

NATIONAL GUARDS NOW PART OF REGULAR ARMY

Company M Celebrates Its Adoption by Uncle Sam With a Banquet and Dance---One of the Most Successful Local Functions of the Winter.

Salem National Guard men celebrated the event of their organization going under the Dick law, which makes them a reserve force of the national government, and increases the standing army by 300,000 men. The army was draped with the national colors, and the windows screened with Oregon grape. A banquet was served by the Elite cafe force, the opening course being beans and hardtack with black coffee in the regulation can. Governor and Mrs. Benson and Mayor and Mrs. Rodgers and other guests ate off the tin and enjoyed the hard coarse fare of the common soldier. At the close of the banquet which consisted of several additional courses of food of not so strictly military character, which was enjoyed by about sixty guardsmen and their wives and sweethearts and the assembled guests, Capt. Chas. Murphy acted as toastmaster, and Capt. Carl Abrams responded to "The Old Guard," in a feeling manner and closed with a stirring poem in honor of Old Glory, that brought a round of cheers. Corporal Allen eulogized the Citizen Soldier in an appropriate and eloquent manner. Lieut. Max H. Gehlar toasted "The New National Guard" as it will be constituted under the Dick bill. He drew a lurid picture of what would happen if 50,000 Japs landed at Tillamook Bay, with only about 6,000 soldiers all told to pit against them this side of the Rockies. Perry Riegelman recited "Me and Jim," in an effective manner, a selection dear to the heart of the soldier. Mayor

Rodgers was cheered when he got up to speak on "What an Army Means to Salem." He promised the Guard his best efforts in the city government to help them get an Army that was more creditable to the city, and to be rent free to the company. This brought more applause and Governor Benson capped the climax by showing that the Oregon National Guard ranked among the very best in the United States, and paid a high tribute to the efficiency of the German people, due largely to the fact that so large a proportion of their people had military training.

As a fitting close to the proceeding Capt. Abrams had Capt. Murphy placed under arrest, and forcibly presented Mr. and Mrs. Murphy with a beautiful silver service as a token of the affectionate regard in which Company M held their old officer Capt. Murphy was too much overcome by his feelings to do more than say a few words of thanks. This closed the speechmaking, as it was late, and after a flashlight of the scene of revelry by Richard Lowentfeldt the company broke up and danced to the strains of the McElroy orchestra. The oath of a guardsman and a blank for enlistment was furnished to each guest, and Capt. Abrams made a strong plea for recruits from the best young men in the city. The affair was very successful and the happy dancers kept it up to a late hour. It was one of the finest social events ever pulled off in the Capital City and a great credit to Company M and its officers.

ARTIST AND WIFE QUARRELS

[UNITED PRESS LEASED WIRE.]
Anesville, O., Jan. 20.—A compromise decree between the Christys, where Natalie, the 12 year old daughter of Howard Chandler Christy, will be kept under the jurisdiction of the court, for some time, is expected next week, according to Judge Smith today. The court indicated that he will review the testimony in this case carefully and would keep the child under his jurisdiction for some time.

Mrs. Christy, the wife of the artist, who is petitioning the court to compel Christy to allow their child to visit her part of the time, said today that she would return to New York before a decision is rendered. She would not deny that she intends suing Christy for a divorce but declared that she has no definite plans for the future.

If your stomach, heart, or kidneys are weak, try at least, a few doses only of Dr. Shoop's Restorative. In five or ten days only, the result will surprise you. A few cents will cover the cost. And here is why help comes so quickly. Dr. Shoop doesn't drug the stomach, nor stimulate the heart or kidneys. Dr. Shoop's Restorative goes directly to the weak and failing nerves. Each organ has its own controlling nerve. When these nerves fail, the depending organs must of necessity falter. This plain, yet vital truth, clearly tells why Dr. Shoop's Restorative is so universally successful. Its success is leading druggists everywhere to give it universal preference. A test will surely tell. Sold by Capital Drug Store.

ALL ASIATICS MUST HAVE \$300

Canada's New General Immigration Laws Provides New Restrictions.

Ottawa, Ont., Jan. 20.—All Asiatics, Chinese, Japanese, Hindoos, Malays, who desire to enter Canada, will be compelled to show the authorities that they have \$300 of their own money, if a bill pending today before the house becomes a law.

The bill, under the heading of a General Immigration act, provides many new restrictions for the Asiatics, but principal among them is that of money qualifications.

Not only will the new act debar pauper Asiatics, but it is likely to keep from the country the families of Hindoos whose men folks have become established in America but who are not able to pay the price of \$300 a head to permit them to rejoin the men.

The bill is presented by Frank Oliver, minister of the interior, and is an outgrowth of agitation against the Asiatics, particularly Hindoos in British Columbia. In that province the Hindoos have been mobbed and harried by the whites who fear any increase in the Asiatic population.

Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness caused by catarrh that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

DEEDS, NOT WORDS.

Salem People Have Absolute Proof of Deeds at Home.

It's not words, but deeds that prove true merit.

The deeds of Doan's Kidney Pills, For Salem kidney sufferers, Have made their local reputation. Proof lies in their testimony of Salem people who have been cured to stay cured.

I. N. Ridgeway, 485 S. 22nd St., Salem, Ore., says: "For a long time I knew that my kidneys were disordered, as I suffered from pains in the small of my back, especially severe when I stooped or lifted. I did not rest well and arose in the morning so lame and sore that I could hardly get about. I became tired easily, felt languid and was often very nervous. I was also subject to intense headaches and dizzy

spells, during which my sight became blurred. Doan's Kidney Pills were finally brought to my attention and deciding to try them, I procured a box at Dr. Stone's Drug store. They went at once to the seat of my trouble and in a short time entirely relieved me. Doan's Kidney Pills have my highest endorsement." (Statement given March 28, 1906.)

After Three Years.

On Nov. 20, 1909, Mr. Ridgeway said: "The statement I gave for publication recommending Doan's Kidney Pills in 1906 was correct in every detail. This remedy benefited me greatly and I am glad to tell other kidney sufferers of my experiences."

A Sprained Ankle.

As a rule a man will feel well satisfied if he can hobble around on crutches in two or three weeks after spraining his ankle, and it is often two or three months before he is fully recovered. This is an unnecessary loss of time, as by applying Chamberlain's Liniment, as directed, a cure may as a rule be effected in less than one week's time, and in many cases within three days. WILLAMETTE UNIVERSITY
By Charles McKnight

The basketball game between the Laws and Medics yesterday resulted in a victory of 18 to 9 in favor of the Medics. The game was fast and furious. There was considerable roughness and no great amount of team work, for neither team had practiced together. In the first half the Medics clearly outplayed the Laws, and secured a good lead in the score, but in the second half the Laws scored four points, while the Medics scored three. For the Laws Belknap threw three baskets and McMeachin threw three from the foul line. For the Medics McIntyre was the star point-gainer. Following is the line-up:

Laws—F. Crawford, McKnight; C. Belknap; G. McMeachin, Chamberlain.

Medics—F. McIntyre, Immanuel, C. Hamilton; G. Neumyer, Ross and Cropp.

Referee, Minton.

Thirty University men left this morning to attend the Y. M. C. A. state convention. This includes the basketball team, which is to play O. A. C. Saturday evening. The team is composed of McIntyre, captain; Schramm, McMeachin, Homan, Minton and Winslow, substitute.

Mr. Page addressed the students at chapel this morning.
