COMMON SENSE Leads most intelligent people to use only medicines of known composition. Therefore it is that Dr. Pierce's medicines, the makers of which print every ingredient entering into them upon the bottle wrappers and attach its correctness under oath, are daily giving in favor. The composition of Dr. Pierce's medicines is open to everybody. Dr. Pierce being desirous of having the most exact of investigations turned fully upon his formula, being confident that the better the composition of these medicines is known the more will their great curative merits be recognized. Being wholly made of the active medicinal principles extracted from native forest roots, by exact processes original with Dr. Pierce, and without the use of a drop of alcohol, triple-refined and chemically pure glycerine being used in stead in extracting and preserving the curative virtues residing in the roots employed, these medicines are entirely free from the objection of doing harm by creating an appetite for either alcoholic beverages or habit-forming drugs. Examine the formulas on their bottle wrappers—the same as sworn to by Dr. Pierce, and you will find that his "Golden Medical Discovery," the great blood-purifier, stomach tonic and bowels regulator—the medicine which, while not recommended to cure consumption in its advanced stages, no medicine will do that, yet does cure all those catarrhal conditions of head and throat, weak stomach, torpid liver and bronchial troubles, weak lungs and hang-on-coughs, which, if neglected or badly treated lead up to and finally terminate in consumption. Take the "Golden Medical Discovery" in time and it is not likely to disappear, you if only you give it a thorough and fair trial. Don't expect miracles. I won't do supernatural things. You must exercise your patience and persevere in its use for a reasonable length of time to get its full benefits. The ingredients of which Dr. Pierce's medicines are composed have the unqualified endorsement of scores of medical leaders—better than any amount of lay, or non-professional, testimonials. They are not given away to be experimented with but are sold by all dealers in medicines at reasonable prices.

X-RAYS AND SMILES Finch's attorneys say that hanging is unlawful—and echo answers—awful. The people of East State street are anxious to see that paving going down. It is expected that in three years the extra taxes, levied by the new tariff bill will have caught up with the present prevailing deficit. The Bohemian for August has the fifteen most beautiful young women on the American stage. But why publish our dear friends in that way? Are you really doing any good in the world? Isn't it time you took an interest in some of the great public questions of the day, and you are one of them. Here is rather a remarkable echo. An exchange says: "The people with one voice have asked "Who is this criminal?" and echo answers, "Doherty!" Grand Master Buxton of the State Grange sounds a word of caution against the bunko game of the Portland politicians to repeal the initiative referendum. That pretty outside waiting room at the S. P. depot would be a dandy if the ragged concrete floor was removed, the roof taken off, and the plot used for growing grass. The Capital Improvement Company. If we will turn loose and make Salem a city that it should be there will be hundreds of teams and thousands of men employed here. Castro says it is his ambition to die at home. In this laudable desire there are countless thousands sharing, only they are not so particular about the location, just so the end comes soon. The editor of this paper built a house last year and will build another this year. That is the way to build up Salem. Let Seattle and Portland take care of themselves. Let us take care of Salem. The South Salem Improvement League is a live bunch. Twenty-seven states of the Union have already declared in favor of the popular election of U. S. senators—and many are doing the act. It is the expectation that the corporation tax will yield the nation \$25,000,000 revenue annually. But a few newspapers follow the lead of the Oregonian ridiculing Senator Bourne for making his only speech of the session for that tax. The investigation of the circumstances surrounding the death of Lieutenant Sutton shows pretty clearly that the outfit was well planned up—that there was a fight, and that the officers who are now the witnesses are concealing the facts of the killing. To a man up a tree it looks as though the individual members of congress are attempting to load the whole burden of tariff mistakes on Taft. They will do it, too, for they will say he agreed with us in conference, or, if he doesn't, he had the power to veto it—it is a turkey and buzzard proposition for Taft.

WHEAT FIELD BURNS NEAR WALLA WALLA Walla Walla, Wash., July 22.—Wheat, barley and other property to the value of \$10,000 were destroyed late yesterday by a fire in the wheat fields of Harvey McDonald and Frank Baker. All told 265 acres of wheat and barley were destroyed, and 90 more escaped through the work of farm hands. It is said that a spark from a passing locomotive started the blaze. Of the total of 350 acres in the field, 90 had been previously headed and threshed, and the grain was in bags when the fire made its attack. The remainder was in standing grain, which is nearly a total loss. The wheat was fully insured.

President Helps Orphans. Hundreds of orphans have been helped by the President of The Industrial and Orphans' Home at Mecon, Ga., who writes: "We have used Electric's Bitters in this institution for nine years. It has proved a most excellent medicine for Stomach, Liver and Kidney troubles. We regard it as one of the best family medicine on earth." It invigorates the vital organs, purifies the blood, aids digestion, creates appetite, to strengthen and build up the pale, weak children or run-down people. It has no equal. Best for female complaints. Only 50c at J. C. Perry.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed remedies and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

Proper Treatment for Dysentery and Diarrhoea. The great mortality from dysentery and diarrhoea is due to the lack of proper treatment at the first stages of the disease. Chamberlain's Colic, Cholera and Diarrhoea Remedy is reliable and effective medicine, and when given in reasonable time will prevent any dangerous consequences. It has been in use for many years and has always met with unvarying success. For sale in all good drug-gists. A Wamemaker is to marry a French nobleman. Another American girl thrown away. Everyone would be benefited by taking Foley's Orino Laxative for the stomach and liver trouble and habitual constipation. It sweetens the stomach and breath, gently stimulates the liver and regulate the bowels and is much superior to pills and ordinary laxatives. Why not try Foley's Orino Laxative, today. J. C. Perry. In the Guinea diamond mines one life is given up for every 200 carats of diamonds secured, and the men get \$1.20 a day. Foley's Honey and Tar not only stops chronic coughs that weaken the constitution and develop into consumption, but heals and strengthens the lungs. It affords comfort and relief in the most cases of chronic bronchitis, asthma, hay fever and lung trouble. J. C. Perry. Twice married Mrs. Belmont would rather vote than marry, yet she has never voted. If people with symptoms of kidney or bladder trouble could realize their danger they would without loss of time commence taking Foley's Kidney Remedy. This great remedy stops the pain and the irregularities strengthen and builds up these organs and there no danger of Bright's disease or other serious disorder. Do not disregard the early symptoms. J. C. Perry. The instant the thermometer rises to 90 people are sorry that they knocked the belated winter. Delay in commencing treatment of slight irregularity that could have been cured quickly by Foley's Kidney Remedy may result in a serious kidney disease. Foley's Kidney Remedy builds up the worn out tissues and strengthens these organs. —J. C. Perry. Of course, it was a "good looking well dressed, plausible" fellow who worked the bold bank swindle. Cashiers don't hand out \$500 rolls to an insolent tramp. A GOLDEN WEDDING means that man and wife have lived to a good old age and consequently have kept healthy. The best way to keep healthy is to see that your liver does its duty 365 days out of 365. The only way to do this is to keep Ballard's Herbine in the house and take it whenever your liver gets inactive. 50 cents per bottle. Sold by all druggists.

The income tax amendment seems to have struck many a local snag right in the stream of popular favor. Many people with chronic throat and lung trouble have found comfort and relief in Foley's Honey and Tar, as it cures stubborn coughs after other treatment has failed. L. M. Rag-gies, Reasoner, Iowa, writes: "The doctors said I had consumption, and I got no better until I took Foley's Honey and Tar. It stopped the hemorrhages and pains in my lungs, and they are now as sound as a bullet." bullet. —J. C. Perry. No trouble to find mistakes anywhere and in anything.
