

Cures Woman's Weakness.
 We refer to that boon to weak nervous suffering women known as Dr. Pierce's Favorite Prescription.
 Dr. John E. Fife of the Editorial Staff of THE ELECTRIC MEDICAL REVIEW says of Unicorn root (Helleborus) which is one of the chief ingredients of the "Favorite Prescription":
 "A remedy which invariably acts as a powerful invigorator... makes for normal activity of the entire reproductive system." He continues: "In Helleborus we have a remedy most which more fully answers the above purposes than any other drug with which I am acquainted. In the treatment of diseases peculiar to women it is seldom that a case is seen which does not present some indication for this remedial agent." Dr. Fife further says: "The following are among the leading indications for Helleborus (Unicorn root): Pain or aching in the back, with leucorrhoea; atonic (weak) conditions of the reproductive organs of women, mental depression and irritability, associated with chronic diseases of the reproductive organs of women; constant sensation of heat in the region of the kidneys; menorrhagia (bleeding), due to a weakened condition of the reproductive system; amenorrhoea (suppression) or absent monthly periods; abnormal condition of the digestive organs and chronic (thin blood) habit; dragging sensations in the extreme lower part of the abdomen."
 "If more or less of the above symptoms are present, no woman should fail to take Dr. Pierce's Favorite Prescription, for it will give her relief and health."
 "It is an important remedy in disorders of the womb. In all catarrhal conditions and general debility (bleeding) it is useful."
 Prof. John M. Scudder, M. D., late of Cincinnati, says of Golden Seal root:
 "In relation to its general effects on the system, there is no medicine in use which, there is such general testimony of opinion, is universally regarded as the tonic useful in all debilitated states."
 Prof. R. Bachlow, M. D., of Jefferson Medical College, says of Golden Seal:
 "Valuable in uterine hemorrhage, menorrhoea (bleeding) and congestive dysmenorrhoea (painful menstruation)."
 Dr. Pierce's Favorite Prescription faithfully represents all the above named ingredients and cures the diseases for which they are recommended.

MARRIAGE OF JEW AND CHRISTIAN

Rabbi Wise Points Out the Dangers to Humanity from the Loss of Both Religions.

[UNITED PRESS LEASED WIRE.]
 New York, Oct. 4.—The statement of Rabbi Stephen S. Wise that the intermarriage of Christian and Jew results in the loss of identity by the Christian and the never successful being of the Jew to Christianity is being discussed today in theological circles.
 Dr. Wise's comments on intermarriage of the "races" were made yesterday in the course of his sermon at the First Synagogue on the West Side.
 "Intermarriage is not a problem—it is a fact," he said. "And it is not as serious as some think. In the Scandinavian countries, in one out of every three or four marriages of Jews, it is an intermarriage with a Christian. Among the Jews of Germany about one in five of the men marries a Christian, and about one in six of the women. In the United States the proportion is very much less."
 "It has been said that if there were to be a great increase in these intermarriages it would eliminate the prejudice against the Jew. It would do more. It would eliminate the Jew."
 "But my objection is based not merely on that account, but on fear of the loss and hurt that would accrue to Christendom and Christianity as a result. Christianity usually loses the Christian in such a union, and almost never gains the Jew. In marriage there should be a maximum of oneness, a minimum of dissimilarity and indifference. And then there is the danger to the children who are the fruit of intermarriage, the danger that comes from having no fixed spiritual home—neither here nor there."
 "I am opposed to the passing of Judaism. Christianity itself needs the great spiritual world force which we may continue to be. I am opposed to intermarriage not because I am anti-Christian, but because I am pro-Jewish and also pro-Christian. I respect Christianity; I honor a Christian and I also favor the conservatism and maintenance of my own people."

SICK HEADACHE AND INDIGESTION

The Former Is Very Frequently Caused by the Other

The pneumo-gastric nerve connects the stomach region directly with the brain, and when the stomach is out of order the head is almost certain to be affected through reflex or sympathetic nerve irritation.
 The headache of dyspepsia and indigestion is of every variety from the dull and least defined to the most acute pain. Sometimes the whole mass of the brain seems racked with anguish; at others the ache is confined to the back or front part of the head. The first form is usually of a confused character, and is often accompanied by dimness of vision, and a mild vertigo or so-called "rush of blood to the head." The victims of this symptom complain of a "swimming" or "lightness" in the head, and dizziness, or a sensation of motion while the body is still, and specks, or flashes of light before the eyes.
 Persons subject to indigestion and other forms of stomach trouble are very frequent sufferers of headache, and in numerous cases a sick headache is the only noticeable symptom of indigestion present; in others, there are stomach manifestations as well.
 The majority of people regard this headache as a separate disease, instead of a symptom of stomach disease, which it usually is; and they attempt to treat it separately, and make the mistake of trying to obtain relief through headache powders, tablets, pills and seltzers, the use of which is extremely dangerous, as many of them contain such powerful depressant drugs as acetanilid, phenacetine, antipyrine, caffeine, etc., which depress the heart, brain and nerve centers and lower arterial pressure; and many a person with a weak heart has become dangerously ill shortly after taking one of these headache remedies. They also interfere with the digestive processes, and actually make the dyspepsia worse than before.
 In order to get rid of the headache of indigestion—and most headaches are caused by stomach trouble—one should endeavor to reach and remove the cause, and the headache effect will soon be relieved.
 STUART'S DYSPEPSIA TABLETS do not cure the symptoms; they cure the cause of the headache, which permanently removes the symptoms. They digest every atom of food in the stomach, cure all forms of stomach trouble, and the headache and every other disagreeable symptom end untoward effect is quickly gotten rid of.
 Don't make the mistake of trying to cure your dyspeptic or nervous headache through the use of headache powders, tablets, etc. Use common sense, good judgment and one or two of Stuart's Dyspeptic Tablets and you will be agreeably surprised at the rapidity with which the headache will be relieved and cured simultaneously with the relief and cure of the stomach disturbance.

Deafness Cannot Be Cured.

By local applications, as they cannot reach the distated portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition hearing will be destroyed forever; nine out of ten cases are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.
 We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY, Toledo, O.

PAWNBROKER'S WOES BROKE HIS HEART

[UNITED PRESS LEASED WIRE.]
 San Francisco, Oct. 4.—Leo Greenberg, an assayer, who has been active in promoting an association among the local pawnbrokers and second-hand men, fell dead last night while addressing a number of them on the subject at B'Nal B'Rith hall. His death was ascribed to heart failure.
 Greenberg began agitating a protective association for pawnbrokers and second-hand store men following the recent passage of an ordinance which compels them to give a list daily of goods bought and sold and the names of the sellers and purchasers. The ordinance was to add the police in tracing down stolen property.
 Believing that the regulation was unjust, about 50 of those engaged in the business met and elected Greenberg chairman. He had just begun to speak, when he staggered, then fell to the floor dead.
