

Toyland

SECOND FLOOR

THE real home of "Santa Claus," bigger and better than last year, larger than all the rest of the toy stores put together. Clever buying places us in a

position to undersell any other toy store in the Willamette valley. Fifty-five employees, the largest force we've ever had during the holidays. Do your shopping at the Big Store, the best store and help one little boy or girl win the "Brownikar" Automobile. We published their names in yesterday's--Friday's--Journal. Maybe there is one that you know and would like to help by saving your cash sales checks for them. They count as votes.

Toys, Art Ware, Cut Glass, China Ware, Brass, Japanese Ware, etc. Men's Overcoats, Boys' Overcoats. Ladies' Suits and Coats and One-piece Dresses, Furs, etc. All at reduced prices. Come and see them.
