

What Do They Cure?

The above question is often asked concerning Dr. Pierce's two leading medicines, "Golden Medical Discovery" and "Favorite Prescription."

X-RAYS AND SMILES

Oregon is humming with development.

Seio has a society The Sons of Rest. An old organization.

O. M. Barton and wife of Albany are home from a trip east and say Oregon is all right.

The knocker predicts failure in advance and then tries to see to it that you make good.

What's the matter that Oregon don't get her share of the \$7,000,000 reclamation fund due this state?

The big fighter Jim Jeffries of California and a party of 27 people will spend the summer on the upper McKenzie.

Harriman is trying to be happy though in Europe. He should come back to Oregon, where the people really love him.

We are in receipt of the annual catalogue of the state university law school, which is located in Portland. It should be moved up to Eugene and made part of the state university.

Eugene is getting the greatest benefit from the development campaign for opening central Oregon. The whole state will get the benefit, and even Portland is waking up to the fact that its dollars to dime in her pockets.

At the next state election the people will vote on locating an insane asylum in Eastern Oregon. Watch

the Willamette Valley hog kill the bill! Then with southern and eastern Oregon antagonized watch Portland or Eugene swipe the state capital!

The press wires were loaded yesterday with the story of how Mrs. Castle pulled her little 22 and shot a lawyer in the fountain pen.

A dispatch from Africa yesterday says: "Roosevelt laid a corner stone." But that is no reason why the special press correspondent, Warrington Dawson, should cackle.

At Albany, Oregon they tell a story about a prohibition candidate who had a great deal of campaign literature left over after the election. He hated to destroy it, so he stored it in the barn. But one day seven milk cows broke into the barn ate the literature, and the entire herd went dry.—The calves ditto.

The Portland Telegram has jumped onto E. H. Flagg, of the St. Helen's Mist, in an unmerciful manner and intimated that if Flagg and some of the county officials had what was coming to them they would not be living in St. Helen's. Mr. Flagg calls the Telegram man a dirty liar and challenges him for the proof.

Umpqua Valley News: Col. E. Hofer announces that he is not a candidate for governor. He probably thinks his continuance in office for six years by appointment by Governor Benson, and the honor of being Chief Rainmaker for Oregon is glory enough for one man, and he only an editor.

G. W. Humphrey in his paper, the Jefferson Review: "Coming down to the office at an early hour the other morning, the Review man noticed one of our most popular and highly educated young ladies busily engaged in carrying in and stacking the winter supply of wood. And she did not seem to care a bit who stopped and rubbered at the unusual sight. The chap who gets that girl to trot with him along life's stormy pathway will be in big luck."

T. T. Gear and other shallow politicians on whom the people have passed judgment cannot make a public address without witticisms as they think at the expense of The Journal editor because he thought in a time of great drouth that it would be a good thing if the properly authorized representatives of the Most High would do a little judicious praying. These light-brained and frivolous agnostics cannot conceive of a nature deep enough to acknowledge that there is a God or that anyone should ever turn to him for help. Their minds are of too shallow a calibre to pray seriously for anything. But the Lord made them and the people size them at their due weight and pass them up. The great mass of the people still believe in God and in prayer far more than they do in the vaporings of political upstarts who have accidentally at some time been clothed with a little office long enough for the people to take their dimensions and return them where they may still seek notoriety but only from the noisy petulant attitude of a Once-Was or a Has-Beens. The people will not be influenced against real manhood or womanhood that rests its relationship to this world upon a belief in a Divine Mind and the efficacy of prayer when necessary to overcome unfavorable conditions. The agnostic is a moral delinquent when he assails the power of prayer.

POLITICIANS TRY TO BOSS PRIMARIES

[United Press Leased Wire.] Indianapolis, Ind., Aug. 5.—The voices of angry politicians are raised today above the hubbub created by charges that open bribery is going on in the various precincts where voting under the new direct primary law is in progress.

The chief of police has stationed 250 extra men at the various polling places. They have instructions to watch every voter and to prevent fraud.

Open charges are made that both sides are buying votes right and left and it is alleged that the democrats and republicans are in collusion to obtain the election of one of the candidates on a basis of a division of the spoils after election.

Washington Once Gave Up

To three doctors; was kept in bed for five weeks. Blood poison from a spider's bite caused large, deep sores to cover his leg. The doctors failed, then "Bucklen's Arnica Salve" completely cured me," writes John Washington, of Bosqueville, Tex. For eczema, boils, burns and piles it's supreme. 25c at J. C. Perry.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials.

One dollar bottle and part of the second cured me entirely." It will cure you. For sale by J. C. Perry.

Only one person in twenty has the gift of being a satisfactory guest, the remaining nineteen should remain at home now.

Granulated Sore Eyes Cured. "For twenty years I suffered from a bad case of granulated sore eyes," says Martin Boyd, of Henrietta, Ky. "In February, 1903, a gentleman asked me to try Chamberlain's Salve. I bought one box and used about two-thirds of it and my eyes have not given me any trouble since." This salve is for sale by all good druggists.

Can it be possible that two railroads are building up the Deschutes? The way the Oregonian has been hollering Deschutes, Deschutes one might be led to think that is the only place in Oregon that needs a railroad.
