HIS PEN GOT HIM OUT OF OTHER "PEN"

[UNITED PRESS LEASED WIRE.]
Stillwater, Minn., April 18.—The gates of the state penitentiary swung wide today and John Carter, a prison poet and devotee of music, walked forth a free man after having spent five years behind the bars. After considering his case, the state pardon board decided on Saturday to pardon Carter because of the merit of his writings. It was his poems in literary periodicals like the Century magazine that attracted the attention of literary men to his case and brought influence to bear to secure his pardon.

Carter, an Englishman, whose real name he has declined to give, was ejected from a freight train at Karlstad, Minn., while beating his way to Minneapolis. Desperate from hunger, he broke into the rail station and stole \$24 belonging to the telegraph operator. He was tried and sentenced to 10 years at Stillwater.

THEY GROW HAIR

Certain Ingredients If Properly Combined, Stimulate Human Hair Growth.

Resorcin is one of the most effective germ destroyers ever discovered. Beta-naphthol is a most powerful, yet absolutely safe germicide and antiseptic, which prevents development of germ matter, and creates a clean, healthy condition.

Pilocarpine, although not a coloring matter or dye, is an ingredient well established for its power to restore natural color to human hair.
Borax, because of its well-defined softening and cleansing properties, is most useful in the treatment of scalp and hair diseases. Glycerine acts as a stimulant to the hair bulbs, and has a soothing, healing and nourishing influence. Alcohol is indispensable in medicine because of its antiseptic, stimulating and preservative qualities.

Resall "93" Hair Tonic is chiefly composed of these ingredients, which are compounded in a peculiar form, and we believe it is the most effective remedy known to medical science for scalp and hair troubles generally. We personally guarantee it to eradicate dandruff and scalp irritations and to grow hair, even though the scalp in spots is bare of hair, providing of course there is life and vitality remaining in the hair roots.

We want every one troubled with scalp disease, dandruff or loss of hair to try Resall "93" Hair Tonic. If it does not remove dandruff and promote a growth of hair to the satisfaction of the user, we will without question or quibble return every cent paid us for it. This guarantee is printed on every package. It has effected most satisfactory results in 93 out of 100 cases where put to a practical test.

Resall "93" Hair Tonic is entirely unlike and in every particular different from anything else we know of for the purpose for which it is recommended. We urge you to try it at our entire risk. Certainly we could offer no better guarantee. Two sizes, 50 cents and \$1.00. Sold in Salem only at our store.—J. C. Perry, Druggist.

GIVE YOUR STOMACH A CHANCE

To Furnish the System the Necessary Fluids to Drive Dyspepsia from the Stomach.

A Trial Package Free.

You should give to your stomach the chemicals it needs to restore tone, vigor and health to the gastric fluids.

Food contains all these ingredients so necessary, and when the stomach is in a normal condition it separates these ingredients as it should and manufactures its own digestive agents, but when it is sick and sore, filled with acids and alkalies that irritate everything they come in contact with, it does not get at the food as it should and cannot make its own juices correctly.

Science has proven just what is most necessary to the stomach to produce the correct gastric fluids and to make of digestion a naturally pleasant duty.

Stuart's Dyspepsia Tablets are so made as to give the stomach the highest chemical properties to aid digestion. These tablets are made up from pure fruit and vegetable essences, and this is the formula: Hydrastis, Golden Seal, Lactose, Nux, Aseptic Pepsin (the highest digestive known), and Jamaica Ginger. Its preparation peculiarly preserves the full strength of these ingredients, so that they go into the stomach strong and capable of digesting food of any character. Forty thousand physicians use and prescribe them. Ask your doctor his opinion of the formula above. Every druggist sells them, price 50 cents per box, or send us your name and address and we will send you a trial package by mail free. Address F. A. Stuart Co., 150 Stuart Building, Marshall, Mich.

One Conductor Who Was Cured.

Mr. Wilford Adams is his name, and he writes about it.—"Some time ago I was confined to my bed with chronic rheumatism. I used two bottles of Foley's Kidney Remedy with good effect, and the third bottle put me on my feet and I resumed work as conductor on the Lexington, Ky., Street Railway. It gave me more relief than any medicine I had ever used, and it will do all you claim in cases of rheumatism." Foley's Kidney Remedy cures rheumatism by eliminating the uric acid from the blood. J.
