MEN ARE HARD TO CLASSIFY

Will Do Some Things Sometimes That They Will Utterly Refuse to Consider at Others.

Men are queer. Wouldn't there be a roar when they went home to their meals if they had to climb upon a high stool in front of a table on which was no cloth and eat their meals in that fashion? Yet many men pick out a high stool and clothless feed board in preference to a comfortable chair and cloth covered table. A man will borrow a chew of tobacco and most of them will set their teeth into the plug right over where some other man has gnawed out a chew. Offer him a piece of pie at home from which his wife or one of the children has bitten out a piece and he will holler his head off. At home he will not drink out of a cup or glass from which one of the other members of the family have been drinking, but call him into the back stall of a livery barn, pull out a bottle and he will stick the neck of the bottle half way down his throat to get a swig after a half dozen other fellows have had the bottle in their mouths. Man is a queer duck.

STRENGTH FOR THE STOMACH

Statement of a California Woman Who Owes Her Health to the Modern Tonic Treatment.

The symptoms of stomach trouble vary. Some victims have a ravenous appetite, some loathe the sight of food. Often there is a feeling of weight on the chest, a full feeling in the throat. Sometimes the gas presses on the heart and leads the sufferer to think he has heart disease.

Some people know that the strength which the weak stomach needs, and for the lack of which the whole body is suffering, can be found surely and quickly in Dr. Williams' Pink Pills. In hundreds of instances these pills have succeeded where every other remedy had failed, and in every case the cure was radical.

Mrs. Ed. Hardrath, a nurse, of Watts, Cal., received no permanent relief from stomach trouble until she tried Dr. Williams' Pink Pills. She says:

"I was a sufferer with stomach trouble for over two years and was under a doctor's care for a year or more. He said it was ulceration of the stomach, but he gave me little relief. My stomach didn't seem to digest the food I ate and gas formed, causing pains, bloating, and pressure on the heart. For nearly a year I couldn't eat meat. There were pains through my forehead and down the back of my neck. I was dizzy a great deal and couldn't do my work as I ought to.

"A friend told me about Dr. Williams' Pink Pills and advised me to give them a thorough trial. My improvement was gradual until I was entirely cured. I have had no trouble from indigestion in a long time and recommend Dr. Williams' Pink Pills to everyone who has stomach trouble."

The processes of digestion are controlled by the blood and nerves, and medical science has produced no better digestive tonic than Dr. Williams' Pink Pills. While so promptly effective these pills contain no harmful stimulants or opiates. They create no drug habit. Every dyspeptic should read, "What to Eat and How to Eat." Write the Dr. Williams Medicine Co., Schenectady, N. Y., for a free copy.

Dr. Williams' Pink Pills are sold by all druggists, or sent by mail, postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50.

THE SMITH CASE IS POSTPONED

Owing to a bulk of other important court business taking up Judge Burnett's time and the intricate nature of the final proceedings of the case of State against A. B. Smith, there was no decision rendered this morning on the motion in arrest of judgment. The importance of the motion filed by the counsel for the defendant rests mainly upon the applicability of the indictment and trial of the old law as to its covering the crime or an amended statute being applicable. It may be a few weeks yet before final adjudication will be made of this matter.
