

SUGGESTIVE QUESTIONS ON THE SUNDAL SCHOOL LESSON BY REV. DR. LINSOTT FOR THE INTERNATIONAL NEWSPAPER BIBLE STUDY CLUB.

October 17, 1909.

Paul a Prisoner Before Felix. Acts 24.

Golden Text—Herein do I at vantage exercise myself to have a conscience void of offense toward God and toward men. Acts 24:16.

Verses 1-9—When a high priest or a distinguished preacher has fallen away and espouses a bad cause—how should he be estimated?

This man Tertullus was much in the position of a modern lawyer, can you conceive it probable or possible that he could be a consistent Christian and yet hold a brief against Paul?

If a rich unscrupulous man has a law suit against a well known good man, why should a Christian lawyer not accept the case for the prosecution?

Will an honest lawyer, or an advocate of any cause, use false evidence to gain or advance his cause?

What accusations did they bring against Paul, and what part of the evidence presented to Felix by Tertullus was true and what part untrue?

Apart from the morality of lying, what good, or evil, does a lie accomplish for the liar or his cause?

Verses 10-21—Does a good cause ever need false evidence to strengthen its position, and if not, why not?

Read Paul's defence critically and see if you can find any false statements, and if so, say what they are?

Contrast the compliments paid to the governor by Tertullus and Paul, and state wherein Paul excels, both in truth and in skill.

What points did Paul urge in his defence to the accusations against him?

What so called heresy did Paul admit of?

What is today "heresy" and what is "orthodoxy"?

What is implied in "having a conscience void of offense toward God and toward men" and how can such a condition be brought about?

How does Paul show in his defence that the heresy they accuse him of is the Jewish doctrine which they have forsaken?

Verses 22-23—Who was Lysias, the chief captain that Felix wanted to examine, and what part had been taken in this matter?

Verses 24-25—Why did Felix send for Paul?

Is it probable that Felix was sincerely investigating the Christian religion?

What made Felix tremble when Paul urged upon him righteousness and the judgment to come?

Would Felix likely have become a Christian if he could have kept on in his sin?

Verses 26-27—What part does money generally play in preventing successful adults from becoming Christians?

When a man trembles on account of his sins, does that necessarily add anything to his credit?

What was a besetting sin of Felix and how would you size up the character of any man that wants to be bribed to do right?

brilliant throughout. A number of new songs have been introduced, new costumes and scenery have been supplied, and new humorous situations developed.

Notable among the new songs is "I'm a Devil," in which a devil dance is introduced by the chorus. The music of this song has a quaint, weird turn. The most ambitious of the new songs is "Beware of the Garden of Love," a imaginative ballad with imaginative scenery.

Elaborate scenic effects are provided for "When It's Raining," the finale of the first act. A humorous song introduced is "Under the Pizzeria Plant," with the pizzeria plant intact. Other new songs are "Every Town Has a Postoffice and a Wise, Wise Gal," and "Cupid's Love song."

The principals in the cast this year are Max Bloom, Al Harrison, J. E. Caglin, Mary Montrose, Carolyn Ryan, Nan Ryan, Alice Sher, Don Clark, the Wentz brothers, and Ed Allen. The Dancing Pippins and a large chorus complete the company.

The U. S. Government in its "Pure Food" law does not "endorse" or "guarantee" any preparation, as some manufacturers in their advertisements would make it appear. In the case of medicines the law provides that certain drugs shall be mentioned on the labels, if they are ingredients of the preparations.

Ely's Cream Balm, the well-known family remedy for cold in the head, hay fever and nasal catarrh, doesn't contain a single injurious drug, so the makers have simply to print the fact that it complies with the requirements of the law.

Some people are so eccentric. A Toronto man lit a match by falling downstairs. The old-fashioned trouser-seat method for us, if you please.

To maintain health, a mature man or woman needs just enough food to repair the waste and supply energy and body heat. The habitual consumption of more food than is necessary for these purposes is the prime cause of stomach troubles, rheumatism and disorders of the kidneys. If troubled with indigestion, revise your diet, let reason and not appetite control, and take a few doses of Chamberlain's Stomach and Liver Tablets, and you will soon be all right again. Deafness Cannot Be Cured. By local applications, as they cannot reach the distated portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition hearing will be destroyed forever; nine out of ten cases are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY, Toledo, O. Sold by druggists, 75c.
