SAYS MATT GOT THE BIG MIT

New York, March 11.—Commander Robert E. Peary today stands accused of ingratitude and forgetfulness by Mrs. Matt Henson, wife of the negro, who accompanied Peary on the dash to the north pole. "My husband," she said today at her home in this city, "is away on a lecturing tour. Since they returned from the pole, Peary has dropped Matt entirely, and has held no communication with him or done a single thing in recognition of his 23 years' service to say nothing of Matt having saved Peary's life on more than one occasion. It seems to me such treatment is not fair. "So far as Peary knows, or cares, for all the interest he has shown, Matt might be starving to death. Such ingratitude is pretty hard. Probably Peary, who is getting all the money, has no time to think of Matt, to whom much of the success of the expedition was due. Matt has never mentioned the matter to Peary, but it does seem as if his hard work of over 20 years might be more fittingly rewarded than by silence and forgetfulness."

INCREASED HIS LIFE INSURANCE

GENE ECKERLEN DON'T INTEND TO TAKE ANY CHANCES WITH MONKEY DOODLE BUSINESS.

Eugene Eckerlen has sunk a good heavy fund in a big Kissel Kai motor wagon, which has the power of 50 horses, and a liberal carrying capacity. Although Gene is in a class strictly by himself when it comes to "monkey doodle" he refused to turn a wheel until he consulted his life insurance agent, and swelled the policy for the initial step toward bubble. In addition with this precaution, Mr. Eckerlen took out a \$500 auto policy to insure medical attention to the machine, in the event of an accidental swashup. It was not disputed by those who witnessed the auto about the city, that Gene was the one graceful and imposing chauffeur of the town, and although he is so wrapped up in his work when traveling he will not notice his friends, nothing but praise is heaped for his gallantry. When Gene comes to a thorough understanding with his favorite plaything, "Der" Steiner will be given a chance to practice up. In the event Steiner should permit the Kissel car to get away from him, like he did the driving horse, there is grave doubt as to whether Mr. Eckerlen's hired man would land anywhere gracefully.

HE NEGLECTED HER

After three years of what she terms in her complaint "penury, want and social ostracism and wanton insults, unmerited sneers and studied neglect on the part of the defendant, in the hope that she might win his love and respect and save her minor children and herself the humiliation of a divorce," Mrs. Viola Morrison has decided that it is no use, and has commenced an action in the circuit court for the dissolution of the marriage bond existing between herself and Lloyd Morrison. The couple was married in the state of Washington in the year 1906. Recently they lived near Chemawa, and the wife generally throughout her complaint charges the defendant with neglecting her, and treating her in a domineering way. She asks for an absolute divorce and the custody of the children.

Beware of Ointments for Catarrh that Contain Mercury. As mercury will surely destroy the sense of smell and completely derange the whole system when entering in through the mucous surfaces. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by druggists. Price, 75c per bottle.
