

# HARRIMAN REFUSES TO QUIT

Transforms His Rest Cure Room Into a Business Office and Plays the Markets.

[United Press Leased Wire.]  
Vienna, July 21.—Despite the warnings of his physicians that only relaxation and the abandonment of business could possibly bring about his complete recovery from the nervous disorders from which he is suffering, it was learned today that E. H. Harriman is transacting immense stock deals by cable.

The American railway magnate has transformed his apartments at Bad Gastein, where he went recently to take the "cure," into business offices and he is engaged today in handling his affairs in the same manner that he would if he were in New York.

Stormy scenes are reported to have been enacted between Harriman and the famous specialists who have taken charge of his case. The railroad ing came out of these wordy battles victoriously and despite the grave warnings of the specialists he has renewed his battle for power and money with redoubled vigor.

Extra operators have been installed by the cable company to handle rush messages since Harriman re-entered the market.

## STEAMER COLLIDES WITH SCHOONER

[United Press Leased Wire.]  
Victoria, B. C., July 21.—The steamer Iroquois of the Alaska Steamship Company arrived in port two hours late this morning, having been in collision with the American schooner Endeavor near Seattle. The collision occurred in a dense fog off Marrows Point near Port Townsend. The Iroquois was proceeding slowly, it being impossible to see far ahead. Suddenly she cut into the schooner Endeavor of San Francisco, inflicting heavy damage.

Captain McAlly of the Endeavor is the owner as well as skipper of his schooner and carries no insurance. She was towed back to Port Townsend. The Iroquois, although badly scraped and otherwise injured, was able to proceed to Victoria without difficulty. The jib boom of the Iroquois was carried away and the wireless apparatus put out of commission.

## A STRAW VOTE ON THE INCOME TAX

[United Press Leased Wire.]  
New York, July 21.—Out of 23 governors who have replied to telegrams sent to them by a New York newspaper, 15 favor President Taft's proposition to amend the federal constitution so as to give congress authority to levy an income tax.

The governor of Utah was the only state executive who declared that if the question were submitted to the state legislature of his state it would be rejected.

Telegrams from the following states were favorable to the proposition: Florida, Montana, Nevada, Colorado, Idaho, Mississippi, Kansas, Indiana, North Dakota, Minnesota, Virginia, Oklahoma, Texas, Kentucky and Iowa.

The governors of Illinois, Oregon, Rhode Island, Wyoming, Georgia, Missouri and Washington replied but refused to commit themselves.

# MAY TRY HERMANN THIS FALL

Attorney General Says He Has Dismissed Several Land Fraud Cases.

[United Press Leased Wire.]  
Washington, D. C., July 21.—The definite statement was made at the state department today that Singer Hermann, former congressman from Oregon, will be tried at Portland on a land fraud charge this coming fall, and that Francis J. Heney will personally conduct the prosecution. Further inquiry, however, failed to bring forth any information concerning similar cases against other prominent men, who have so far dodged trial. That Attorney-General Wick-ersham has suggested that certain land fraud cases be dismissed is shown by remarks of Representative Tawney, in which he quoted part of a letter received from the attorney-general. This question, which is part of the congressional record, follows:

"I have given general instructions in all cases in which Mr. Heney is retained to make careful examination of the cases and, if they cannot be brought to trial within a reasonable time, with any prospect of success, that the indictments be dismissed, and have caused some indictments to be dismissed under these instructions."

No definite date for the Hermann trial has been set.

## LOVE'S YOUNG DREAM SHY THIRTY CENTS

Vancouver, B. C., July 21.—Just 30 cents would have kept Bert Edwards of Tacoma out of jail and prevented untold mental suffering on the part of a heart-broken mother, according to a statement made to Chief of Police Duley of Tacoma, who started back to Tacoma last night with Edwards, who will face a charge of kidnaping a young girl of that city.

Edwards met the girl, who is but 16 years old, and made a proposal of marriage to her. She consented, but Edwards had little money and on account of the recently enacted law in Washington requiring the payment of fees for medical examination and numerous other incidentals to securing a license, they determined to elope to Vancouver, where the expense is less. After securing a boarding place here Edwards found that he lacked 30 cents of having enough money to secure a marriage license. So he took a position as a teamster for a creamery and was so engaged when arrested.

A falling tiny nerve—no larger than the finest silken thread—takes from the heart its impulse, its power, its regularity. The stomach also has its hidden or inside nerve. It was Dr. Shoop who first told us it was wrong to drug a weak or falling stomach. Heart or Kidney. His prescription—Dr. Shoop's Restorative—is directed straight for the cause of these ailments—these weak and faltering inside nerves. This, no doubt, clearly explains why the Restorative has of late grown so rapidly in popularity. Druggists say that those who test the Restorative even for a few days, soon become fully convinced of its wonderful merit. Anyway, don't drug the organ. Treating the cause of sickness is the only sensible and successful way. Sold by Capital Drug Store.

