

# NO CLUE TO MURDER OF CHILDREN

[UNITED PRESS LEASED WIRE] Utica, N. Y., Sept. 15.—Despite the facts that rewards aggregating \$3250 have been offered for the murderer of Teresa Percopla and little Freddie Enfusino, the police admit today that they are no nearer a solution of the case than they were on the day the children were kidnaped. Late Sunday, Teresa, Freddie and Fannie Enfusino were kidnaped in the vicinity of their home by a strange man, who professed to be the godfather of little Teresa. Following an all-night search for the youngsters, a milkman, while making his rounds early last Monday, found the dead body of Teresa, and Freddie dying under a culvert in an isolated section of the city. Fannie, who was suffering from a revolver wound in the arm, gave the police a detailed account of the kidnaping, and told how the stranger had deliberately shot the children. The police today say that they believe that Fannie knows the identity of the murderer of Freddie and Teresa, but is afraid to tell who he is.

Attired in a handsome silk gown, with a modish peach basket hat of blue resting on an elaborate blonde wig, Witzel attracted the attention of many as he stood last night in front of the St. Francis hotel. As he started to cross the street Policemen McKivitt and Cameron were attracted by the size of his feet and his peculiar stride.

Asked for an explanation, Witzel stated that he was a detective and was waiting for a woman, whom he refused to name, to come from the hotel, and said he was preparing to follow her automobile in his hired car. Witzel admitted that he was shadowing the woman to get divorce evidence, but the policemen took him to headquarters for further evidence.

## WELL DESERVED. The Praise That Comes From Thankful Salem People.

One kidney remedy never fails. Salem people rely upon it. The remedy is Doan's Kidney Pills. Salem testimony proves it always reliable.

P. W. Brown, 374 Summer street, Salem, Ore., says: "Three years of millwright work in a sulphur factory, when it was necessary to perform repairs in poisonous gases and to work in cramped position, and sometimes wet to the skin, caused my kidney trouble. I suffered from a lameness and soreness across the small of my back, and about two months ago, when in this condition my attention was called to Doan's Kidney Pills. I went to Dr. Stone's drug store, and procured a box and soon the backache and soreness across the loins entirely disappeared, as also did the other symptoms of my trouble. Doan's Kidney Pills are worthy of a trial by anyone annoyed with backache or kidney complaint." For sale by all dealers. Price 50 cents.
