# ALDERMEN TO HAVE POWER

**To Order Repairs and Expend Street Funds in Their Respective Wards.**

To give the suburban wards a little something for their money this coming year, the following ordinance was prepared, and as it only asks that half the money paid into the city treasury from each of these wards shall be spent in them it ought to find no trouble in passing. **To Give Aldermen Authority.** Mr. Hofer introduced the following:

Ordinance in relation to the construction and repair of streets and sidewalks in the City of Salem, Oregon.

"Section 1. That hereafter one-half (1/2) of the money collected for the City of Salem, Oregon, for road poll tax and one-half of the money collected for the purpose of maintaining, making, repairing and keeping up streets in said city shall be expended by the two aldermen from each ward and in the ward in which they are elected in proportion to the amount of revenue collected from each ward for the purposes above named.

"Section 2. Hereafter the aldermen of the ward for which they are elected shall be empowered to direct the owners of property to construct and repair sidewalks where it is deemed advisable and to direct the street commissioner to repair and construct crosswalks where needed and supervise the repair and construction of the same."

Read twice and referred to committee on ordinances.

At present a sidewalk cannot be built or repaired or a crosswalk put in without bringing the matter before the whole city council, having it referred to the street committee or the city attorney or the street commissioner or the city engineer. There is so much red tape and fuss over a little matter that it sometimes takes a year to get a sidewalk down or a crosswalk put in or a little street or sewer repair made.

The object of the ordinance is to give the aldermen a little authority in their own wards and a little control over the money of the people they represent. It will be claimed that a highly centralized power is needed to carry on such work and repairs legally, but the cold fact remains that the suburban wards get back little of the money they pay into the city treasury and their aldermen have to keep up a constant fight to get any improvements made. It is the opinion of the author of the bill that it should pass.

## INTESTINAL INDIGESTION

A Form of Dyspepsia Usually Resulting From the Inability to Digest Starchy Foods.

There are agreed many persons who are victims of what is known as intestinal indigestion, a disease which is due to the fact that the starchy foods are either partly digested or not digested at all, and the result of this trouble may be either an obstinate constipation or a persistent diarrhoea.

This inability to digest starch is called "amylaceous dyspepsia," a disease which is much in evidence. Americans are notoriously poor digesters of starch, and as starchy foods, such as potatoes, rice, bread, etc., are digested entirely in the small intestine, and not in the stomach proper, as is generally supposed, it can be readily seen how intestinal indigestion will usually produce diarrhoea.

In the small intestine the pancreatic juice acts upon the starches and ordinarily, in a state of health, possesses the power of converting them into grape sugar and dextrine. Starch must be so transformed before it can be of use to the animal being. Remaining unchanged starch, it either passes through the alimentary canal, and proves a useful burden to the system, because it resists absorption, or in cases of intestinal indigestion, the food products becoming acid through putrefaction, which of the intestine, resulting in diarrhoea.

In a complaint of this character many persons use paregoric, Squibb's opium and tannin to relieve the diarrhoea, all of these remedies being powerfully astringent, and they stop the trouble suddenly, "locking up" the morbid secretions, throwing the toxic intestinal poison back on the system, and often causing death through auto-intoxication.

**STUART'S DYSPEPSIA TABLETS** contain among other powerful digestives, a substance called diastase, which thoroughly digests every particle of starchy foods in the small intestine, and prevents the possibility of intestinal indigestion, no matter how excessive may be the amount of food eaten.

These tablets also contain calcium carbonate, which is a mild though effective sub-astringent, and which relieves and cures the diarrhoea by easy stages. It does not act with such suddenness as would cause poisoning of the system, but on the contrary, by its antiseptic properties, all toxins, intestinal indigestion and diarrhoea, are destroyed.

Not only are the starches digested by the use of Stuart's Dyspepsia Tablets, but through the action of other ingredients they contain albuminous foods like meat and eggs are also digested. Thus they cure indigestion of any kind. Buy a package from your druggist today for 50 cents and send us your name and address for free sample package. Address F. A. **Good Cough Medicine for Children and Grown Folks, Too.**

"We could hardly do without Chamberlain's Cough Remedy," says Mrs. Flora Despain, of Bloyd, Ky. "I found it to be so good for the croup and have used it for years. I can heartily recommend it for coughs, colds and croup in children and grown folks, too." The above shows the implicit confidence that many mothers place in Chamberlain's Cough Remedy, a confidence based on many years' experience in the use of it. No one need hesitate to use this remedy for it contains no chloroform, opium or other narcotics and may be given to a child as confidently as to an adult. For sale by all good druggists.

Lots of money wasted on ads, Mr. Hoch, advertising manager for Meyer & Frank, Portland, says he uses only the local papers. He cuts bill boards, bridges, calendars, programs and anything else.

Mrs. Louie Hite, 425 Outlen St., Danville, Ill., writes, October 1st: "Foley's Kidney Pills started me on the road to health. I was treated by four doctors, and took other kidney remedies but grew worse, and was unable to do my housework, and the doctor told me I could only live from two to six months. I am now so much better that I do all my own work, and I shall be glad to tell any one afflicted with kidney or bladder trouble the good results I received from taking Foley's Kidney Pills."
