

# THERE WILL BE A WARM TIME

Albany's Herd of Elks Celebrate Their First Anniversary of Dedication Tonight.

Albany, Ore., Feb. 17.—Tonight is the first anniversary of the dedication of Albany's Elk temple, and the members are preparing for some warm times at tonight's session. The local lodge own their own building, a two-story structure covering one-quarter of a block on Lyon and First streets. The members of Albany lodge boast of the second largest in Oregon, and at the present time has 625 names on its roll of honor. Nearly every progressive business man of Albany is an Elk, as the antlered herd is strictly it.

The present officers are as follows: E. R., Wm. Eagles; E. L., Gale S. Hill; E. L. K., L. M. Curi; E. L. K., A. W. Bowersox; esquire, Riley Walker; secretary, Wm. Merrill; treasurer, H. B. Cusick.

A comparison of the assessed valuations of Linn county for the years 1908 and 1909 shows that the increase of 1909 over 1908 was \$4,109,970, indicating a hearty growth for this county. The total valuation for the year just over was \$25,333,655. The levy of 1908 was \$330,699 while that for 1909 was \$331,068.78.

Night Watchman John Catlin rounded up four drunks last night, who were on their way to the Albany theater. As Albany is a dry town, they were quietly lodged in a local hotel to sleep off their deluge, and this morning were sent northward on their journey.

## OREGON TOWNS FORM LEAGUE

A four team vase ball league has been organized between the towns of Echo, Hermiston and Umatilla and a schedule of 24 games for the season has been signed.

F. A. Phelps, an old time league star, has been elected president of the league. The Hermiston team will be under the management of Thompson, formerly of Erie, Pa., who has a good record as a player.

Hermiston is planning a big celebration on Independence day and two games will be played on that occasion.

## PROMINENT PORTLAND PHYSICIAN DIES

Portland, Ore., Feb. 18.—Dr. Horace R. Littlefield, a pioneer of Oregon, and one of the most widely known physicians in the Northwest, is dead at his home here today, following a long illness.

Dr. Littlefield, who was a native of Illinois, came to Oregon in 1869. In 1880 he was appointed surgeon in chief to the construction department of the Oregon Railway & Navigation Company, and in 1881 he accepted a like position on the western division of the Northern Pacific railroad. In this capacity Dr. Littlefield served in Oregon, Idaho and Washington until 1883, when he retired to private practice in Portland.

## EUGENE MAN WANTS TO LEASE WILLAMETTE

Landlord Stark, of the Hotel Smeed, of Eugene, was in the city today figuring with the committee in charge of Hotel Willamette, and offered them a rent of \$600 a month for it. The committee, he says, treated him very fairly, and he may take it up. He is one of the best known hotel men in the state, and has had 15 years experience. He thinks the Salem hotel will be a good business from the day it opens. Mr. Stark went to Independence to look after his property interests there.

## FAIRMOUNT PROPERTY SOLD OFF VERY WELL

Rev. H. B. Ellworthy, of Hillyard, Wash., has been in the city the past few days selling off the rest of his Fairmount Hill property. He has sold to date \$10,000 worth, and has a block left that will bring him about \$3000. This is the property he offered the city for a park for \$10,000. Mossbacks defeated the proposition by crying graft, when Mr. Ellworthy offered it to the city for less than its market value.

# FIRST NOME STEAMER TO SAIL MAY 10.

Seattle, Wash., Feb. 18.—The passenger list of the Corbin, the first boat out for Nome this spring, is marked full today, the last first class reservation being sold today.

The Corwin will sail May 10. Beside her full passenger list she will carry 200 tons of freight at \$40 a ton and 20 tons of mail.

The arrival of the Corwin is a day of joy in Nome. When after pounding her way through the ice she anchors sever or eight miles off shore and waits for the discharge of her cargo, the entire town comes out by sled, headed by a brass band.

In previous years the residents of Nome have looted the ship of all fresh vegetables and fruits and though they paid liberally for them, the steamship company objects to the practices. This year 50 to 100 packages of fruit and vegetables will be taken north for distribution at nome.

### A POPULAR VERDICT.

Based on Evidence of Salem People.

Grateful thousands tell it—How weak backs were made strong—

Weak kidneys made well—Urinary disorders corrected. Salem people add their testimony. They gladly praise Doan's Kidney Pills.

For quick relief and lasting cures. Salem evidence is now complete. Salem testimony is confirmed; Reports of early relief substantiated.

Cures doubly proved by test of time.

Let a Salem citizen speak.

A. J. Wood, 733 N. Front St., Salem, Ore., says: "About two months ago I began to suffer from kidney and bladder trouble. The kidney secretions were too frequent and painful in passage, causing me much annoyance. I had often heard Doan's Kidney Pills highly recommended and thinking they might prove of benefit, I procured a box at Dr. Stone's Drug Store. I can truthfully say that the use of one box freed me of every symptom of kidney complaint. I strongly advise other kidney sufferers to give this remedy a trial.

The above statement was given Jan. 30, 1906 and was confirmed on Nov. 20, 1909, by Mr. Wood. He said: "The statement I gave in 1906, publicly recommending Doan's Kidney Pills still holds goods. This remedy cured me of kidney trouble and I have had no return attack."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
