Abe Attel is a married man and is a fine dresser.

Charlie Comiskey is a distinguished looking personage.

Tommy Burns has a considerable supply of valuable diamonds.

Stanley Ketchel loves to dance and is known as a very graceful dancer.

"Lucky" Baldwin during his last years ceased to plunge on the ponies—that is to any extent. He won the American derby four times.

Mexican Everett, who once endeavored to fight Jeffries, is in the Angel city and endeavoring to make a match with Jim Flynn.

Jack Corbett, a brother of Jim Corbett, was a drug fiend and died somewhere in the Northwest from an over indulgence in this habit.

"Lucky" Baldwin's favorite head gear was a black slouch hat and it was this, together with his picturesque mustache, which gave him his western appearance.

The S. A. A. C. of Spokane boasts of a deaf and mute boxer in the person of Ross Slightbam. He weighs 115 pounds and learns the game far more rapidly than the average.

Jesse Lewishon, the New York millionaire sporting man is of an exceedingly slight build and walks with a stoop. He is practically acquainted with everybody on the turf.

One of the cleverest men who ever handled a sweep in old Harvard is Jesse Edwin Wald of Denver. Wald is working his way through school by doing newspaper work and has been unanimously elected captain of the Harvard team.

According to Owen Moran, the clever featherweight boxer who is back to America again after a visit to his old home, all the talk about big parties in England is just "wind." He scoffs at the idea that Bat Nelson got \$20,000 from the National Sporting Club for a fight with Freddie Walsh.

A new sport has come to the front in the south—that of a dozen negro boys taking off the most of their wearing apparel so that they are dressed in practically nothing but slippers and air and then sitting down on a cake of ice. A cash prize is awarded to the one who sits on the cake the longest. The sport is running a neck and neck race in the esteem of the public with the winter swimming races in the "City of Roses."

Billy Sunday, the famous evangelist and the once famous outfielder of Pop Anson's teams in emphasizing some of his arguments from time to time in his sermons, has occasion to relate some story with relation to his career as a ball player and his acquaintances on the diamond. One of his stories used in his temperance sermon concerns 10 members of the club who drank too much and died from the effects of it and one of these was "King" Kelly.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness caused by catarrh that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

If your stomach, heart, or kidneys are weak, try at least, a few doses only of Dr. Shoop's Restorative. In five or ten days only, the result will surprise you. A few cents will cover the cost. And here is why help comes so quickly. Dr. Shoop doesn't drug the stomach, nor stimulate the heart or kidneys. Dr. Shoop's Restorative goes directly to the weak and falling nerves. Each organ has its own controlling nerve. When these nerves fail, the depending organs must of necessity falter. This plain, yet vital truth, clearly tell why Dr. Shoop's Restorative is so universally successful. Its success is leading druggists everywhere to give it universal preference. A test will surely tell. Sold by Capital Drug Store.

The Valley Electric will be in operation in Woodburn this week.

Probably the greatest coffee substitute yet produced is that now known to grocers everywhere as Dr. Shoop's Health Coffee. It actually goes a third farther than all others, and besides it is "made in a minute." No 20 to 30 minutes tedious boiling is at all necessary. Pure toasted grains, malt, nuts, etc. have been so cleverly blended as to give a wonderfully satisfying, true genuine coffee flavor and taste. And not a grain of real coffee is used. 100 cups, 25c. Sold by J. W. Harritt.
