

The Modesty of Women

Naturally makes them shrink from the delicate questions, the onerous examinations, and unpleasant local treatments, which some physicians consider essential in the treatment of diseases of women. Yet, if help can be had, it is better to submit to this ordeal than let the disease grow and spread.

The most intelligent women now-a-days insist on knowing what they take as medicine instead of opening their mouths like a lot of young birds and gulping down whatever is offered them.

A gentleman of Missouri held in the local tanks for stealing a razor-back hog learned this morning from the police judge that under a new law his misdemeanor of yesterday is a felony of today.

Children Cry FOR FLETCHER'S CASTORIA There are three ways to spread news—telegraph, telephone and tell a woman. Some think the last named the quickest way.

Children Cry FOR FLETCHER'S CASTORIA

Incidentally it is a felony for anyone to steal electric power in Missouri. In short eighty laws bluer than any dear old Boston ever sweated under is the outcome of the state's legislation may cause an exodus to a more congenial clime.

One gleam of sunshine in the gloom sifted through for the benefit of the traveling fraternity. Tonight every hotel in the state must provide its beds with 9-foot sheets, clean and fresh, in order to provide protection for the slumberer against the unwashed "comforters."

X-RAYS AND SMILES

The Mazamas made a successful trip to the summit of Mt. Baker and back without mishap. This is unusual and rather disappointing from a news standpoint.

A law cancelling the license of auto scorchers would stop scorching, says an exchange. Of course it would, if it was enforced. So would the existing laws. But of what use is a law that is ignored?

There are about 500 state laws and 50,000 city ordinances too many in Oregon. They are not enforced, and no attempt is made to enforce them. One of these is the state and city laws against speeding autos and motorcycles. They are violated every minute of the day and should be wiped off the books.

Cured Hay Fever and Summer Cold

A. S. Nusbaum, Batesville, Ind., writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business. Fortunately I insisted upon having Foley's Honey and Tar. It quickly cured me. My wife has since used Foley's Honey and Tar with the same success."

Disagreeable at Home.

Lots of men and women who are agreeable with others get "cranky" at home. It's not disposition, it's the liver. If you find in yourself that you feel cross around the house little things worry you, just buy a bottle of Ballard's Herbine and put your liver in shape.

Cholera Infantum Cured.

"Something like two years ago my baby, which was then about a year old, was taken seriously ill with cholera infantum, vomiting and purging profusely," writes J. F. Dempsey, of Dempsey, Ala. "I did what I could to relieve her, but did her no good, and being very much alarmed about her went for a physician, but failed to find one, so came back by Elder Bros. & Carter's store and Mr. Elder recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. I procured a bottle of it, went home as quickly as possible and gave the baby a dose of the remedy. It relieved her in fifteen minutes and soon cured her entirely."

There is nothing like knowing how to do a thing—unless it's the faculty of being able to do it when you know how.
