RUSHING
WORK ON
RAILROAD

United Railway Co. Building
Extension to Forest Grove.
Trains in Four Months.

Construction work on the line of
the United Railway company from
Holbrook and Burlington to Forest
Grove is going forward at such a
rapid rate that in four months cars
will be running through from Port-
land to within five miles of Forest
Grove. This statement was given out
by Chief Engineer Wickersham
yesterday.

At present a large bridge crew is
at work between Summit and Burling-
ton putting in the necessary bridges
along the right-of-way. A gang of
150 men is also constructing a tem-
porary track two miles long over
the pass at Holbrook, which will be
used by passenger and freight cars
until the completion of the big 3600-
foot tunnel through the hills there.
Work is being rushed on this bit of
temporary track and Mr. Wickersham
said that it would be completed and
in use by electric cars in 90 days.

The company has now 60-pound
steel laid for three quarters of a
mile beyond Burlington, and grading
crews have been sent this week from
Summit into the Tualatin valley to
cover six more miles of track. Though
it is only twelve miles from Burling-
ton to Forest Grove in some places
particularly near the pass, there are
rather difficult engineering problems
to be worked out.

New passenger equipment to take
care of the growing traffic to Hol-
brook has been ordered by the com-
pany, and the first shipment of two
big 60-foot cars with four 75-horse-
power cars, similar to those now in
service, except that they are for pas-
senger service entirely, having no bag-
gage compartment, will arrive next
week. These cars will be run in
multiple-unit in two-car trains with
those now used. Two trailers will
also arrive shortly. When the Forest
Grove line is completed, Mr. Wic-
kersham says, cars will be running to
the college town in 45 minutes.

land, Or. 7-26-8-14-eod

ordinary laxatives. Why not try

themselves with my home remedy. It cures all sorts of things. In Mothers of Daughters, I will explain a
simple home treatment which speedily and effectively cures Leucorrhoea, Green Discharge, and
