

A Bold Step.

To overcome the well-grounded and reasonable objections of the more intelligent to the use of secret, medicinal compounds, Dr. R. V. Pierce, of Buffalo, N. Y., some time ago, decided to make a bold departure from the usual course pursued by the makers of put-up medicines for domestic use, and so has published a full and complete list of all the ingredients entering into the composition of his widely celebrated *Favorite Prescription*. Thus he has taken his numerous patrons and patients into his full confidence. Thus too he has removed his medicines from among secret nostrums of doubtful merits, and made them *Kennedies of Known Composition*. By this bold step Dr. Pierce has shown that his formulae are of such excellence that he is not afraid to subject them to the strict scrutiny.

ARREST KELLY FOR THE GARCIA MURDER

(United Press Special Wire.) San Jose, Cal., Aug. 6.—James A. Kelley, a painter, is in jail here today and the police suspect he may know something of the murder of Manuel Garcia, the ranchman who was foully slain on his ranch near Livermore Wednesday.

Kelley was arrested for vagrancy yesterday. He talked continually about the Livermore tragedy and professed to be a private detective working on the case. Kelley was unable to produce credentials to prove his contention.

The theory of the police concerning Kelley is based on the description of one of the two men seen by John Gleason talking to Garcia shortly before he was killed.

In addition to the arrest of Kelley, the authorities are following clues implicating another man as being connected with the baffling case. Search is now being made for the man, and Sheriff Veagh of Contra Costa county stated today that circumstantial evidence pointed strongly to the suspect they are trying to apprehend.

The Why and the Wherefore.

There is never a why without a wherefore. For instance, Hood's Sarsaparilla roots out the cause of disease. Wherefore, when people take this medicine faithfully and persistently their diseases disappear. It cures scrofula, rheumatism, catarrh, dyspepsia, kidney complaint, etc., because these diseases have their origin in the blood. Thousands of people who once suffered from such troubles are alive and well today, and say they cannot help praising Hood's Sarsaparilla because it has given them good health, lengthened their lives and afforded them new opportunities for happiness and usefulness.

It is a beneficent work that Hood's Sarsaparilla is doing. It helps poor tired mothers by purifying and enriching their blood and giving them appetite and strength. It builds up broken down constitutions, relieves the pangs of rheumatism and neuralgia, dispels the horrors of dyspepsia and nervous prostration, overcomes the symptoms of catarrh, eradicates scrofula, salt rheum and all blood diseases, and makes the weak and debilitated feel strong and vigorous.

\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials.

Many people can find fault more efficiently than they can do anything else.

Intense Colicky Pains Relieved. "For some years I suffered from intense colicky pains which would come on at times and from which I could find no relief," says I. S. Moson, of Beaver Dam, Ky. That was four years ago and there has been no return of the symptoms since that time." This remedy is for sale by all good druggists.

People commit many of their most foolish deeds, not because they want to, but because they want to appear to want to.

If troubled with indigestion or constipation give them a trial. They are easy to take and pleasant in effect. Price, 25c. Samples free at all good druggists.

Granulated Sore Eyes Cured. "For twenty years I suffered from a bad case of granulated sore eyes," says Martin Boyd, of Henrietta, Ky. This salve is for sale by all good druggists.
