

## WILL HOLD CONFERENCE

**UNITED PRESS LEASED WIRE.**  
Cincinnati, O., March 7.—Representatives of the Allied Printing Trades are gathering here today for a three-day conference on matters of moment to the welfare of the organization.

The conference follows a convention of the printing trades and comment has been aroused over the fact that the conference should be held so soon after the convention.

Many persons are inclined to believe that it portends a demand by the printers for increased wages. The trade agreements with employers are soon to expire and it is believed that a general walk out of men in the printing shops will follow a refusal of employers to meet the demands of the men.

The conference will be held at the local offices of President Berry, of San Francisco. Berry recently was re-elected president of the trades. Many of the leading officers of the printing trades will attend the conference which, it is predicted, will not end before Wednesday evening.

## DID SKOTHEIM TRY TO ROB INSANE PERSON?

S. Vandeleur, guardian for Andrew Erickson, an insane person, has commenced an action in the circuit court against C. J. Skotheim for the recovery of a certain tract of real property alleged to belong to Erickson.

The plaintiff alleges that the property was held in trust for Erickson by one Martha Olson, and that the defendant, through false representations, made Erickson believe that she could not hold it in trust for him and prevailed upon him to convey it to the defendant. After the conveyance, it is alleged, that a promissory note and mortgage for the sum of \$1500 was executed and recorded by the defendant and his wife, but without the knowledge of either Erickson or Martha. The court is asked to make an order reconveying the property, which is valued at

The statehood measure for New Mexico and Arizona is stuck on another snag. This time the senate committee on territories is worrying over the question of whether suffrage in the proposed states shall be limited to those who speak and write the English language.

## WOMAN ESCAPES OPERATION

### Was Cured by Lydia E. Pinkham's Vegetable Compound

Elwood, Ind.—"Your remedies have cured me and I have only taken six bottles of Lydia E. Pinkham's Vegetable Compound. I was sick three months and could not walk. I suffered all the time. The doctors said I could not get well without an operation, for I could hardly stand the pains in my sides, especially my right one, and down my right leg. I began to feel better when I had taken only one bottle of Compound, but kept on as I was afraid to stop too soon."—Mrs. SADIE MULLEN, 2728 N. B. St., Elwood, Ind.

Why will women take chances with an operation or drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound?

For thirty years it has been the standard remedy for female ills, and has cured thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, indigestion, and nervous prostration.
