

COMMON SENSE

Leads most people to use only medicines of poor composition. Therefore it is that Dr. Pierce's medicines, the makers of which print every ingredient entering into them upon the bottle wrappers and state their correctness under oath, are daily going in favor. The composition of Dr. Pierce's medicines is open to everybody. Dr. Pierce being desirous of having the benefit of investigation turned upon his formulae, being confident that the better the composition of these medicines is known the more will their curative merits be recognized. Being wholly made of the active medicinal principles extracted from native forest plants, by exact processes original with Dr. Pierce, and without the use of a drop of alcohol, triple-refined and chemically pure glycerine being used instead in extracting and preserving the curative virtues residing in the roots employed, these medicines are entirely free from the objection of doing harm by creating an appetite for either alcoholic beverages or habit-forming drugs. Examine the formula on their bottle wrappers—the same as sworn to by Dr. Pierce, and you will find that his "Golden Medical Discovery," the great blood-purifier, stomach tonic and bowel regulator—the medicine which, while not recommended to cure consumption in its advanced stages, no medicine will do that yet does cure all these catarrhal conditions of head and throat, weak stomach, torpid liver and biliary troubles, weak lungs and hay-fever coughs, which, if neglected or badly treated lead up to and finally terminate in consumption.

FASHIONS IN VOGUE AT BAR HARBOR THIS SEASON

This summer at Bar Harbor one needs every sort of gown, coat and wrap except those pertaining to the automobile, for the town authorities have voted to entirely exclude the "devil wagon" from the place. A large majority of the summer residents concur with the natives in this decision for the roads here are so narrow, winding and picturesque that though delightful for driving, they being positive death traps if motors are allowed to run over them.

Colored Coats for Thin Dresses—Colored coats for thin dresses add novelty to the summer's color schemes. A very chic coat lately worn by a fashionable woman with a white frock was made of Chantreuse green taffeta veiled with marine blue chiffon. The use of quite vivid colors veiled with a natural tone is one of fashion's latest caprices for such wraps. To wear with light dresses white, cream color, pale green, pale blue, gray, etc., are among the colors chosen for these silk coats. In spite

of its fragility chiffon is decidedly the season's fad and coats and frocks are both veiled lavishly with the diaphanous fabric.

gerie and linen parasols are especially successful at the seashore. They may be rather plain or elaborated with embroidery or lace. Dainty sunshades of sheer lawn are pin-tucked all over and made up with a deep hemstitch around the edge. These are mounted on colored silk linings to match various costumes and the effect is chic in the extreme. The fashionable parasol handle is rather long and extreme director handles are sometimes seen but a more moderate length is generally favored.

Frocks for Balls and Dances—Evening gowns are gorgeous. At the Wednesday evening hops at the Malvern the women are superbly gowned, some of the loveliest costumes are of satin. A handsome woman who has lately joined the cottage colony appeared in a costume of white satin that had a certain resemblance to a Greek robe as the waist was draped around the décolletage and embroidered in gold around the bottom and up each side.

Oriental colors are modish for trimmings. A pale blue silk mousseline worn at a dinner party last week had an odd trimming of braiding done in Oriental colors put on in caudate style.

Inexpensive Cottons Smart—More and more one sees inexpensive cotton dresses that are smartly designed and neatly made worn "cheek by jowl" with more costly imported materials.

The American printed wash fabrics now come in such attractive fast colors, and in up to date checks and plaids in new crepe effects that they make ideal school and home dresses for use the year round. People to whom cost is not of importance prefer to clothe their children in cotton for hygienic reasons, long warm coats worn out of doors furnishing the needed protection in cold weather.

Lingerie and Linen Parasols—Every morning or afternoon costume is completed by a parasol, hat, gloves, shoes and stockings to match. Lin-

forehead. This hat is trimmed with a flat wreath of crushed pink roses and a big bow of black velvet ribbon on one side.

Cholera Infantum Cured. "Something like two years ago my baby, which was then about a year old, was taken seriously ill with cholera infantum, vomiting and purging profusely," writes J. F. Dempsey, of Dempsey, Ala. "I did what I could to relieve her, but did her no good, and being very much alarmed about her went for a physician, but failed to find one, so came back by Elder Bros. & Carter's store and Mr. Elder recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. I procured a bottle of it, went home as quickly as possible and gave the baby a dose of the remedy. It relieved her in fifteen minutes and soon cured her entirely." For sale by all good druggists.

The readers of this journal will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials.

Intense Colicky Pains Relieved.

"For some years I suffered from intense colicky pains which would come on at times and from which I could find no relief," says I. S. Moson, of Beaver Dam, Ky. "Chamberlain's Colic, Cholera and Diarrhoea Remedy was recommended to me by a friend. After taking a few doses of the remedy I was entirely relieved. That was four years ago and there has been no return of the symptoms since that time." This remedy is for sale by all good druggists.

Cured Hay Fever and Summer Cold

A. S. Nusbaum, Batesville, Ind., writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business. I had many of the symptoms of hay fever and a doctor's prescription did not reach my case, and I took several medicines which seemed only to aggravate it. Fortunately I insisted upon having Foley's Honey and Tar. It quickly cured me. My wife has since used Foley's Honey and Tar with the same success." For sale by J. C. Perry.
