

"The Blood is The Life."

Science has never gone beyond the above simple statement of scripture. But it has illuminated that statement and given it a meaning over broadening with the increasing breadth of knowledge. When the blood is "bad" or impure it is not alone the body which suffers through disease. The brain is also clouded, the mind and judgment are affected, and many an evil deed or impure thought can be directly traced to the impurity of the blood. Pimples, eruptions, itching, and many other skin diseases can be made pure by the use of Dr. Pierce's Golden Medical Discovery. It purifies the blood, cures pimples, blotches, eruptions and other cutaneous affections, as eczema, tetter, or salt-rheum, hives and other manifestations of impure blood.

In the cure of scrofulous swellings, enlarged glands, open sores, ulcers, or skin sores, the "Golden Medical Discovery" has performed the most marvelous cures. In cases of old sores, or open eating ulcers, it is well to apply to the open sores Dr. Pierce's All-Healing Salve, which possesses wonderful healing potency when used as an application to the sores in conjunction with the use of "Golden Medical Discovery" as a blood cleansing constitutional treatment. If your druggist don't happen to have the "All-Healing Salve" in stock, you can easily procure it by enclosing fifty-four cents in postage stamps to Dr. R. V. Pierce, 663 Main St., Buffalo, N. Y., and it will come to you by return post. Most druggists keep it as well as the "Golden Medical Discovery."

You can't afford to accept any medicine of unknown composition as a substitute for "Golden Medical Discovery," which is a medicine of known composition, having a complete list of ingredients in plain English on its bottle wrapper, the same being attested as correct under oath. Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels.

COUNCIL GRINDS OUT ROUTINE

Bicycle and Telephone Ordinances Go Over Several Weeks.

Aldermen Stockton and Low were absent, but the mayor and all the rest of the council were present.

The bicycle ordinance went over for a week and the telephone ordinance two weeks. Engineering, advertising and clerical work on street improvements costs about three per cent of total expense.

Mr. Stois called attention to a number of wealthy property owners who were getting back money in the shape of surplus on street assessments, and suggested that they might now feel able to improve Court street from Commercial to Front.

The city treasurer was notified to remove and maintain his office in the city hall, to occupy a desk in the city police court, and when in session his office to be in the city recorder's office.

Mr. Millard asked that a policeman be stationed in Wilson avenue when band concerts are given there to keep order. So ordered.

Affidavit of Werner Fennell and others in petition to vacate portion of Fir street, placed on file.

Ordinance to vacate all of Fir street east of Commercial, referred to committee on streets.

Street Commissioner Pooler reported expenditures for month of July at \$2,049.

Vote on Bond Election.

The vote of this city on the refunding bonds and the Fairmount park purchase has not yet been canvassed and will probably be counted up some time this week. The mayor and recorder make the official canvass and return. Affidavits have been filed with the city recorder showing that in some wards all were allowed to vote regardless of whether they were taxpayers or not, and in other wards all but property owners were excluded. The affidavits will also be brought before the city council when the returns of the election are made to the council.

TOURISTS VISITING THE CITY

Transportation Lines Busy and Hotels Crowded—Visitors Are Pleased With Oregon.

From reports shown by the Oregon Electric Railway company, the Southern Pacific company and the Oregon City Transportation company's steamers plying the Willamette river between this city and Portland, there are hundreds of tourists arriving and leaving this city. People from the far eastern states have stopped off here, having round trip tickets to this coast and back to their homes in the east.

These reports are verified by the Salem hotel proprietors. Never a day passes but the registers show names of prominent business men, well-to-do farmers and an occasional capitalist, all making a general tour of the coast cities. Many of these tourists have been made acquainted with the city of Salem's genial public-spirited citizens and when they take the occasion to visit the different state institutions they are treated cordially by the officials and every courtesy is extended them.

Peter R. Bouskey, a prominent capitalist of Cleveland, Ohio, recently stopped off in this city before resuming his homeward trip from the Seattle exposition, and took a week for the purpose of "seeing what the capital had." When Mr. Bouskey was escorted to the train by two of Salem's most popular business men he told them that his present short visit would not be the last, only the next he made to this section of the country would be extended to a few months instead of a few days. He said that, although Los Angeles was an ideal spot in which to make a summer home, he thought that for genuine solid comfort and rest there were a few locations in the close vicinity of Salem that would suit him much better, and if it proves agreeable to his wife and two daughters, who are still in Seattle, he will consider Salem as his next place in which to spend the summer months.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials.

Intense Colicky Pains Relieved.

"For some years I suffered from intense colicky pains which would come on at times and from which I could find no relief," says I. S. Moson, of Beaver Dam, Ky. "Chamberlain's Colic, Cholera and Diarrhoea Remedy was recommended to me by a friend. After taking a few doses of the remedy I was entirely relieved. That was four years ago and there has been no return of the symptoms since that time." This remedy is for sale by all good druggists.

Clear sighted individuals sometimes turn stone blind when asked to take another viewpoint.

No matter how long you have suffered, Foley's Kidney Remedy will help you. Mrs. S. L. Bowen, of Wayne, W. Va., writes: "I was a sufferer from kidney disease so that at times I could not get out of bed, and when I did I could not stand straight." I took Foley's Kidney Remedy. One dollar bottle and part of the second cured me entirely." It will cure you. For sale by J. C. Perry.

Cured Hay Fever and Summer Cold

A. S. Nusbaum, Batesville, Ind., writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business. I had many of the symptoms of hay fever and a doctor's prescription did not reach my case, and I took several medicines which seemed only to aggravate it. Fortunately I insisted upon having Foley's Honey and Tar. It quickly cured me. My wife has since used Foley's Honey and Tar with the same success." For sale by J. C. Perry.

Disagreeable at Home.

Lots of men and women who are agreeable with others get "cranky" at home. It's not disposition, it's the liver. If you find in yourself that you feel cross around the house little things worry you, just buy a bottle of Ballard's Herbine and put your liver in shape. You and everybody around you will feel better for it. Price 50c per bottle. Sold by all druggists.

The man who can't afford to have scruples is quite often the man of means.

Cholera Infantum Cured.

"Something like two years ago my baby, which was then about a year old, was taken seriously ill with cholera infantum, vomiting and purging profusely," writes J. F. Dempsey, of Dempsey, Ala. "I did what I could to relieve her, but it did her no good, and being very much alarmed about her went for a physician, but failed to find one, so came back by Elder Bros. & Carter's store and Mr. Elder recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. I procured a bottle of it, went home as quickly as possible and gave the baby a dose of the remedy. It relieved her in fifteen minutes and soon cured her entirely." For sale by all good druggists.

The gentle art of persuasion sometimes has to be supplemented by the pedal covering applied vigorously by the maternal hand.

Active at 87.

This would be unusual news if men and women would keep themselves free from rheumatism and all aches and pains as well as keeping their muscles and joints limber with Ballard's Snow Liniment. Sold by all druggists.
