Words of Praise

For the several ingredients of which Dr. Pierce's medicines are composed, as given by leaders in all the several schools of medicine, should have far more weight than any amount of non-professional testimonials. Dr. Pierce's Favorite Prescription has THE BADGE OF HONESTY on every bottle wrapper, in a full list of all its ingredients printed in plain English.

If you are an invalid woman and suffer from frequent headache, backache, gnawing distress in stomach, periodical pains, diarrhoea, catarrhal, pelvic drain, dragging down distress in lower abdomen or pelvis, perhaps dark spots or speckling before the eyes, faint spells and kindred symptoms caused by female weakness, or the derangement of the feminine organs, you can not do better than take Dr. Pierce's Favorite Prescription.

The hospital, surgeon's knife and operating table may be avoided by the timely use of "Favorite Prescription" in such cases. Thereby the obnoxious examinations and treatments of the female physician can be avoided and a thorough course of successful treatment carried out in the privacy of the home. "Favorite Prescription" is composed of the very best native medicinal roots known to medicine, for the cure of woman's peculiar ailments, contains no alcohol and is harmless or habit-forming drugs.

Do not expect too much from "Favorite Prescription"; it will not perform miracles; it will not dissolve or cure tumors. No medicine will. It will do as much to establish vigorous health in most weak, nervous and ailments peculiarly incident to women as any medicine can. It must be given a fair chance by perseverance in its use for a reasonable length of time.

You can't afford to accept a second-hand remedy. It is a mistake for this remedy to have a competitor.

Sick women are invited to consult Dr. Pierce, by letter, free. All correspondence is guarded as sacredly secret and womanly confidences are protected by professional privacy. Address Dr. R. V. Pierce, Buffalo, N. Y. Dr. Pierce's Pleasant Pellets are the best laxative and regulator of the bowels. They invigorate stomach, liver and bowels. One a laxative; two or three a cathartic. Easy to take as candy.

DISCOVERS GOLD ON HIS FARM

[United Press Leased Wire.]

Vancouver, Wash., July 23.—Chas Smith is today the proud owner of a miniature gold mine, and, to make matters more convenient, the precious yellow stuff is on his own small farm near La Center, Clark county.

Smith was working in the field recently when he turned up something resembling gold. He dropped his farming implements and started a search for more of it, with the result that the ore taken from different places on his 80-acre ranch has assayed on the average of \$37.50 in gold and 14 ounces of silver to the ton. While no mining has been done, enough is known to satisfy Smith that there is a big ledge that is apt to make the farm immensely valuable.

X-RAYS AND SMILES

At present a woman's crown of hair surmounting her aggregation of rats is her glory.

The trouble with love matches is that they burn out so soon. A woman in California swallowed three tacks Wednesday, and she wasn't the "tax collector," either.

Brackett now says he does not know who shot him. He does not seem to know much of anything else.

Senator Borah is going to reform the civil service. Better get disinfected from Harry Orcharditis first.

The problem that is bothering the Yakima lady who owns that freak chicken, is to decide whether it is a hen that crows or a rooster that lays eggs.

When a woman dresses in such a manner that she has to carry around a certificate that she is a woman, it is pretty conclusive evidence that she isn't; at least she isn't "much of a one."

"Uncle Sam is rich enough to give us all a hand," says the old song. This might have been true at one time, but now the old gentleman has become sporty, and insists on us shaking the dice for a homestead.

Harry Orchard was baptized Wednesday and feels his sins are all forgiven him. Still it would seem that it would be embarrassing to his many victims to be compelled to sing in the same choir with him—on the other side.

Some one suggests David M. Parry, of Indianapolis, as minister to China. As he has been about the bitterest and most persistent enemy of Union labor this country has ever known, this furnishes him an opportunity to get a hearty endorsement, for once, from those hated unions.

Congressman Hobson, has unsaid the things he said about Ambassador O'Brien. He said: "In view of the fact that O'Brien never said what I said he said, therefore, the things I said because others said he said what I said he said, I never said." This is what the lawyers designate as the said afore-said.

The cable yesterday brought the startling news from the African jungles that Col. Roosevelt stopped (whatever he was doing) for lunch. Kermit also stopped. Every member of the party stopped. It is hoped Warrington Dawson, special correspondent, the only connecting link known in the African wilds, continued to cease stopping. He hasn't any stopper.

The Gazette-Times in speaking of the United States says: "While we have only 5 per cent of the world's population, we produce 20 per cent of the world's wheat, 22 per cent of the world's gold, 35 per cent of its coal, 35 per cent of its manufactures, 38 per cent of its silver, 40 per cent of its pig iron, 42 per cent of its steel, 55 per cent of its petroleum, 58 per cent of its copper, 70 per cent of its cotton and 80 per cent of its corn," and including Carnegie, Rockefeller, Morgan and that class, we have practically 100 per cent of its hogs.

Many of our citizens are drifting toward Bright's disease by neglecting symptoms of kidney and bladder trouble which Foley's Kidney Remedy will quickly cure. J. C. Perry.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed remedies and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address F. J. CHENEY & CO., Toledo, Ohio.
