RUTH BRYAN WILL RUN FOR CONGRESS

Denver, Colo., Oct. 8.—Following the announcement of Ruth Bryan Leavitt, daughter of Wm. Jennings Bryan, that she would accept a nomination to congress, friends of the "Commoner" started her congressional boom today.

Bryan, it is understood, has consented to having Mrs. Leavitt make the race, and it is expected that he will speak in her behalf if she receives a nomination.

How to Cure a Cold.

Be as careful as you can, and when you occasionally take cold, and when you do, get a medicine of known reliability, one that has an established reputation and that is certain to effect a quick cure. Such a medicine is Chamberlain's Cough Remedy. It has gained a world-wide reputation by its remarkable cures of this most common ailment, and can always be depended upon. It acts on nature's plan, relieves the lungs, aids expectoration, opens the secretions and aids nature in restoring the system to a healthy condition. For sale by all good druggists.

Deafness Cannot Be Cured.

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition hearing will be destroyed forever; nine out of ten cases are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY, Toledo, O.

Sold by druggists, 75c.

Buds, Blossoms and Fruit—

Mr. J. N. Olmstead, who lives on the corner of Sixth and Market streets, brought to the Journal office this morning a thrifty branch, young growth of the common red raspberry. Mr. Olmstead says there was a vigorous growth of young wood on his berries and that to check this he "topped them." As a result, the shoots sent out limbs, the limbs sent out buds and blossoms, and the result was the limb brought in this morning is a mass of buds, blossoms, green fruit, ripe fruit, and the empty calyxes, where the ripe fruit has been plucked. It is truly a curiosity, or would be, anywhere except in the Willamette valley.

Stomach troubles would more quickly disappear if the idea of treating the cause rather than the effect would come into practice. A tiny, inside, hidden nerve, says Dr. Shoup, governs and gives strength to the stomach. A branch also goes to the heart, and one to the kidneys. When these "inside nerves" fall then the organs must falter. Dr. Shoup's Restorative is directed specifically to these falling nerves. Within 48 hours after starting the Restorative treatment patients say they realize a gain. Sold by the Capital drug store.
