## IN DELIRIUM SAW FRIEND MURDERED

Here Is Something for You to Think About and Furnish an Explanation, If You Can.

[UNITED PRESS LEASND WIRE.]

Stockholm, Oct. 4.—As soon as his physician will permit, General Bjoerlin, who is critically in the west of Sweden, will be shown a photograph of the anarchist who assassinated his friend, General Beckman, on the night of June 26.

At the very hour when the crime was committed, but many miles from the scene of it, General Bjoerlin, raving in delirium, saw in a fever-inspired vision his old friend shot down in the streets of Stockholm.

Suddenly he shouted: "Drop that, you scoundrel!"

Then, "Hear, the shots are exploding!"

When the nurse sought to quiet him he became angry, and tried to spring out of bed.

"Can't you hear?" he cried. "Can't you see the smoke? They have murdered General Beckman. Don't you see the blood on the street?"

He raved all night long, but at daybreak grew calmer, and slept an hour. When he awoke he said:

"You will find that General Beckman has been murdered. I am sure of it."

He described the crime in detail.

At 9 o'clock the papers arrived, telling of the assassination of General Beckman. The nurse says the published version of the crime and the sick man's version tally in all essential points. It is wished to see in General Bjoerlin will recognize the man arrested as a suspect.

## THIS ONE PREACHES SALVATION FOR JOHN

[UNITED PRESS LEASND WIRE.]

New York, Oct. 4.—Rev. Charles F. Aked, pastor of the Fifth Avenue Baptist church, of which John D. Rockefeller is a member, has taken exception to the remarks of Rev. D. Harrick of Lawrence, Kan., who resigned the pastorate of the Christian church in that town to become a street-car conductor, after declaring that it was impossible for a minister of the gospel to be honest.

In speaking of the statement, Dr. Aked said:

"An honest man will be honest anywhere, and a minister of the gospel has fewer temptations than any other man."

The minister declared that for every six persons that were driven from the church because of offensive truth that a thousand others were attracted.

Dr. Aked admitted, however, that ministers were underpaid and declared that the salaries of every one of them should be doubled. He said:

"I do not believe that the New York ministers are afraid to denounce the misconduct of their congregations. Personally I believe that there has been enough denunciation from the pulpit. The preaching of a hell-centered religion is a thing of the past."

## PARSONS STIRS UP SPEAKER

Cannon Gets Sore Over Mild Accusation that His Election Was Due to a Trade.

[UNITED PRESS LEASND WIRE.]

Washington, Oct. 4.—Congressman Herbert Parsons of New York, chairman of the New York county committee, probably will be called before a congressional investigating committee to substantiate the charges made by him that New York democrats, who aided Cannon to defeat the amended rules at the last session of the house, did so because the New York republicans promised them to kill the election registration legislation then pending at Albany and opposed by Tammany.

Joe Denies It.

Danville, Ill., Oct. 4.—"I do not know what the political contingency was that enticed Congressman Parsons to make the statement, but if he is looking for a scrap he will have plenty of chances to get one."

This was the statement made today by Speaker Joseph Cannon in discussing Congressman Parsons' declaration that re-election of Cannon as speaker of the house of representatives was due to treason on the part of New York republicans in trading their votes to democrats for the defeat of the New York election law in the state legislature. Parsons says that this saved the speaker's job.

"The result was not in any danger," said Cannon. "The danger was in the rules that might be passed and whether the La Follette followers, Champ Clark and the Bryan democrat-populist, should make the rules."

"I do not know anything about affairs in New York, but if there was any such deal, I never knew of it. I have troubles of my own right here. I do not believe that I ever heard of this legislation about signature registration until now."

Cannon said that he could not remember the names of over half the members of congress, but said that he remembered Parsons, and added that he would continue to remember him.

## Those Corpuscles

In your blood,—red and white,—keep you well if they are healthy, cause you sickness if diseased.

To make and keep them abundant and healthy, is to have pure blood, freedom from disease and vigorous health. The chief purpose of Hood's Sarsaparilla is to do this, and its success is attested by thousands of wonderful cures. Cures of all blood diseases, scrofula, eczema, rheumatism, catarrh. Get it today in the usual liquid form or in chocolate tablet form called Sarsatabs.

## STOMACH DISTRESS AND DYSPEPSIA GO

As there is often some one in your family who suffers an attack of indigestion or some form of stomach trouble, why don't you keep Diapepsin in the house handy?

This harmless blessing will digest anything you can eat without the slightest discomfort, and overcome the sour, gassy stomach five minutes after.

Tell your pharmacist to let you read the formula plainly printed on these 50 cent cases of Pape's Diapepsin, then you will readily see why it makes indigestion, sour stomach, heartburn and other distress go in five minutes and relieves at once such miseries as belching of gas, eructations of sour undigested food, nausea, headaches, dizziness, constipation and other stomach disorders.

Some folks have tried so long to find relief from indigestion and dyspepsia or an out-of-order stomach with the common, every-day cures advertised that they have about made up their minds that they have something else wrong, or believe there is a case of nervousness, gastritis, catarrh of the stomach or cancer.

This, no doubt, is a serious mistake. Your real trouble is, what you eat does not digest; instead, it ferments and sours, turns to acid, gas and stomach poisons, which putrefy in the digestive tract and intestines, and, besides poison the breath with nauseous odors.

A hearty appetite with thorough digestion, and without the slightest discomfort or misery of the stomach, is waiting for you as soon as you decide to try Pape's Diapepsin.

It is better to make a few mistakes than to do nothing at all.

## WHAT THE SALEM HIGH IS DOING

Items of Interest About the High School Literary, Athletic, Social and Other Things.

The senior class has perfected the following organization: President, Lola Cook; vice-president, Vergia Wechter; secretary, Waldo Mills; treasurer, Woo Sun; class editor, Margery Bellinger; sergeant-at-arms, Mable Smith; member executive committee, Wallace Benson.

The enrollment in the high school, to date, is as follows: Seniors, 59; juniors, 72; sophomores, 100; freshman, 162. Total enrollment, 393.

Football is an absorbing high school topic. Manager Walter Kirk is expecting to present a strong schedule which will include games with Albany, Eugene, Hill Military academy, Portland academy, East Portland high and the Jefferson high of Portland. The late opening of school has hindered the development of the schedule, but present indications point to six good games for the season. The playing squad is out daily and numbers two elevens. The following old players are in the harness: Captain Eyre, H. Savage, Krebs, Barrick and Farmer, Smith, Hofer, McMillan, A. Savage, Kaiser and Slater are promising candidates. Through the courtesy of the Willemette management all the local games on the schedule will be played on the University field. The game with Eugene high will be played in Eugene on Thanksgiving Day.

Aside from English, the sciences and history seem to be the popular subjects of the present course. There are 224 pupils enrolled in the various classes in science while 229 are taking work in history. The classes in these branches are all overcrowded and laboratory room is at a premium. Further provision must be made for work in chemistry or the classes will be seriously handicapped in their opening weeks.

All the high school activities are in a healthy condition and Salem will be well represented in every line of legitimate high school interest during the coming winter. Advance subscriptions to the Clarion indicate a prosperous year for that periodical and other departments seem equally popular.

Keep your word and your word will keep you.
