

The Knock-out Blow.

High knocked out Cortett... From the earliest days of the ring the knock-out blow was timed for the jaw, the temple or the jugular vein.

SOME GOOD CONTESTS YESTERDAY

Mack U Won the 2:25 Pace; Lady Cyrus the 2:15; Easter the Three-Year-Old Trot.

The second day's racing at Lone Oak track was well attended and those present witnessed some exciting speed events. The main surprise was sprung in the 2:15 trot—Farmers' purse for \$1000.

The three-year-old trot was an interesting event, but from the score it was seen that Easter, the California entry, had things at his mercy.

The 2:25 pace was a four-heat affair, going to the McKinney gelding Mack N, who won the first heat quite handsily in 2:15 1/4.

In the second heat Mack N led to the three-quarters, where he made a stand-still break, the heat going to Bonnie Tangent in 2:17 1/4.

One of the largest fields on the coast will turn for the word in the Greater Oregon stake for \$5000, 14 horses having been named as sure starters.

It is the consensus of opinion that 2:08 will be beaten and all the horsemen unite in saying that the winner will know that he has been to the races.

***** X-RAYS AND SMILES *****

This is fair-weather weather. Hop picking has about reached the stage where it is stop picking.

A Punch and Judy show ought to have a great run in Oregon.

Big Bullit Aft will be in Seattle October 1, and will deliver an address to the livestock men.

"Paid in Full" was played in full last night. It was a good play, and most admirably presented, but there were a few real nice Salem people who were not there.

It is useless to find fault with people for not patronizing good plays. That is their privilege, of course, but a play with a moral that is uplifting and educational is met with empty benches, while "The Girl from Rectors" or the equally salacious "Car-men" is greeted with full houses, there is no use kicking, either.

"The Gentleman from Mississippi" will be at the Grand Friday night. Salemites should remember this, and not by any mistake attend it, as it is one of the very best plays that has visited the coast in years.

The Medford Tribune notes the fact that the Portland papers have discovered Rogue River. In view of the fact that others had found it before, and also its most famous product, might this not be classed as a "Pear-y" discovery?

An applicant for citizenship in New York had never heard of Abraham Lincoln or George Washington, and when asked the name of six states he mentioned New Jersey, New York, Boston, West Hoboken, Union Hill and Hoboken. He seems to have all the qualifications for a good position in the interior or agricultural departments at Washington.

Lakeview is holding a big private land drawing. As this is a lottery run by private individuals, instead of the government, it is probably against the law to mention the winners.

Conditions develop us, providing we adapt ourselves to them.

Warning. Do not be persuaded into taking anything but Foley's Hony and Tar for chronic coughs, bronchitis, hay fever, asthma and lung trouble, as it stops the cough and heals the lungs. J. C. Perry.

Put something into this life if you would expect anything out of it.

Best Treatment for a Bofo. If for no other reason, Chamberlain's Salve should be kept in every household on account of its great value in the treatment of burns. It allays the pain almost instantly, and unless the injury is a severe one, heals the parts without leaving a scar. This salve is also unexcelled for chapped hands, sore nipples and diseases of the skin. Price, 25 cents. For sale by all good druggists.

He who sows wild oats should not expect the general public to assist in the harvesting.

Near Death in Big Pond. It was a thrilling experience to Mrs. Ida Soper to face death. "For years a severe lung trouble gave me intense suffering," she writes, "and several times nearly caused my death. All remedies failed and doctors said I was incurable. Then Dr. King's New Discovery brought quick relief and a cure so permanent that I have not been troubled in 12 years." Mrs. Soper lives in Big Pond, Pa. It works wonders in coughs and colds, sore lungs, hemorrhages, in grippe, asthma, croup, whooping cough and all bronchial affections. 50c and \$1.00. Trial bottle free. Guaranteed by J. C. Perry.

The Luric Glow of Doom. Was seen in the red face, hands and body of the little son of H. M. Adams, of Henrietta, Pa. His awful plight from eczema had, for five years, defied all remedies, and baffled the best doctors, who said the poisoned blood had affected his lungs and nothing could save him. "But," writes his mother, "seven bottles of Electric Bitters completely cured him." For eruptions, eczema, salt rheum, sores and all blood disorders and rheumatism Electric Bitters is supreme. Man should never grow so old, decrepit, halt or lame that he should fail to boost and root when attending a ball game.
