

Nursing Mothers and

Over-burdened Women

In all stations of life, whose vigor and vitality may have been undermined and broken down by over-work, exacting social duties, the too frequent bearing of children, or other causes, will find in Dr. Pierce's Favorite Prescription the most potent, invigorating restorative strength ever devised for their special benefit. Nursing mothers will find it especially valuable in sustaining their strength and promoting an abundant nourishment for the child. Expectant mothers too will find it a precious aid to prepare the system for baby's coming and rendering the ordeal comparatively painless. It can do no harm in any state or condition of the female system.

Delicate, nervous, weak women, who suffer from frequent headaches, backache, dragging-down distress low down in the abdomen, or from painful or irregular monthly periods, gnawing or distressed sensation in stomach, dizzy or faint spells, see imaginary spots or spots floating before eyes, have diarrhoea, pelvic catarrhal drain, prolapsus, anteversion or retroversion or other displacements of womanly organs from weakness of parts will, whether they experience many or only a few of the above symptoms, find relief and a permanent cure by using faithfully and fairly persistently Dr. Pierce's Favorite Prescription.

This world-famed specific for woman's weakness and peculiar ailments is a pure glyceric extract of the choicest native medicinal roots without a drop of alcohol in its make-up. All its ingredients printed in plain English on its bottle wrapper and attested under oath. Dr. Pierce thus invites the fullest investigation of his formula knowing that it will be found to contain only the best agents known to the most advanced medical science of all the different schools of practice for the cure of woman's peculiar weaknesses and ailments.

If you want to know more about the composition and professional endorsement of the "Favorite Prescription," send postal card request to Dr. R. V. Pierce, Buffalo, N. Y., for his free booklet treating of same.

You can't afford to accept as a substitute for this remedy of known composition a secret nostrum of unknown composition. Don't do it.

X-RAYS AND SMILES

If owning property is a necessary qualification to vote, why should not non-resident owners have a right to vote?

That tariff page in the Journal Saturday cost the United States government nearly \$4,000,000 to get the copy ready for use.

Why should a man who owns property have a right to saddle a debt on people who are not yet in the city any more than anyone else?

The New York Evening Mail mentioning the higher mountain peaks in the United States overlooks Mt. Shasta, and Mt. Shasta is a pretty big thing to "overlook."

If property owners and taxpayers alone have the right to vote on the question of bonding the city, should they not be put under bonds to own the property and pay taxes when the bonds fall due?

Brownsville, which, for 45 years, has been located, according to the townspeople, six miles from where it actually is, has been "moved home" by order of the courts, and is "doing as well as could be expected under the circumstances."

A dispatch yesterday says that detectives disguised as tramps will ride on the Southern Pacific freight trains in an effort to discover freight thieves. Now is the chance of a lifetime for the brakemen to get busy with introducing tramps to coupling pins.

Some of the autoists in Portland call the killing of Mrs. Real, who was run down by an auto at Portland last week, "an unavoidable accident," and say that she was partly to blame "because she was in the road." That last is true, for when the scorching is abroad in an auto the only safe place for a pedestrian is the tall timber.

In a little book prepared under the direction of Gertrude Mackey, Ph. G. B. S., B. A., head of the department of Domestic Economy of the State College of Washington, she tells how to cook apples in more than 125 ways. Now if Gertrude Ph. G. B. S., B. A., would only run her alphabetical combination against the lowly but corset-filling and satisfying potato.

A story is going the rounds to the effect that some years ago three men standing on the sidewalk in New York laughed loudly at some little story just as a cripple, who was passing, fell. Imagining they were laughing at him he cursed them all, predicting a violent end for all of them. The men were Harry Thaw, Dr. Walter S. Bingham and Harry Pulliam. Thaw, everybody knows about; Bingham is in the insane asylum, and Pulliam committed suicide last week. Did the cripple have anything to do with it?

UNCLE JOE CANNON WILL NOT RETIRE

[United Press Licensed Wire.] Danville, Ill., Aug. 9.—"Uncle Joe" Cannon is still in the ring and he wants it known.

Cannon denied that he intended to lecture at Chautauqua and said that he expected to spend the summer at home.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials.

Address, F. J. CHENEY, Toledo, O. Sold by druggists, 75c. Take Hall's Family Pills for constipation.

A small amount of truth will tincture an immeasurable quantity of gossip.

Intense Colicky Pains Relieved. "For some years I suffered from intense colicky pains which would come on at times and from which I could find no relief," says I. S. Moson, of Beaver Dam, Ky. "Chamberlain's Colic, Cholera and Diarrhoea Remedy was recommended to me by a friend. After taking a few doses of the remedy I was entirely relieved. That was four years ago and there has been no return of the symptoms since that time." This remedy is for sale by all good druggists.

Sometimes we run across a man who is such a poor hunter that he can't even find fault.

For indigestion and all stomach trouble take Foley's Orino Laxative as it stimulates the stomach and liver and regulates the bowels and will positively cure habitual constipation. For sale by J. C. Perry.

There are people who get into trouble with greater ease and frequency than they get out of it.

No matter how long you have suffered, Foley's Kidney Remedy will help you. Mrs. S. L. Bowen, of Wayne, W. Va., writes: "I was a sufferer from kidney disease so that at times I could not get out of bed, and when I did I could not stand straight. I took Foley's Kidney Remedy. One dollar bottle and part of the second cured me entirely." It will cure you. For sale by J. C. Perry.

The Trask fish hatchery will turn out 15,000,000 salmon fry this year.

What is Best for Indigestion? Mr. A. Robinson, of Drumquinn, Ontario, has been troubled for years with indigestion, and recommended Chamberlain's Stomach and Liver Tablets as "the best medicine I ever used." If troubled with indigestion or constipation give them a trial. They are easy to take and pleasant in effect. Price, 25c. Samples free at all good druggists.

The Porter brothers may be all right in their railroad building of the Deschutes, but when they talk of paralleling to O. R. & N. to Portland it's a clear case of hot air.

If you are all run down Foley's Kidney Remedy will help you. It strengthens the kidneys so they will eliminate the impurities from the blood that depress the nerves and cause exhaustion, backache, rheumatism and urinary irregularities, which saps the vitality. Do not delay Take Foley's Kidney Remedy at once. For sale by J. C. Perry.

This salve is for sale by all good druggists.
