

Contest Will Boom For Next Twelve Days

LAST SPECIAL OFFER FOR NEW SUBSCRIPTIONS RECEIVED WITH APPROVAL ON ALL SIDES INDUCEMENTS OF TWO FINE EXTRA PRIZES

YOU CAN WIN ONE IF YOU TRY HARD

All Candidates Have an Equal Opportunity of Winning One of the Special Offer Prizes Regardless of How Much or How Little She May Have Done Up to the Present Time.

The proposition of giving two extra prizes for the next twelve days of the contest opened strongly yesterday morning and already a number of candidates have signified their intention of making a strenuous effort to win one of them.

Contestants should not forget that this is opportunity week and get every available subscription they possibly can in the next two weeks. On Saturday evening, December 11 at 11 p. m., the great special offer will be a thing of the past.

Get right to work and get your share of the subscriptions to be had only for the asking.

The girl that will not get a move on herself with these big inducements to stimulate her to action would hardly bestir herself for a crown of glory, and her friends may as well give her up first as last.

Contestants should not forget that this is opportunity week and get every available subscription they possibly can in the next two weeks.

Capital Journal contest, just three weeks more for the different contestants to hustle. No one knows what reserve the different candidates have, and there are a good many candidates in the districts who should be very much surprised to know how good a chance they have to win the automobile or one of the three beautiful pianos.

Do not hold the subscriptions back, but turn them in to this office as soon as you receive them and get the votes that they will entitle you to. The inducement just made is a very liberal one and it affords every candidate in the race an opportunity to get a goodly reserve fund by for the future.

Don't wait for the others to get the votes in your locality, but start today and make up for any time that you may have lost waiting for others to get votes for you.

People like to help those who help themselves. The contestants are beginning to realize that the difference of a few thousand votes is not a very large margin and are not losing heart by any means.

What energetic candidate cannot pick up twenty new subscribers in a few days' time? Think about this thing, candidates. Get your energy in motion, and get one of the handsome prizes.

Cut the coupons from the paper and help the girl win a prize. Vote as often as you wish. It costs absolutely nothing to vote in the Capital Journal contest.

The contestants in the outside districts can send in the subscriptions as soon as secured and the votes to which they are entitled will be mailed to them, and can be voted at once or saved by them for a reserve.

The contest manager is at the Capital Journal office and is prepared to answer all questions of those who call or write to him. Call on the contest manager and he will prepare you for making a campaign that will accomplish wonders.

Candidates that have taken subscriptions for one, two or three months at the beginning of the contest should get these subscribers to pay the rest of the year, as they are still considered new.

A great many people do not understand, and for their information we wish to say that anyone starting to take the paper since the contest started will always be considered a new subscriber during the life of the contest and votes given accordingly.

In some cases contestants will find that prospective subscribers are now paid in advance for some other paper and do not desire to have two papers from the same town.

number of votes received by each show that the industrious are forging ahead in the battle of the ballots. The votes are free but in many cases it is necessary for the candidates to go around among their friends and gather them in.

Do not believe all you hear. Some one will try to discourage every good thing. False rumors of all sorts will be going around and the contestant should not allow anyone to discourage her by telling different things they have heard.

The contest manager has been through many different contests and he knows what is most liable to happen in any big contest—Remember this, the girl who works will win.

For the benefit of those who are not able to get to this office during business hours the contest department will be open every evening until nine o'clock.
