

A Square Deal

Is assured you when you buy Dr. Pierce's family medicine—for all the ingredients entering into them are printed on the bottle-wrappers and their formulas are attested under oath as being complete and correct. You know just what you are paying for and that the ingredients are gathered from Nature's laboratory, being selected from the most valuable native medicinal roots found growing in our American forests and while potent to cure are perfectly harmless even to the most delicate women and children. Not a drop of alcohol enters into their composition. A much better agent is used both for extracting and preserving the medicinal principles used in them, viz., pure triple-refined glycerine. This agent possesses intrinsic medicinal properties of its own, being a most valuable antiseptic and antiferment, nutritive and soothing demulcent.

Glycerine plays an important part in Dr. Pierce's Golden Medical Discovery in the cure of indigestion, dyspepsia and weak stomach, attended by sour risings, heartburn, foul breath, coated tongue, poor appetite, gnawing feeling in stomach, biliousness and kindred derangements of the stomach, liver and bowels.

Besides curing all the above distressing ailments, the "Golden Medical Discovery" is a specific for all diseases of the mucous membranes, as catarrh, whether of the nasal passages or of the stomach, bowels or pelvic organs. Even in its ulcerative stages it will yield to this sovereign remedy if its use be persevered in. In Chronic Catarrh of the Nasal Passages, it is well, while taking the "Golden Medical Discovery" for the necessary constitutional treatment, to cleanse the passages freely two or three times a day with Dr. Sage's Catarrh Remedy. This thorough course of treatment generally cures the worst cases.

In coughs and hoarseness caused by bronchial, throat and lung affections, expect consumption in its advanced stages, the "Golden Medical Discovery" is a most efficient remedy, especially in those obstinate, hang-on coughs caused by irritation and congestion of the bronchial mucous membranes. The "Discovery" is not so good for acute coughs arising from sudden colds, nor must it be expected to cure consumption in its advanced stages—no medicine will do that—but for all the obstinate, chronic coughs, which, if neglected, or badly treated, lead up to consumption, it is the best medicine that can be taken.

SUGGESTIVE QUESTIONS ON THE SUNDAL SCHOOL LESSON BY REV. DR. LINSOTT FOR THE INTERNATIONAL NEWSPAPER BIBLE STUDY CLUB.

October 24, 1909.

Paul a Prisoner before Festus and Agrippa—Acts 25:6-12; Chap. 26.

Golden Text—I know whom I have believed, and am persuaded that he is able to keep that which I have committed unto him against that day. 2 Tim. 1:12.

Verse 6.—Who was this Festus referred to in this verse?

From the preceding five verses what had the Jews requested Festus to do?

Verse 7.—On what principal can you explain the bitter hatred which the Jews had for Paul?

Will a religious bigot, who is full of hatred as these Jews were, stop short of swearing to a lie to accomplish his purpose?

Should any Christian believe or circulate a charge against any person that he has not got ample proof of?

Verse 8.—As a matter of fact had Paul, in any sense, broken any Jewish law?

Which, at this time, were really in the most unenviable situations, Paul or his accusers, and why?

Verses 9-12.—When a judge or a magistrate favors the prosecution, and makes harsh remarks against the prisoner during the taking of the evidence, thus prejudicing the jury, is such a man fit for a judicial position?

When a Christian is accused of wrong doing, and is innocent, should he insist upon his innocence or be patient and silent and wait for the facts to speak?

Paul was no doubt wise in refusing to go to Jerusalem, but was he equally wise in not insisting that his trial be finished at Caesarea, and in his appeal to Caesar?

If you were a minister to be tried for heresy, which tribunal would you rather select, a prejudiced Conference, or Synod, or General Assembly, or Convention, or a committee of secular High Court Judges?

Buying a flying machine these days is easier than sprouting wings.

Chap. 26:11-11.—Who was this Agrippa and what had brought him to Caesarea?

If a man's cause is just, will a knowledge of all the facts always help him?

What are the leading points here outlined, of Paul's defense before King Agrippa?

"Why should it be thought a thing incredible with you that God should raise the dead?" v-8.

Was Paul any better when he persecuted and caused Christians to be put to death than the Jews were then in wanting to put him to death?

How do you estimate Paul's character before his conversion?

Verses 12-18.—What points of resemblance are there between Paul's conversion and that of a sinner's today?

Why did Paul so frequently describe his conversion?

What was God's object, as here described in Paul's conversion, and what is God's object in every conversion?

Verses 19-23.—Is it possible that some sinners get a call from God fully as marked as Paul's and yet refuse to comply and go on in their sins?

What difference is there between a man before and after he turns to God? (This question must be answered in writing by members of the club.)

Verses 24-32.—Why did Festus interrupt Paul and say he was mad?

Why did not Festus and Agrippa both turn to God, seeing that they were clearly convinced of the truth of Christianity and their need of salvation?

Why are not all persons Christians who have heard the voice of God calling them to repentance?

Lesson for Sunday, October 31st.—Paul a Prisoner—The Voyage. Acts 27:1-26.

SIMPLY WANTS TO KNOW IN WHICH CAPACITY

He Paid the Fine, Whether for Violating the Bicycle Laws or Infringing on the Dog Pound.

Yesterday a young gentleman was riding a bike on the streets, or rather on the sidewalks of Salem. He, without going into the details of where he might or might not ride, cut across a corner and rode where he had no business to ride. He was arrested.

"What is your authority," said the biker.

"I am the dog catcher," said he. "Do you propose to put me in the pound?" said the biker.

"No, I am a special officer," said he, "with authority to arrest you." "All right," said the wheel rider, "just so long as you don't put me in the pound."

Now the biker had to pay \$2.50, which he didn't object to, but he does wonder whether he paid his \$2.50 to keep out of the pound or for violating the bicycle laws.

Deafness Cannot Be Cured.

By local applications, as they cannot reach the distended portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition hearing will be destroyed forever; nine out of ten cases are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY, Toledo, O.
