Both Boys Saved.
Louis Boon, a leading merchant of Norway, Mich., writes: "Three bottles of Foley's Honey and Tar also luteled my boy of a severe cough and a neighbor's boy, who was so ill with a cold that the doctors gave him up, was cured by taking Foley's Honey and Tar." Nothing else is as safe and certain in results. J. C. Perry.

A piece of flannel dampened with Chamberlain's Liniment and bound on to the affected parts is superior to any plaster. When troubled with lame back or pains in the side or chest give it a trial and you are certain to be more than pleased with the prompt relief which it affords. REMEMBERED WITH SOUTHERN GRAPES

C. P. Bishop, formerly mayor of this city, and proprietor of the Salem Woolen Mills store, and now conducting a clothing business at Grants Pass, has remembered some of his friends the past week with sample baskets of very fine Josephine county Tokay grapes. The fruit is very choice, and anyone should want to eat California grapes when such perfect fruit can be grown in our own state is a mystery. Mr. Bishop is a good advertiser for that section.

LIBERTY PRUNE DRYING DECLINES

The fair weather for the past few days has given the prune growers a chance to gather the fruit, which the rain caused to come down in such quantities. Every drier has been taxed to its capacity, and some had to refuse fruit. Because of so many prunes down at the same time, some growers will lose a small percentage. There is double amount of prunes this year than last.

FIRST GAME OF SEASON SATURDAY

The railroad companies are buying up irrigation projects in this state. Why? More than that, can they do so under their charters?

Anyway, the weather bureau made good when it told the Gulf coast there was something coming to it.

I have administered it to a great many traveling men who were suffering from troubles for which it is recommended, and have never failed to relieve them," says J. C. Jenkins of Glasgow, Ky.
