HALLEY'S SCREAMER IS RECOGNIZED

REAUTIFUL SIGHTS OF THE COMET OBTAINED AT SALEM THIS MORNING BUT WAS DIMMED OUT BY TWO BEAU-TIES OF THE FIRMANENT.

Halley's comet was seen at Salem this morning at 3 o'clock for the first time. It rose majestically in the eastern sky over Table Rock mountain, and gradually expanded its graceful form until it filled the eastern sky with soft and silvery radiance. To poor earthly eyes not through the great prune district, and accustomed to the dimensions of the for tonnage, both in and out, far in vast universe the tail appeared to be advance of all others. The prune about 50 feet long. As beautiful men can pack their own fruit at about 50 feet long. As beautiful men can pack their own fruit at home without that 6-mile haul in for followed by a languid and emacities the dryers for all time to come. Then to feel better when I had taken only pated remnant of the last quarter of it is the scenic part of the electric one bottle of Compound, but kept on pated remnant of the last quarter of it is the scenic part of the electric one bottle of Compound, but kept on pated remnant of the last quarter of it is the scenic part of the electric one bottle of Compound, but kept on pated remnant of the last quarter of it is the scenic part of the electric one bottle of Compound, but kept on pated remnant of the last quarter of it is the scenic part of the electric one bottle of Compound, but kept on pated remnant of the last quarter of it is the scenic part of the electric one bottle of Compound, but kept on pated remnant of the last quarter of it is the scenic part of the electric one bottle of Compound, but kept on pated remnant of the last quarter of it is the scenic part of the electric one bottle of Compound, but kept on pated remnant of the last quarter of it is the scenic part of the electric one bottle of Compound, but kept on pated remnant of the last quarter of its pated on the electric one bottle of Compound, but kept on pated remnant of the last quarter of its pated on the electric one bottle of Compound, but kept on pated remnant of the last quarter of its pated on the electric one bottle of Compound, but kept on the electric one bottle of Compound, but kept on the electric one bottle of Compound, but kept on the electric one bottle of Compound, but kept on the electric one bottle of Compound, but kept on the electric one bottle of Compound, but kept on the electric one bottle of Compound, but kept on the electric one bottle of Compound, but kept on the electric one bottle of Compound, but kept on the electric one bottle of Compound, but kept on the electric one bottle of Compound, but kept on the electric one bottle of Compound, but kept on the electric one bottle of Compound, but kept on the electric one bottle of Compound, but kept on the electric one bottle of Compound on the electric one bottle of Compound on the electric one bottle of Compound the moon, the Halley blazer gradu- line from Portland to Albany. Then as I was afraid to stop too soon. ally paled and as the advancing it gives them a full territory of their SADIE MULLEN, 2728 N. B. St., Eldawn brightened the sky it faded own to business in, and one that is from sight entirely. The comet goes under good headway of development, an operation or drag out a sickly, into transit with the sun May 18, one now waiting for transportation; lialf-hearted existence, missing threeinto transit with the sun May 18. and is now approaching the earth then the line will tap two vast rock much more rapidly than the Jim
Hill railroads are crossing central
