

AFTER FOUR YEARS OF MISERY

Cured by Lydia E. Pinkham's Vegetable Compound

Baltimore, Md.—“For four years my life was a misery to me. I suffered from irregularities, terrible dragging sensations, extreme nervousness, and that all gone feeling in my stomach. I had given up hope of ever being well when I began to take Lydia E. Pinkham's Vegetable Compound. Then I felt as though new life had been given me, and I am recommending it to all my friends.”—Mrs. W. S. FORD, 1938 Lansdowne St., Baltimore, Md.

If you would like special advice write to Mrs. Pinkham, Lynn, Mass., for it. She has guided thousands to health, free of charge.

DANCED HERSELF INTO NUNNERY

[UNITED PRESS LEASED WIRE.]
New York, Oct. 4.—Mary Garden, the opera singer, who originated and was first to startle the world with the “Salome” dance, is to enter a nunnery and become a member of one of the Catholic orders, according to a letter which was received from her today by one of her friends in this city.

Miss Garden is in Europe, where she is studying Roman Catholicism preparatory to becoming a nun, it is asserted.

IS HE A FOOL OR ONLY A LIAR?

[UNITED PRESS LEASED WIRE.]
San Francisco, Oct. 4.—American Ambassador T. J. O'Brien, who is returning to his post in the Far East, after a vacation at his old home in Grand Rapids, Mich., believes that, with Japan anxious to keep all of her laborers at home to develop her own lands, and with plenty of work there for all the natives, that the Japanese immigration problem in America ought to right itself.

In speaking of this question, O'Brien said: “The Japanese immigration today does not equal the emigration, and whatever ‘war scare’ may have existed is quite forgotten now.”

In O'Brien's opinion, the Japanese immigration problem is fundamentally more a racial than an economic one, but he does not apprehend any serious complication in the future because of it. He said:

“I cannot think that Japan is encouraging the poachers on the foreign seal fisheries. Poaching is something that is liable to occur in any country, or under any flag, but it would be very foolish to encourage anything of the sort. Nothing is regarded to it has ever been brought to my attention.”

The ambassador is accompanied by Mrs. O'Brien, Miss Howard and C. S. Hazeltine and his wife. The party will sail for the Orient on Tuesday, about the time President Taft is entering the city.

SPAIN MAY HAVE WAR WITH MOROCCO

[UNITED PRESS LEASED WIRE.]
Lisbon, Portugal, Oct. 4.—The Spanish cabinet today is seriously considering the advisability of declaring war against Mulai Hafid, the sultan of Morocco, according to news smuggled across the border from Madrid.

For the past 24 hours the Madrid police have had great difficulty in controlling mobs bent on sacking the Moroccan embassy.

The Spanish cabinet is sure that the latest activity of the Riff tribesmen is the result of reinforcements furnished by Mulai.

The impression is general here that the sultan is encouraging the tribesmen to declare a holy war and drive the Christians out of Africa.

Stomach troubles would more quickly disappear if the idea of treating the cause rather than the effect would come into practice. A tiny, inside, hidden nerve, says Dr. Shoup, governs and gives strength to the stomach. A branch also goes to the heart, and one to the kidneys. When these “inside nerves” fall then the organs must falter. Dr. Shoup's Restorative is directed specifically to these falling nerves. Within 48 hours after starting the Restorative treatment patients say they realize a gain. Sold by the Capital drug store.
