A TON AND A QUARTER OF GOLD

Sent Down to Seattle From Alaska Wednesday and Was Forwarded to the Mint.

Seattle, Aug. 6.—Gold bricks enough to supply the demands of rural communities from Hoboken to Punsutawney were handled by the clerks in the Seattle postoffice yesterday. The bricks weighed 2400 pounds and were worth more than half a million dollars. They reached the local postoffice from Alaska Wednesday afternoon but so much secrecy was observed by the postal authorities that it was not until today that the story leaked it. A mere handful of trusted employes of the government knew of the existence of the gold in the mails and none who handle it in transit had any idea of its value. The gold was collected as dust and nuggets at Fairbanks by the Fairbanks Banking Company and the First National bank in the regular course of business. After being melted it was consigned to the Seattle assay office, en route to the mints for coinage.

The cargo was in 33 inner sacks, 20 bricks to a sack and nearly four pounds to a brick. It came down from Fairbanks by steamer to Vancouver and from there to Seattle by the Great Northern railroad. It was handled as ordinary registered mail matter, no special precautions being taken to guard it, secrecy being depended upon largely as the elecent of safety.

ARTESIAN WELL FOUND.

Water Spouts Three Feet High on Russell Ranch Today.

A flow of water spouting three feet above the surface of the ground has rewarded the efforts of R. A. West to dig a well on the L. H. Russell farm east of the city, where a spur is being built on to the O. R. & N. main line. The well is 160 feet deep and the water flows freely over the surface. It is another demonstration of feasibility of deep wells for private purposes in this valley.—La Grande Observer.

A Pioneer Gone.

The Albany Herald of Aug. 5 says: "Mrs. Salina Heins died at the home of her daughter, Mrs. King, in Turner, this morning at 7 o'clock, at the age of 72 years. The body will arrive in this city tomorrow noon and the funeral will take place at the Circle city chapel. Deceased is the mother of Mrs. E. F. Truax."

Flattery is rather cheap, but, like some other cheap things, often immensely effective.

WANTS HER LETTER PUBLISHED

For Benefit of Women who Suffer from Female Ills

Minneapolis, Minn.—"I was a great sufferer from female trouble, and after I entered a Sanitarium and had been under the treatment of the best physicians in the city, I felt sure if I could follow anyone's advice I would say it and help me wonderfully. My pains all left me, I grew stouter, and within three months I was a perfectly well woman.

"I want this letter made public to show the benefit women may derive from Lydia E. Pinkham's Vegetable Compound."—Mrs. JOHN G. MOLDEN, 2115 second st., North, Minneapolis, Minn.

Thousands of unsolicited and genuine testimonials like the above prove the efficiency of Lydia E. Pinkham's Vegetable Compound, which is made exclusively from roots and herbs.

Women who suffer from those distressing ills peculiar to their sex should not lose sight of these facts or doubt the ability of Lydia E. Pinkham's Vegetable Compound to restore their health.

If you want special advice write to Mrs. Pinkham, at Lynn, Mass. She will treat your letter as strictly confidential. For 20 years she has been helping sick women in this way, free of charge. Don't hesitate—write at once.

GERMAN EDITORS GET A HARD SHOCK

[United Press Leased Wire.]

Berlin, Aug. 6.—The tables are turned today on the German press which so bitterly criticised American women for "unnatural relations with men of other races" during the agitation which followed the murder of Elsie Sigel by a Chinese in New York recently.

When the news came today from Frankfort that a variety actress namde Hoffman, of much beauty and wide popularity, had been killed by a Chinese lover, who then committed suicide, the editors as well as the entire city received a severe shock.

Tien Yon, the Chinese, is said to have paid devoted attention to the actress during her recent appearance here. She tired of him and secretly went to Frankfort. From there she wrote to him saying that she would not return.

Tien took the first train to Frankfort and tracing her whereabouts called at her apartments. A quarrel followed and the celeestial fired three bullets into the girl's body. He then sent two into his own brain.

JUDGE RUNS CLOSE RACE WITH CUPID

Las Angeles, Aug. 6.—Judge James of the superior court today holds all southern California records for rapid action in granting the pleas of mismated couples for separation.

In addition to other routine business of his court Judge James yesterday granted sixteen divorce decrees to couples ranging in color from white to black and for cause mounting from non-support to threats to kill.

In addition to the record activities in the divorce department yesterday eight actions for legal separations were instituted and fifteen marriage licenses granted.

PRIMARIES PLEASE THE HOOSIERS

[United Press Leased Wire.]

Indianapolis, Aug. 6.—Samuel Lewis Shank, republican, and Chas. A. Gauze, democrat, were nominated as candidates for mayor at the primaries held yesterday, following allegations of fraud on both sides.

The result of the trial of the primary law is deemed successful, in so far as the possibility of downing the party machines is concerned.

There is regret in some quarters that the primary did not bring out more prominent citizens for the office and arouse the so-called better element to a more active part in the fight, but the general result is considered favorable.

FOUND DEAD IN WELL HE WAS DIGGING

J. B. Roddy was found dead in a well by his wife Thursday morning at 8:30. He was digging a well on his place in the east end of town and had reached a depth of about seven feet, when, through overwork, he was seized by a paralytic stroke and died instantly. His wife not hearing him at work, went out and found him lying flat on his hands and face. Mr. Roddy was about 40 years of age and leaves a wife and two children, Elmer and Ina. The family came to Albany from Missouri two years ago.—Albany Herald.

SEARCHING FOR LOST OREGON BOY

[United Press Leased Wire.]

Santa Ana, Cal., Aug. 6.—Attorney J. B. Perry of Pendleton, Or., is in this city today searching for Jerry St. Denis, a young half-breed Indian for whom he holds in trust an estate valued at $15,000.

St. Denis was last seen here six months ago, when he was alleged to have come into the city on a brake beam. His father, who was a Frenchman, died a short time after the boy left his Oregon home a year ago.

TARIFF TINKERS START FOR HOME

[United Press Leased Wire.]

Washington, Aug. 6.—Outgoing trains all through the night were filled with senators and representatives hurrying away after the long tariff session. The wives who postponed their summer trips to remain with their husbands were eager to depart and no time was lost. The result was that this morning scarcely more than twelve hours after adjournment the city seemed deserted.

"TAKE BACK YOUR GOLD" SAID HOBO

"It Was Nickels I Asked for"—Tramp Returns Gold-Piece Given Him by Mistake.

[United Press Leased Wire.]

San Francisco, Aug. 6.—When A. B. Garrett returned a $5 gold piece to Reuben Kalisky, a clerk who a few minutes before had handed the man two nickels as suposed, the search of centuries began by Diogenes, the famed Greek philosopher who passed a lifetime in quest of an honest man, came to an end on Fillmore street, San Francisco.

Kalisky was absently walking down the thoroughfare last night when an unkempt and ragged fellow stepped from a shadow of a building and asked for 10 cents "To buy some coffee and doughnuts."

The clerk gave the beggar two coins and passed.

He had traveled a block when the hobo ran up behind him and tapped him on the shoulder.

"Didn't you make a mistake, mister," said he, extending a grimy paw. "One of these nickels is a gold piece."

Kalisky grasped an awning rod to support himself. When he had recovered from the shock he took back his gold and rewarded the man with a silver dollar.
