BIG CROPS BABY SHOW AND PICNIC

Monitor Mills Has Pleasant Gathering and a Fine Display of "Prize" Babies.

The band picnic at Monitor Mills was a great success Saturday. About 500 farmers assembled at the grove on the east bank of Butte creek, where a speaker's stand had been erected, and there were seats and tables for a grand picnic dinner, which was enjoyed by all.

The band played a waltz, "Baby Mine," and some ladies who had babies to enter for the prize. They gave the first prize to Mrs. Joseph Van Cleave. Second prize Mrs. Arthur Holmes. They were held up for the admiration of the crowd by President Jerome Simmons.

Win. Gibbons and Misses Boney and White were the judges of the baby show, and Supt. Ackerman and Col. Hofer bought the ice cream for the competitors. The prizes were given by the Monitor mills—a sack of flour to each.

Mrs. A. Snyder, Mrs. R. B. Aker, Mrs. J. A. Van Cleave, Mrs. Arthur Holmes, Mrs. John Joerg, Mrs. Roy Seely, Mrs. Grover Todd, Mrs. Grover Pomeroy and Mrs. C. Almsworth competed.

J. H. Ackerman was the first speaker. He complimented the farmers on their splendid crops. He had for 25 years been connected with public education, and had seen great changes and wonderful progress in schools. He wanted boys and girls in the country to have just as good schools as in the city. Better school houses and more beautiful grounds. The next speaker was Rev. William Kramer, of Mt. Angel. He said the greatest crop in Oregon was liable to be big-mouthed politicians. He poked fun at Ackerman and Hofer, and said their mouths were large because they attended so many picnics and ate so many big strawberries and cherries.

Col. Hofer made a few remarks, complimenting the band boys for their splendid work, having been organized but three months, and having played to gether not 30 times. The ball in the evening was a great success. A few showers had fallen during the day, settled the dust, cooled off the air and made the evening just perfect for the bowery ball.

On the way home we stopped at

the Kimball-Page farm and found Col. Page laid up with a sprain. We had a good visit with him, while Mrs. Page played hostess, setting a fine oyster stew, which was enjoyed after a 40-mile ride.

We stopped off a few minutes at the Hayesville ice cream social, where a large crowd was doing justice to ice cream and cake, to help pay off a debt on the church, where Banker Elmore, of Brownsville, holds services once a week, to the satisfaction of the people.

We saw the finest fields of grain, the biggest hay crops and the finest horses and cattle, and some of the best looking large families of children at the Monitor picnic we have seen anywhere in Oregon.

NEWSPAPER MEN GATHER IN SEATTLE

[United Press Leased Wire.] Seattle, Wash., July 19.—Several delegations of newspaper men arrived in Seattle today to attend the 24th annual convention of the National Editorial Association, which meets here all of this week. A special train on the Northern Pacific last night brought 194 officers, delegates and visitors from Chicago. It is expected that 350 members of the editorial association will have arrived by tonight.

An elaborate program has been provided for the entertainment of the newspaper men here, which will be followed by a 20 days' trip through southeastern Alaska.

All of the officers, with the exception of the poet laureate and the flag custodian, arrived last night, and two past presidents in addition are here, including the founder of the association, "Father" B. B. Herbert, editor of the National Printer-Journalist.

Already there is evidence of activity of a political nature, affecting the office of president of the association.

The two contenders for presidential honors are A. Nevin Pomeroy, of Chambersburg, Pa., and J. P. Baumgartner, of the Register, Santa Ana, Cal. The latter was a candidate at the Jamestown convention two years ago and lost by but two votes. Friends of the two are actively campaigning.

Today the delegates, after they were formally welcomed, saw the city from automobiles, and will attend the theatre tonight as the guests of the Seattle Press Club.

A WOMAN, A FOOL, A TRIP AND THE JAIL

Los Angeles, Cal., July 19.—J. H. Mackie, president of the Columbus, Ohio, Sporting Goods Company, is in custody today on request of the Columbus police department.

According to the Pinkerton agency here Mackie is wanted to answer to a charge of embezzling \$13,500 from Mrs. Janet Green of Columbus. It is alleged that after becoming acquainted with Mrs. Green he induced her to invest \$13,500 in a sporting goods firm. It is further alleged that she gave the money to Mackie, and shortly after he received the money the company's plant and store burned. Investigation is said to have revealed that the money was not invested in the firm before the fire occurred.

Mackie left a wife and little boy behind when he departed from Columbus. He came here a week ago and is said to have been accompanied by a pretty young woman. He was alone in his apartments when arrested.

Mother Has Baby's Body Kept By Undertaker Awaiting Father's Death

[United Press Leased Wire.] Seattle, July 19.—The bodies of E. B. West and his 12-year-old daughter were buried side by side today in Mount Pleasant cemetery. The death of the little girl occurred July 12 at the home of the wests at Coal Creek and the body was brought to Seattle. Of the undertakers, Mrs. West, mother of the dead girl, made an unusual request. She asked that the body be held until the death of the father, then in the last stages of tuberculosis, in order that they might have a double funeral.

But the husband and father fought his maledy and was able to stay the hand of death until Saturday, when he succumbed. Yesterday the body was brought to Seattle and today the double funeral took place.

TWO ACCIDENTS NEAR GRESHAM

Little Hazel Richmond of Rockwood, Multnomah county, was so badly burned last Monday that her recovery is doubtful. The child was playing with matches which ignited and set her clothing on fire. The mother had her hands badly burned in trying to remove the burning clothes. Hazel is four years of age and is the daughter of Mr. and Mrs. John Richmond of Rockwood.

As we are going to press word comes that our old and respected fellow citizen, Charlie Merrill, had come to a sudden and painful death by being thrown from a loaded wagon, which passed over his body.—Beaver State Herald.

CALHOUN READY FOR SECOND TRIAL

[United Press Leased Wire.] San Francisco, July 19.—Attorneys representing the prosecution and defense in the trial of Patrick Calhoun, president of the United Railroads, accused of bribery, announced today that they are ready to begin the second trial.

Fifty talesmen have been summoned by the court and the examination of them will start at once. Calhoun is accused of offering a bribe to John J. Porey, member of the old boodling board of supervisors, in connection with the granting of an overhead trolley franchise. The last trial, which resulted in a disagreement, was on a charge of bribing former Supervisor Nicholas.
