The Knock-out Blow.

The blow which knocked out Corbett was a revelation to the prize fighters. From the earliest days of the ring the knock-out blow was aimed for the jaw, the temple or the jugular vein. Stomach punches were thrown in to worry and weary the fighter, but if a scientific man had told one of the old fighters that the most vulnerable spot was the region of the stomach, he'd have laughed at him for an ignoramus. Dr. Pierce is bringing home to the public a parallel fact; that the stomach is the most vulnerable organ out of the prize ring as well as in it. We protect our heads, throats, feet and lungs, but the stomach is utterly indifferent to, until it finds the solar plexus and knocks us out. Make your stomach sound and strong by the use of Dr. Pierce's Golden Medical Discovery, and you protect yourself in your most vulnerable spot. "Golden Medical Discovery" cures "weak stomach," indigestion, or dyspepsia, torpid liver, bad, thin and impure blood and other diseases of the organs of digestion and nutrition.

The "Golden Medical Discovery" has a specific curative effect upon all mucous surfaces and hence cures catarrh, no matter where located or what stage it may have reached. In Nasal Catarrh it is well to cleanse the passages with Dr. Sage's Catarrh Remedy fluid while using the "Discovery" as a constitutional remedy. Why the "Golden Medical Discovery" cures catarrhal diseases, as of the stomach, bowels, bladder and other pelvic organs will be plain to you if you will read a booklet of extracts from the writings of eminent medical authorities, endorsing its ingredients and explaining their curative properties. It is mailed free on request. Address Dr. R. V. Pierce, Buffalo, N. Y. This booklet gives all the ingredients entering into Dr. Pierce's medicines from which it will be seen that they contain not a drop of alcohol, pure, triple-refined glycerine being used instead. Dr. Pierce's great thousand-page illustrated Common Sense Medical Adviser will be sent free, paper-bound, for 21 one-cent stamps, or cloth-bound, for 31 stamps. Address Dr. Pierce as above.

X-RAYS AND SMILES

Who is exalted ruler of the Elks? Sammis!

Eugene has laid the cornerstone of a new \$50,000 Y. M. C. A. building.

A woman does not mind being called a peach, unless you call her a green one.

When the average man gets near beer, it is simply a case of no beer, soon afterwards.

Those suffragettes in jail in London refuse to pay their fines or eat. They seem determined to "suffer."

The person who goes about looking for either sympathy or cash, generally gets the former.

While other towns are talking the first steel building is quietly going up into the sky at Salem.

Medford is getting bitulithic paving on boulevards thirty feet wide for \$6.30 per running foot.

When you buy beer, you take it on trust, even before you pay for it, unless—well, unless you drink it.

The Albany Herald is a very live local paper. Eugene also has one. The other Eugene paper is for sale.

Let us have more inviting, comfortable, cool green benches for people to rest on in different parts of the city.

Grandma Mitchell of Benton county crossed the plains and lived to be 81 years old, only to be killed by a runaway horse.

It seems to have been raining all over the world, and less harm and more benefit in Oregon than anywhere else.

Lebanon is a moral town. It has closed the only picture show because of the low character of the pictures exhibited.

With fake ads on their drop curtains and low pictures, the electrical shows have been run out of many eastern towns.

Oregon timber is advancing in the markets of the world. It is coming to be known as the best timber for any purpose in the world.

While American production is larger, there is three times as much foreign wool being shipped into the United States as ever before.

Of all the poetry received on praying for rain, that by T. T. Geer is the best. Like the farmer's coon dog, it is a pleasure to know that T. T. is good for something.

While others are talking and Harriman is promising, Spaulding, Gerlinger, Leadbetter and Pitcock are building the Salem, Dallas and Falls City railroad into the Coast range and towards the Siletz.

T. T. Geer joins Harvey Scott in condemning us to eternal punishment for praying for rain. The worst punishment anyone could fear would be to spend an eternity with either of these two gentlemen.

Hub Bryant has an island in the Willamette and when all the people of Albany want to be real good they go over onto that island and have a picnic. Hub shuts out even rosy colored pop because it works too much on the imagination.

Linn county has decided to build only steel bridges in future. That is a mistake in a timber country like Oregon. Wooden bridges that are enclosed and covered with a good roof last almost forever. The writer saw such bridges in the early seventies in Missouri that had stood then sixty years and are standing today.

T. T. Geer had to write a poem for the Oregonian on Hofer as rainmaker. He reminds us of a story a friend of ours, who is an eminent New York comedian, was in the habit of telling on Mrs. Hennessy. They had a party to raise money for the orphanage, and among the games, was one where a flag prize was offered for the woman who could make up the ugliest face. It was awarded to Mrs. Hennessy, to her great surprise, and she said: "But, I wasn't playing at the game." Mr. Geer can go to the head of the class with Mrs. Hennessy.

DIED OF STARVATION IN CHICAGO HOSPITAL

Chicago, July 15.—Clarence Ruggels, a Denver school teacher, who was found several days ago, suffering from hysteria, produced by hunger and exposure, died in a local hospital today.

Ruggels came to this city to take a teacher's examination. Failing to pass the tests he was unable to find employment, and slowly starved to death. He was found lying in a doorway and taken to a hospital.

HELP FOR THOSE WHO HAVE STOMACH TROUBLE

After doctoring for about twelve years for a bad stomach trouble, and spending nearly five hundred dollars medicine and doctors' fees, I purchased my wife one box of Chamberlain's Stomach and Liver Tablets, which did her so much that she continued to use them and they have done her more good than all of the medicine I bought before.—Samuel Boyer, Polson, Iowa. This medicine is for sale by all good druggists. Samples free.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed remedies and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address F. J. CHENEY & CO., Toledo, Ohio.

Being able to see it first is what has put many a man to the front.

Proper Treatment for Dysentery and Diarrhoea.

The great mortality from dysentery and diarrhoea is due to the lack of proper treatment at the first stages of the disease. Chamberlain's Colic, Cholera and Diarrhoea Remedy is reliable and effective medicine, and when given in reasonable time will prevent any dangerous consequences. It has been in use for many years and has always met with unvarying success. For sale by all good druggists.

The emotional temperament is too apt to require liquid inspiration to be entirely dependable.

Poison Oak Poisoning.

Ballard's Snow Lintment cures it. Mr. O. H. P. Cornelius, Turner, Or., writes:—My wife has discovered that Snow Lintment cures "Poison Oak Poisoning," a very painful trouble. She not only cured a case of it on herself, but on two of her friends who were poisoned by this same ivy. Price 25c, 50c and \$1.00. Sold by all druggists.

Bowel Complaint in Children.

When six months old the little daughter of E. N. Dewey, a well known merchant of Agnewville, Va., had an attack of cholera infantum. Chamberlain's Colic, Cholera and Diarrhoea Remedy was given and effected a complete cure. This remedy has proven very successful in cases of bowel complaint in children and when given according to the plain printed directions can be relied upon with perfect confidence. When reduced with water and sweetened it is pleasant to take, which is of great importance when a medicine must be given to small children. For sale by all good druggists.
