PULLS ACHING TEETH FOR HIS PASSENGERS

[United Press Leased Wire.]

Spokane, Wash., July 20.—Rival railway lines which have provided barber shops, bath rooms, hair dressers, stenographers, stock reports and "canned" opera for the accommodation and comfort of travelers, have been outdistanced by the Northern Pacific railroad, which has added the latest in train luxuries on an obscure branch line in Idaho, where dental work is performed by obliging conductors.

Harry Morris, conductor on the Lewiston-Grangerville branch introduced the latest innovation when he pulled an aching tooh with his ticket punch, and relieved the distress of the 6-year-old son of W. H. Hill, of Grangeville. The youngster with the aching molar appealed to the conductor for toothache drops, but that official said his practice was limited to surgical operations, and proposed that the tooth be extracted. This was done with perfect success, and the conductor-dentist announced today that his services await any suffering future traveler on the Grangeville branch.

WILL SELL IMMENSE TRACT OF PINE LAND

[United Press Leased Wire.]

Seattle, Wash., July 20.—Fred Dennett, commissioner of the general land office, at Washington, D. C., is in Seattle today, after having made an extended investigation of timber matters in the West. A conference was held with Secretary Ballinger, of the interior department, who is also in the city on business for his department, at which the matter was gone over thoroughly.

According to Mr. Dennett, one of the biggest governmental timber sales ever held is planned for the near future by the government, which will dispose of 550,000,000 feet of yellow pine near Cass lake, in Northwestern Minnesota. The timber is on the Chipepwa Indian reservation, which it is planned to open for homestead purposes. The money derived from the sale will be kept for the Indians by the government as trustees, and will be used in their care and education.

Bowel Complaint in Children.

When six months old the little daughter of E. N. Dewey, a well known merchant of Agnewville, Va., had an attack of cholera infantum. Chamberlain's Colic, Cholera and Diarrhoea Remedy was given and effected a complete cure. This remedy has proven very successful in cases of bowel complaint in children and when given according to the plain printed directions can be relied upon with perfect confidence. When reduced with water and sweetened it is pleasant to take, which is of great importance when a medicine must be given to small children. For sale by all good druggists.
