## Walked Out of St. Francis Hotel in San Francisco May 12 and Has Not Been Seen Since.

San Francisco, July 20.-Lord Basil Stanlake Brooke, Irish peer, 24 years of age and owner of 28,000 acres of Irish heath, has disapo-ared and his whereabouts is causing un-told anxiety among his relatives. He was last seen at the St. Francis hotel in this city, where he registered May 12 under the name of Harold

Morgan. According to'a letter received yes erday by the management of the St. Francis, Lord Brooke was to have miled for Honolulu, where relatives await him, May 15, Hobart Seymour, who dispatched the letter of investi-nation, stated that Brooke had not bet arrived in Honolulu nor had hinformed his friends of a change of plans

Lord Brooke remained at the St. ranets four days, according to Information given out by the minimum ment today. When he departed hi ment today. arried his hand luggage, which was the only baggage he brought to the notel, and left no change of address. Tas letter from Seymour asked the co-operation of the hotel manage

ment in finding the missing noble-man, stating that he is wanted badly at his home in Colebrooke, Brockoro. ireland.

The direct primary law passed by means that man and wife have have lived the last California legislature has to a good old ago and consequently been declared constitutional by the have kent healthy. The best way to all keep healthy is to see that your lisupreme court. In spite squirming by the old machine the law ver does its duty 365 days out of The only way to do this is to 265. has come to stay, and the people, instead of letting go, will steadily take keep Ballard's Herbine in the house firmer grasp on the law making and take it whenever your liver gets anch of government. branch of government.

The city council should certainly repeal the present ordinance regulat-ing the speed of autos. There is not an auto in the city or among those visiting it that does not violate this law, which only permits eight miles an hour. There is no use making eriminals out of auto owners.

The c'ty of Eugene, with an 100acre park presented to it by a mil-lionaire banker, has proceeded to add 50 acres more. On top of that the city bought the butte across the railroad track from the depot. Who doubts that such policies have done much to make Eugene a desirable residence city. Not a man with a particle of pride in the Capital City should vote against acquiring Fair-mount Park. The site is perfect. The price is reasonable, and the reservoir itself will soon belong to the city.

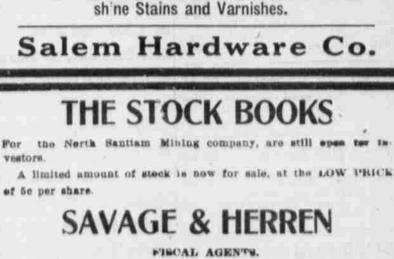

The Oregonian is engaged in restoring its former political monopoly, and abolishing the initiative and referendum and the direct primary law and direct election of senators. comprehension.
