

CONGRESS SHOULD GO THERE

[UNITED PRESS LEASED WIRE.]
Honolulu, Sept. 27.—Following the departure of the congressional party on the Mongolia an examination of the register at the volcano house on Kilauea showed that only one of the representatives was moved to record his thoughts, after gazing down into the fires of the volcano, as they seethed and bubbled fitfully in the crater's pit. This is what the record shows:

"The scene of the volcano in action warns us to 'Flee the wrath to come,' and by the help and grace of God I shall do so. Forgetting the past and looking into the future I take a new inspiration for better and higher ideals.

(Signed) "E. S. CHANDLER, JR., Member of Congress, First District 'of Mississippi."

Following the lines is a notation in another handwriting which reads:

MINERS IN BUTTE RETURN TO WORK

[UNITED PRESS LEASED WIRE.]
Butte, Mont., Sept. 28.—All signs of the strike of miners and the strife between the engineers and the mine workers had disappeared today, and work is proceeding as usual throughout the district. All mines resumed operation last night, and the regular day shifts went into their places this morning. The visit of President Taft resulted in no untoward demonstration.

The watched clock never strikes. "Come thou up higher."

It's a pity when sick ones drug the stomach or stimulate the heart and kidney. That is all wrong. A weak stomach, means weak stomach nerves always. And this is also true of the heart and kidneys. The weak nerves are instead crying out for help. This explains why Dr. Shoop's Restorative is promptly helping stomach, heart and kidney ailments. The Restorative reaches out for the actual cause of these ailments—the falling "inside nerves." Anyway test the Restorative 48 hours. It won't cure so soon as that, but you will surely know that help is coming. Sold by Capital Drug Store.