## AMERICAN GIRL BUYS A SPANIARD

[United Press Leased Wire.]  
Paris, July 21.—Announcement is made that the engagement of Miss Wanamaker, granddaughter of John Wanamaker of Philadelphia, will become the bride of Arthur O. Heeren early this fall. Heeren is the son of Count Heeren of Paris and Biaritz, and is of the Spanish nobility. The couple will reside in Paris.

## DO YOU WEIGH TOO MUCH?

The Real Remedy and the Recipe

There are some stout people whom the above question does not seem to trouble very much. They are, however, wrong to be so careless, for obesity is a complaint which brings many evils in its train. There are others who may have sought long and earnestly for a really reliable remedy for obesity, and to these the following prescription will be of absorbing interest, because it presents in a simple and harmless form and sure relief—a remedy which is rapidly gaining a world-wide reputation. The reader may make up the prescription for himself (or herself) on getting the ingredients from the drug

gist—or the latter will do so willingly.

This is the full recipe: ½ oz. Marmola, ½ oz. Fluid Extract Cascara Aromatic, and 3 ½ oz. Peppermint Water. Take a dose of one teaspoonful after each meal and at bedtime.

This admirable and quite harmless remedy will soon take off pounds of the offending fatty excess; and as, day by day, the weight decreases, strength and vigor will return in equal ratio; for, be it observed, there is no fasting or exercise required. Rest, good food, regular doses—these are all that is necessary to reduce weight to normal, increase the supply of pure blood, clear the skin, beautify the complexion and restore energy and excellent spirits.

## HAD A CLOSE CALL AT CATALINA ISLAND

Avalon, Catalina Island, Cal., July 21.—Four men and a woman are resting today, after a harrowing experience in a shipwrecked yawl, in which they faced death for nearly half an hour, and were rescued by chance.

Mrs. H. W. Robinson, H. W. Robinson, a merchant of Los Angeles; C. H. Knapp, of Sea Breeze, Fla., and M. C. Davidson, Los Angeles, were guests of Captain George Cornell on a fishing trip in the captain's yawl. The yawl was driven on the rocks of San Clemente Island, and a great hole ripped in its bow. But for the fact that the craft held to the rocks, the party would have been lost almost immediately. Captain Cornell sounded a whistle when the hold began to fill, and other parties regarded the signal as indicating a good catch, and paid little heed to the endangered party. By chance Captain Romans, in the steam yacht Ramona, rounded a point of the island and came upon the yawl with just its bow out of water on the rocks, and the victims of the accident clinging to it nearly exhausted.

The Romona brought the party here, and, although they were chilled and bedraggled, no worse consequence of their adventure is feared.

## IT SHOULD PROVE A WARNING TO HIM

Fresno, Cal., July 21.—Lacking six years of having lived a century, Tom Dunbar, the oldest prisoner ever arraigned in local police courts, was held on a charge of intoxication today.

"It's the first time the law has ever laid hands on me," Dunbar told the court, "and it's the first time I've ever been drunk."

The aged prisoner came to California in 1848.

If feed looks short, sow some oats and millet, a bushel to the acre, half and half, for hay. It can be done as late as July 15.

# SENDS AN ARMY TO MOROCCO

King Alfonso Greatly Worried Over the Situation—40,000 Troops to Go to Melilla.

[United Press Leased Wire.]  
Madrid, Spain, July 21.—The government today ordered 40,000 troops to be prepared at once for service in Morocco, where the Moors are besieging the Melilla garrison. These troops will be rushed to Melilla as soon as they can be equipped for field service.

King Alfonso is greatly perturbed over the Morocco situation, and today cabled that he would be unable to visit England, as he had planned.

## STRIKERS VOTE TO CONTINUE FIGHT

[United Press Leased Wire.]  
Pittsburg, July 21.—Employees of the Pressed Steel Car Company's plant at McKees Rocks voted today to continue their fight against the corporation. The strike will be continued indefinitely.

At the meeting at which the vote was taken the strikers declared their intention of preventing any violence. Twelve thousand men attended the meeting.

## BAGGED HIS HEAD; TURNED ON THE GAS

[United Press Leased Wire.]  
San Francisco, July 21.—Placing his head in a small hand satchel and covering it with a blanket dragged from a bed, George Hardesty, who came to this city from Ogden two weeks ago, pushed a gas tube through

a hole he had made in the bottom of the grip, turned on the jet and awaited death. His body was found early today by the clerk of the Hotel Dale, in which he committed his act of self-destruction.
