A SQUARE DEAL

Will Be the Subject of Evangelist Taylor's Discourse at the Tabernacle This Evening.

On account of the publicity campaign there were none of the regular day meetings of the great revival campaign yesterday nor today, but the Christian people of the city were engaged in inviting the people of the city to the meetings. There was a good crowd at the Tabernacle last evening. There was the usual inspiring song service. Rev. F. H. Neff offered the opening prayer. Mr. Wegner sang a beautiful song by P. P. Bilhorn entitled, "Jesus," the choir joining in the chorus. Mr. Taylor spoke on the subject, "The Paramount Issue in the Christian Life," taking his text from I Samuel 15:22, "To obey is better than sacrifice."

Mr. Taylor preached a very strong sermon from this text and made it very plain that the only thing for the Christian to do is to do what God tells him to do. He said that obedience is the supreme test of loyalty and the only fair test. Adam and Eve in the Garden of Eden, Aaron when he made the golden calf, Achan with the hidden wedge of gold and the goodly garment, Saul saving for sacrifice the cattle that God had commanded him to destroy, all were tried by the same test and all failed in the same way. Adam turned Eden into a graveyard, Aaron caused the people to sin, Achan brought death upon himself, Saul lost a kingdom because they could not stand this test. It is this same test by which the Christian of today is to be tried.

God expects obedience in politics, in business, in the home, in the church. He wants obedience rather than building colleges or giving money. He wants obedience and not excuses. Mr. Taylor told with great force of the illustration used by Spurgeon; of the plague-stricken city, with people dying everywhere, in which a single physician had a sure remedy, but he was asleep. Spurgeon cried, "Awake! Awake! People are dying all about you!" So the call comes to the Christian. People are dying for want of the gospel which you should carry to them! Are you going to save them? After the sermon Mrs. Taylor favored the audience with a cornet solo.

There will be services in the tabernacle this evening at 7:30 o'clock. Mr. Taylor's subject will be "A Square Deal."

A Timely Protection.

Everyone knows the after effects of the grippe are often more dangerous than the disease. So often it leads to pneumonia, which a weakened heart action makes fatal. La grippe coughs that strain and weaken the system yield quickly to the healing and strengthening qualities of Foley's Honey and Tar. Refuse substitutes. J. C. Perry.

RATES DOUBLE

The Willis Hardware & Implement company of the town of Banks today filed a complaint against the Southern Pacific Railroad company.

The hardware company alleges that it is engaged in the mercantile and shipping business and that the rates charged by the railroad company on each classification of freight from Portland to Banks are double, whereas there should be but one through freight rate.

It is further alleged that the combined rates from Portland to Hillsboro and from Hillsboro to Banks

are greater than those charged for corresponding distances in the west side addition; that claims for losses and damages are not recognized and that the rates charged by the railroads on freight are not always the same.

The date of hearing has not yet been set.

FRATERNAL NEWS

A new lodge of the B. P. O. E. came into existence last Friday evening when 150 members of the authorized herd of this city went to Oregon City and established a lodge at that place. Besides the members of the Salem Lodge there were large delegations in attendance from Portland, Eugene, Astoria, Albany and other Oregon towns and it was by far the largest and most enthusiastic affair of its kind ever held in the state.

The ceremonial work was under

Kay, exalted ruler of the Portland lodge, and the degree work was put on by the team of the Salem lodge. The new order starts out with a membership of about 100 and under the brightest and most promising of prospects.

Attorney P. H. D'Arcy, Harry Albert and Wm. S. Walton have been appointed as a committee to appoint sub-committees and to make arrangements in general for the celebration of the fourteenth anniversary of the local lodge of Elks and also the celebration of home-coming day. The event is to be held on April 21, and those in charge intend to make it an affair which will long be remembered in Elksdom. Invitations will be sent out to many of the members of the lodge who have taken up their residence elsewhere and it is expected that many of them will avail themselves of them and be in attendance.

A special communication of St. Mary's Chapter No. 9, Order Eastern Star, of Corvallis, was held Tuesday night, at which initiatory work was performed.

Corvallis Lodge No. 14, A. F. & A. M., held a stated communication Wednesday night and did work in the F. C. degree.

The order of Maccabees in this city held an open meeting last Thursday evening in their hall at which W. J. Sherwood, a high official of the lodge, attended. A program consisting of music and addresses was rendered and the exceptionally large audience thoroughly enjoyed the evening.

Even Mixologists Go Out.

Philadelphia, Pa., March 5.—The union bartenders walked out of every bar room in the city at midnight, but their strike so far has been ineffectual.

Amateur drink mixers flocked to the aid of the saloon keepers and the proprietors themselves put on the long white aprons of the strikers.

"It's pretty hard for the bartenders' union to hurt us," declared one saloon man. "You see, it's not hard to get volunteers in this business."
