

The Farmer's Wife

Is very careful about her churn. She scalds it thoroughly after using, and gives it a sun bath to sweeten it. She knows that if her churn is sour it will taint the butter that is made in it.

The evil of a foul stomach is not alone the bad taste in the mouth and the foul breath caused by it, but the corruption of the pure current of blood and the dissemination of disease throughout the body.

If you have bitter, nasty, foul taste in your mouth, coated tongue, foul breath are weak and easily tired, feel depressed and despondent, have frequent headaches, dizziness, attacks, gnawing or distress in stomach, constipated or irregular bowels, sour or bitter risings after eating and poor appetite, these symptoms, or any combination of them, indicate that you are suffering from biliousness, torpid or lazy liver with the usual accompanying indigestion, or dyspepsia and their attendant derangements.

The best agents known to medical science for the cure of the above symptoms are Dr. Pierce's Golden Medical Discovery. It does for the stomach what the washing and sun bath do for the churn—absolutely removes every tainting or corrupting element. In this way it cures bloating, gripes, eruptions, scrofulous swellings, sores, or open eating ulcers and all humors or diseases arising from bad blood.

A falling tiny nerve—no larger than the finest silken thread—takes from the heart its impulse, its power, its regularity. The stomach also has its hidden or inside nerve. It was Dr. Shoop who first told us it was wrong to drug a weak or failing stomach, heart or kidneys.

Dr. Shoop's Restorative is directed straight for the cause of these ailments—these weak and faltering inside nerves. This, no doubt, clearly explains why the Restorative has of late grown so rapidly in popularity. Druggists say that those who test the Restorative even for a few days, soon become fully convinced of its wonderful merit.

BITULITHIC PAVING FOR WOODBURN

The city council of Woodburn voted unanimously ordering bitulithic paving on Front street, from the Flouring Mills to two blocks south of the Poorman bank. The present city administration of that town has awakened to the fact that a progressive policy will do the town more good than any amount of mossback conservatism.
