

Toyland 2nd Floor

Shop early in the day—first come, first served. Early ones always get the best selections. Yesterday this store was crowded with eager buyers, and it looked for a time that we would be compelled to lock the doors. Everybody was good natured and waited their turn, and we believe out of all that crowd no one went away disappointed, because we are better prepared to handle the crowds. Our assortments are larger this year, which makes selections easier. Shop in the mornings if possible.

Toys from 25c up reduced 20 per cent in price. There are a few of those 10c pictures left. Hurry! Kochi, Brass, China Cut Glass, etc. at big reductions. Slippers for everyone, reduction 25 per cent. See them. Ladies' suits, coats and dresses now half prices. Our motto: "Big and Better than Ever 1910." Watch us grow. Good Goods is the Watchword of Our Success.
