

A Woman's Back

Has many aches and pains caused by weakness and falling, or other displacement, of the pelvic organs. Other symptoms of female weakness are frequent headache, dizziness, imaginary specks or dark spots floating before the eyes, gnawing sensation in stomach, dragging or bearing down in lower abdominal or pelvic region, disagreeable drains from pelvic organs, faint spells with general weakness.

If any considerable number of the above symptoms are present there is no remedy that will give quicker relief or a more permanent cure than Dr. Pierce's Favorite Prescription. It has a record of over forty years of cure. It is the most potent invigorating tonic and strengthening nerve known to medical science. It is made of the glyceric extracts of native medicinal roots found in our forests and contains not a drop of alcohol or harmful, or habit-forming drugs. Its ingredients are all printed on the bottle-wrappers and attested under oath as correct.

Every ingredient entering into "Favorite Prescription" has the written endorsement of the most eminent medical writers of all the several schools of practice—more valuable than any amount of non-professional testimonials—though the latter are not lacking, having been contributed voluntarily by grateful patients in numbers to exceed the endorsements given to any other medicine extant for the cure of woman's ills.

You cannot afford to accept any medicine of unknown composition as a substitute for this well proven remedy or known empoisonment, even though the dealer may make a little more profit thereby. Your interest in regaining health is paramount to any selfish interest of his and it is an insult to your intelligence for him to try to palm off upon you a substitute. You know what you want and it is his business to supply the article called for.

Dr. Pierce's Pleasant Pellets are the original "Little Liver Pills" first put up by old Dr. Pierce over forty years ago, much imitated but never equalled. Little sugar-coated granules—easy to take and sandy.

SENATOR BOURNE IS ALL RIGHT

Thinks Prominent Men of the State Should Have Chance of Meeting the president.

Portland, Or., Sept. 29.—Senator Bourne and his secretary, Prescott, are in Seattle today, on invitation of the President to have the senator meet him there. There is great dissatisfaction with the work of the local committee, at their not having invited state officials and prominent men from all parts of the state to join in the welcome to the President at Portland.

President Taft does not become the guest of Senator Bourne until the public program is completed, and then it will be Saturday evening, and a dinner cannot be arranged for Sunday. Senator Bourne plans, if the President is willing, to have as many as possible of the most prominent Republicans of the state meet the President quietly on Sunday afternoon and evening at his rooms at the Portland Hotel. But Senator Bourne must defer entirely to the wishes of the President in this matter.

Senator Bourne will accompany the President to the California line.

On his return the senator will stop off at Ashland, Salem and other places, if possible, to confer with the people, and answer any questions put to him by the people as to his record and attitude on public matters. He says he has absolutely nothing to conceal from the electorate, nor will he shrink from stating his position on any public matter. The senator says he will not compromise an iota on his stand for the direct primary and direct election of senators on the statement No. 1 plan.

HOP PRICES ARE GOING UP STEADILY

The hop growers are sitting tight at present and the hop market both in Oregon and California is blocked as the result. The prices are gradually mounting higher as the grower refuses to dispose of his crop, and the 23 cent notch is beginning to look general in this vicinity for choice hops.

Frank Durbin, the Fallon merchant, made a purchase of 125 bales from the Yerkes crop at 29 cents which is about the largest deal reported on the Salem market. Thirty bales were also secured by Louis Lachmund at the same price, but it is doubtful if any further sales will be negotiated at the same rate, and 21 and 22 cents is the standard price now.

The California dealers are evidently having a harder scramble to buy than the Oregon merchants, and at the same time California hops are not as good as the Beaver state product. Hops in Sacramento are selling at 23 cents and Sonoma are going at 23 1/2 cents. At this rate the hop market will be traveling on a high basis before long and merchantable boys will be more valuable.

A Narrow Escape. Edgar N. Bayless, a merchant of Robinsonville, Del., wrote: "About two years ago I was thin and sick, and coughed all the time, and if I did not have consumption it was near to it. I commenced using Foley's Honey and Tar, and it stopped my cough, and I am now entirely well, and have gained about 28 pounds, all due to the good results from taking Foley's Honey and Tar. J. C. Why Druggists Recommend Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Mr. Frank C. Harrah, a prominent druggist of Portsmouth, Va., says: "For the past six years I have sold and recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is a great remedy and one of the best patent medicines on the market. I handle some others for the same purposes that pay me a larger profit, but this remedy is so sure to effect a cure, and my customers so certain to appreciate my recommending it to them, that I give it the preference." For sale by all good druggists.

Near Death in Big Pond. It was a thrilling experience to Mrs. Ida Soper to face death. "For years a severe lung trouble gave me intense suffering," she writes, "and several times nearly caused my death. All remedies failed and doctors said I was incurable. Then Dr. King's New Discovery brought quick relief and a cure so permanent that I have not been troubled in 12 years." Mrs. Soper lives in Big Pond, Pa. It works wonders in coughs and colds, sore lungs, hemorrhages, la grippe, asthma, croup, whooping cough and all bronchial affections. 50c and \$1.00. Trial bottle free. Guaranteed by J. C. Perry.

Some people's consciences are of use only to worry them for fear they will be caught.

Why? From a small beginning the sale and use of Chamberlain's Cough Remedy has extended to all parts of the United States and to many foreign countries. Why? Because it has proved especially valuable for coughs and colds. For sale by all good druggists.

Children Cry FOR FLETCHER'S CASTORIA

HORSES BURNED TO DEATH

San Francisco, Sept. 29.—Fire which destroyed three residences and two livery stables last night between Bush, Devisadero and Broderick streets, endangered the lives of 20 persons and burned 65 horses to death. The blaze was started from two crossed electric wires, and before it was extinguished damage aggregating \$50,000 had been done.

The fire started in the rear of a stable owned by Charles Lennon. The flames spread rapidly to another livery stable next to the burning structure, and it too burst into flames.

A short time afterward the three residences to the side of the stables were consumed by the fire, and the tenants were compelled to flee from their houses in their night clothing.

During the fire Mrs. A. M. Potter, an aged woman, who lived over one of the stables narrowly escaped with her life. When the fire first broke out she attempted to escape but her egress was cut off by the flames, and she was forced to remain in her rooms, half suffocated, until rescued by the firemen, who fought their way up a ladder to her window, through the sheets of flame which belched from the stable.
