAIN RAN OVER HIM

[United Press Leased Wire.]

Pasadena, Cal., July 9.—Held fast by a switch frog, from which he freed himself just too late, James H. Gault, a prominent resident here, husband of Helen Gault, a writer for the Ladies' Home Journal, was run down by a Santa Fe train near his home today. His arm was crushed near the shoulder by the train.

Friends of Gault heard him scream for help and ran toward him to give aid. The train, however, bore down upon him before they could reach the entrapped man. By a frantic effort Gault managed to wrench his foot loose from the frog but the impact of his efforts sent him reeling along the track and before he could regain his footing he fell forward and the engine passed over his arm. Gault was removed to the hospital, where the hanging arm was amputated, and owing to the shock and loss of blood is in a serious condition.

LEFT HER BETROTHED BEFORE THE MINISTER

[United Press Leased Wire.]

Mattoon, Ill., July 9.—Change of mind and heart by Fannie Doty, who yesterday left her betrothed, the Rev. Joseph J. McGraw, standing before a minister without a bride, furnished gossip today for her friends. It is said that the young woman jilted her devoted suitor for a former sweetheart.

Announcement of Miss Doty's engagement to the clergyman was made several months ago and preparations for the wedding went along without a hitch. The affair was to have been a social event of the year, in Coles county, and 200 guests were invited.

After the prospective bridegroom had taken his place and the guests were awaiting the bride, the young woman expressed the change of heart mentioned and her father was compelled to announce that there would be no wedding.

North Yakima, Wash., July 9.—The horridly mangled remains of Levi R. Leduc, a veteran of the Civil War, have been found on the main line of the Northern Pacific Railroad Company's tracks. Among the things recovered from the body was a blood soaked restraining order from the Yakima county superior court bearing date of Wednesday, which made the old man homeless by prohibiting him from visiting the house occupied by his wife, who had begun an action for divorce from him.

Children Cry

FOR FLETCHER'S CASTORIA

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed remedies and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address F. J.
