

What Do They Cure?

The above question is often asked concerning Dr. Pierce's two leading medicines, "Golden Medical Discovery" and "Favorite Prescription."

The answer is that "Golden Medical Discovery" is a most potent alternative of blood-purifier, and tonic or invigorator and acts especially favorably in a curative way upon all the mucous lining surfaces, as of the nasal passages, throat, bronchial tubes, stomach, bowels and bladder, curing a large per cent. of catarrhal cases whether the disease affects the nasal passages, the throat, larynx, bronchial tubes, stomach, or catarrhal dyspepsia, bowels (as constipation, diarrhea, bladder, uterus or other pelvic organs). Even in the chronic and obstinate stages of these affections it is often successful in effecting a cure.

The "Favorite Prescription" is a powerful, gently acting invigorating tonic and nerve tonic. For weak worn-out, over-worked women—in a matter what has caused the breakdown. "Favorite Prescription" will be found most effective in building up the strength, regaining the womanly functions, stimulating the appetite and bringing about a healthy, vigorous condition of the whole system.

A book of particulars of each bottle giving the full name of each medicine and quoting what scores of eminent medical authors, whose works are consulted by physicians in all the schools of practice as guides in prescribing, say of each of the greatest and best of these medicines. The work is a rare treasure on the several important ailments entering into Dr. Pierce's medicine. Each writer should have more than any amount of such men's names and their addresses or their medical opinions and know where they speak.

Both medicines are non-alcoholic, non-secret, and contain no harmful habit-forming drugs. They are composed of vegetable extracts of the most delicate and medicinal plants. They are both sold by druggists in medicine. You can't afford to get a substitute for one of these medicines of known composition, any secret medicine.

Dr. Pierce's small sugar-coated, easy to take, gently regulate and invigorate stomach, liver and bowels.

BUILDING FINE STEEL BRIDGES

The work of erecting the new steel bridge which spans the Calapooia at Brownsville is completed and Commissioner Butler and his crew are now engaged in building the foundation for the decking and approaches. This work, however, will not be completed now, as the crew will have to go to Seio next Thursday to erect the steel bridge over Thomas creek in that city, which consists of one span. From Seio they will go to Jefferson, where a 43-foot concrete pier must be put in before high water comes. From Jefferson the crew will return to Brownsville and complete the bridge here.

Quick work has been done in erecting the steel bridge here, which consists of two spans, each 162 1/2 feet in length, the workmen beginning last Wednesday and completing the job yesterday. The bridge presents a good appearance and looks like a substantial structure. Brackets have been put on for a sidewalk on each side of the bridge, which is a greatly needed improvement over the old bridge.—Brownsville Times.

HANGED THEM FIRST AND RIDDLED BODIES

Maloom, Ala., Sept. 4.—After storming the county all Thursday night, a posse of infuriated citizens carried Joshua and Lewis Balam to a nearby tree, and, after stringing them up, riddled their bodies with bullets. The negroes had confessed to the murder of Sheriff J. L. Wainwright. After shooting Wainwright in the back, the negroes literally hacked his body to pieces with knives.

Many people delude themselves by saying: "It will wear away," when they notice symptoms of kidney and bladder trouble. This is a mistake. Take Foley's Kidney Remedy, and stop the drain on the vitality. It cures backache, rheumatism, kidney and bladder trouble, and makes every trace of pain, weakness and urinary trouble disappear. J. C. Perry.

EIGHT LIVES WERE LOST ON STEAMER OHIO

Victoria, B. C., Sept. 4.—The fact has been established by divers at work on the wrecked steamer Ohio, according to a wireless message from the steamer Dolphin, en route to Seattle, that at least eight lives were lost when the Alaskan steamer went to the bottom of Carter bay.

The body of Purser Steppen was recovered and has been shipped to Prince Rupert.

Testifies After Four Years. Carlisle Center, N. Y., G. B. Burhans writes: "About four years ago I wrote you that I had been entirely cured of kidney trouble by taking two bottles of Foley's Kidney Remedy, and after four years I am again pleased to state that I have never had any return of those symptoms, and am evidently cured to stay cured." Foley's Kidney Remedy will do the same for you, J. C. Perry.

TAFT WILL NOT STOP AT OREGON'S CAPITAL

Mayor Rodgers received a telegram yesterday saying that President Taft would not be able to stop here, as it was now impossible to change his itinerary.

It has been authentically reported here today that President Taft has given out the information that he will be unable to stop at Salem, owing to his inability to change his itinerary.

This is probably the answer to Mayor Rodgers' telegram, which he sent to Fred W. Carpenter yesterday, asking if it could not possibly be arranged for the President to stop off in Salem. This news will prove quite a disappointment to Salem and valley people, as they were in hopes of claiming a small portion of the high official's time. The result is, however, President Taft will make a jump from Portland to California, and the people of the Willamette valley will not have the opportunity of seeing him.

It has splendid literary articles and original poems, written by enthusiastic Californians, that ought to be an inspiration to any person who loves nature in her sunniest mood, and believes in the art of man added to the charms and delights of the beautiful world as God made it. The magazine is finely illustrated, and you will get a free sample copy by addressing the publishers and mentioning The Capital Journal.

It's a pity when sick ones drug the stomach or stimulate the heart and kidney. That is all wrong. A weak stomach, means weak stomach nerves always. And this is also true of the heart and kidneys. The weak nerves are instead crying out for help. This explains why Dr. Shoop's Restorative is promptly helping stomach, heart and kidney ailments. The Restorative reaches out for the actual cause of these ailments—the falling "inside nerves." Anyway test the Restorative 48 hours. It won't cure so soon as that, but you will surely know that help is coming. Sold by Capital Drug Store.
