

PAINTER ROASTED TO DEATH

HIS CLOTHING IS SATURATED WITH INFLAMMABLE MATERIAL AND CATCHES FIRE—HE IS HELD BY ROPE USED TO PREVENT HIS FALLING.

Portland, Ore., May 14.—Little hope is held out today for the recovery of W. H. Alford, a painter who was nearly roasted to death on the roof of a burning building from which he was unable to escape on account of a rope which he had tied around his waist to keep from falling, late yesterday.

the skin of his body was burned off. Alford was at work on the roof of the plant of the Oregon Wood Distillery company near Whitwood Court station on the United Railways' line. He was spraying the roof with graphite, an inflammable painting liquid. A spark from the smokestack of the plant fell on the roof and in an instant it was all ablaze. Alford's clothing had become saturated with the liquid and caught fire.

Screaming with pain, he ran, stumbling and rolling over the roof. So intense was the pain that he was unable to free himself from the rope he had attached to his body to keep him from slipping from the roof.

The flames were extinguished by fellow workmen who turned a hose on Alford.

Now is the time to get rid of your rheumatism. You can do so by applying Chamberlain's Liniment. Nine cases out of ten are simply muscular rheumatism due to cold or damp, or chronic rheumatism, and yield to the vigorous application of this liniment. Try it. You are certain to be delighted with the quick relief which it affords. Sold by all good druggists.

RAISING MONEY FOR AN APPEAL

MRS. GOHL IS STANDING BY HER CONVICTED HUSBAND AND WILL PROBABLY GET HIS CASE BEFORE SUPREME COURT.

Aberdeen, Wash., May 14.—That Mrs. William Gohl is attempting to raise a fund in this city to assist her husband, convicted of the murder of Charles Hadger, to defray the expenses of an appeal to the supreme court, is reported today.

There are many Germans in this city, it is contended, who sympathize with Gohl and who will aid him. Assistance is also looked for from the sailors' union.

Mrs. Gohl, like her husband, is determined to fight to the last ditch.

GOT HIS HAIR BACK Was Perfectly Bald When He Started to Use Newbro's Herpicide.

Frederick Manuell, Maryland block, Butte Montana, bought a bottle of Newbro's Herpicide, April 6, '09, and began to use it for entire baldness. The hair follicles in his scalp were not dead and in 20 days he had hair all over his head. On July 2 he writes, "and today my hair is as thick and luxuriant as any one could wish." Newbro's Herpicide works on an old principle and with a new discovery—destroy the cause and you remove the effect. Herpicide destroys the germ that causes dandruff, falling hair, and finally baldness, so that with the cause gone the effect cannot remain. Stops falling hair at once and a new growth starts. Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich. One dollar bottles guaranteed.—J. C. Perry.

Whooping Cough. This is a more dangerous disease than is generally presumed. It will be a surprise to many to learn that more deaths result from it than from scarlet fever. Pneumonia often results from it. Chamberlain's Cough Remedy has been used in many epidemics of whooping cough, and always with the best results. Delbert McKeig of Harlan, Iowa, says of it: "My boy took whooping cough when nine months old. He had it in the winter. I got a bottle of Chamberlain's Cough Remedy which proved good. I cannot recommend it too highly." For sale by all good druggists.

Pittsburg grafters almost fell over each other in a grand rush to confess their guilt. It is doubtful if Evangelist Billy Sunday ever created a livelier scramble among sinners.
