The Secret of Long Life.
A French scientist has discovered one secret of long life. His method deals with the blood. But long ago millions of Americans had proved Electric Bitters prolongs life and makes it worth living. It purifies, caries and vitalizes the blood, rebuilds wasted nerve cells, imparts life and tone to the entire system. It's a godsend to weak, sick and debilitated people. "Kidney trouble had blighted my life for months," writes M. W. Sherman, of Cushing, Me., "but Electric Bitters cured me entirely." Only 50c at J. C. Perry.

ESTHER MITCHELL A VAGRANT

Esther Mitchell, the central figure in Seattle's Holy Roller killings of two years ago, is in the hands of the provincial police at Nanaimo, having been found horribly emaciated and heavy with opium in a Chinaman's shack at Departure Bay. She is held for vagrancy and will probably go to a rescue home.

In Seattle during July, 1907, her brother shot Joshua Creffield, a Holy Roller priest, whom he charged with ruining the girl. Esther, meeting her avenging brother at the union depot, shot him dead, alleging being inspired thereto by Creffield's wife. She escaped punishment on the ground of temporary insanity and has since fallen lower and lower, consorting wholly with the Chinese of late, and living only to satisfy her craving for the poppy.

Esther Mitchell left Fort Stella-coom asylum near Tacoma, where she had been confined, some months ago without being discharged. Since that time the Washington authorities have been quietly seeking her, and she may be brought back to the asylum.

Some one has suggested ex-Senator Fulton as governor of Oregon. The sense of humor in some folks is over-developed.

John Wilson, ex-United States senator from Washington, said at the Spokane congress, I stand for Ballinger." If the old gentleman hasn't taken another stand he is getting some publicity that will make him do more thinking than he did when in the senate.

The general who captured Bosting is named Bliss. Anyway he had a good time, and he and Pew became almost as famous as Windy Jim and Hot Air Johnson.

Two auto speeders were killed in the races at Indianapolis yesterday. The auto is impartial and kills its owner with as little compunction as it does an outsider.

EACH HAD A KNIFE THROUGH HIS HEART

[United Press Leased Wire.] Danville, Ky., Aug. 19.—With knives buried up to the hilts in their hearts, the bodies of Addison Chapman and Perry Luttrell were found today near Dry Fork Church in Casey county.

The men were enemies and the battle today was a climax to a feud of long standing.

An investigation this afternoon revealed the fact that John C. Hambley and his wife, who was a daughter of Luttrell, were seriously injured in the fight.

Three members of the Luttrell family and two of the Chapmans have been arrested.

When the stomach, heart or kidney nerves get weak, then these organs always fail. Don't drug the stomach, nor stimulate the heart or kidneys. That is simply a makeshift. Get a prescription known to druggists everywhere as Dr. Shoop's Restorative. The restorative is prepared expressly for these weak inside nerves. Strengthen these nerves, build them up with Dr. Shoop's Restorative—tablets or liquid—and see how quickly help will come. Sold by the Capital drug-store.

The Wrights are having almost as much trouble with their flying machine as some Coos Bay men have with their motor boats and automobiles.

Disagreeable at Home.
Lots of men and women who are agreeable with others get "cranky" at home. It's not disposition, it's the liver. If you find in yourself that you feel cross around the house little things worry you, just buy a bottle of Ballard's Herbine and put your liver in shape. You and everybody around you will feel better for it. Price 50c per bottle. Sold by all druggists.

Washington Once Gave Up
To three doctors; was kept in bed for five weeks. Blood poison from a spider's bite caused large, deep sores to cover his leg.
