WALKED TWO MILES WHILE SOUND ASLEEP

Oakland, Oct. 7.—Wrapped only in her night gown, barefooted and bareheaded, Mrs. Ella Murphy, while in a state of somnambulism, left her home at 168 Park avenue and reached Seventeenth street and San Pablo avenue before she was awakened. When she awoke after Policeman Pleasants had accosted her, Mrs. Murphy had walked two miles.

When she realized what she had done, the woman fainted. Even after she had been awakened by the policeman, it was some time before she fully recovered her senses. Except from being thoroughly chilled, she seemed to have sustained no bad after-effects from her exposure.

Can you believe your senses,

When two of them, taste and smell, having been impaired, if not utterly destroyed, by Nasal Catarrh, are fully restored by Ely's cream Balm, can you doubt that this remedy deserves all that has been said of it by the thousands who have used it? It is applied directly to the affected passages, and begins its healing work at once. Why not get it today? All druggists or mailed by Ely Bros., 56 Warren street, New York, on receipt of 50 cents.

This man who has a large and varied assortment of ailments should be something of an authority on the course of true love.
