PRETTY GIRL DEMURE BUT---

SHE SELECTED A FINE WATCH FROM GRANTS PASS JEWELER AND AFTERWARDS TELEPHONED THAT "THE DOCTOR WOULD PAY FOR IT."

[UNITED PRESS LEASED WIRE.] Grants Pass, Ore., May 30.—A young woman described as having a mining step, demure manner and apparently 15 years of age, is being sought by the local authorities on a warrant charging her with having swindled A. Letscher, a jeweler out of a valuable gold watch. According to Letscher, the pretty miss entered his store Saturday, chose the best watch he had in the store, suggested that she take it home on approval, and when the salesman consented, walked out and disappeared.

Later a girl's voice on the telephone told Letscher that a well known local physician would pay for the watch. The jeweler became suspicious and visited the doctor only to learn that the young woman was unknown to him.

wreathed in sunshine. He saw a nation restored and at peace. He sent greetings to the men of the West and welcomed the oncoming millions of immigrants from Europe and his eyes kindled with the enthusiasm born of the consciousness of the coming power and greatness of the republic. With such thoughts for his country he was removed from the toils and temptations of this life and entered into the eternal peace.

"The volunteers went out in the darkest hours of the republic. Fortress Sumpter had fallen and powerfully equipped enemies were

battering at the very doors of the national capital. The south had been victorious on a number of battlefields. But they had confidence in Lincoln. A great captain was at the helm, and they would follow him, as mad Anthony Wayne once told Washington in the darkest days of Valley Forge: "We will storm the gates of hell, sir, if you will lay the plans. The conclusion of the war was dramatic, and the climax was reached in the meeting of Grant and Lee under the famous Appomattox apple tree. What passed between those two great men in that tent God only knows. But both armies knew the hour of peace had come. They melted back into the higher ranks of American citizenship with that enlightened patriotism that belongs to true men who know when they have fought enough for honor and country. The Union soldiers returned to their homes bearing no rancor in their hearts, and were proud to have borne their part in the restoration of a liberated republic."

CLAUD GABBY DROWNS IN RIVER

Claud Gabby, of Eugene, was drowned Saturday afternoon in the Willamette river near Beuna Vista. Gabby, at the time, was with a man by the name of Lester Lucky, and the two were trying to make their way down the river in a launch, when, in some manner, it upset. Mrs. Gabby, together with Mr. and Mrs. J. J. Hess, had arrived in the city in the morning over the Southern Pacific to visit Mr. and Mrs. E. M. Cooper, and when the news of the death of her husband was conveyed to her she became hysterical.

No Alcohol!

Is alcohol a tonic? No! Does it make the blood pure? No! Does it strengthen the nerves? No! Is Ayer's Sarsaparilla a tonic? Yes! Does it make the blood pure? Yes! Does it strengthen the nerves? Yes! Is it entirely free from alcohol? Yes!

Ask your doctor if a family medicine, like Ayer's Sarsaparilla, is not vastly better without alcohol than with it.

JUDGING BY APPEARANCES—

Of course everybody does that, and Laundry Work can't be judged any other way. Everything subjected to our artistic treatment comes out as clean as a polished surface, as clear as crystal and as bright as a summer's day. Articles washed properly last twice as long and look twenty times better than goods badly laundered. We make cheap fabric masquerade for something better.

BRODERICK WILL SOON SURRENDER

BRIBERY IN CONNECTION WITH THE ELECTION OF SENATOR LORIMER IS BRINGING MANY INTO THE CLUTCHES OF THE LAW.

[UNITED PRESS LEASED WIRE.] Chicago, May 30.—State Senator John Broderick, democrat, indicted for having paid State Senator D. W. Holslaw \$2,500 to vote for William Lorimer, republican, for the United States senate, has sent word to the authorities that he will surrender today. He will be released on bond, the sum having been fixed at \$10,000. Broderick will not give himself up until he has made the necessary arrangements to furnish this amount of bail.

Broderick was indicted Saturday by the Sangamon county grand jury at Springfield after a sensational confession by Holslaw made at about the same time Senator Lorimer in the senate was explaining the charges as "lies" based on the ill will toward him of a Chicago newspaper.

An attempt was made Saturday to find Broderick but the officers were unsuccessful. Yesterday they failed to find him and the search was going on today, when Broderick sent word he would surrender. The investigation of the bribery charges was postponed until tomorrow, the grand jury having adjourned because today is Memorial day.

* X-RAYS AND SMILES. *

The investigating committee will have to put it down in black and white. It will be a whitewash for Ballinger and tar and feathers for Pinchot, or the reverse.

President Taft's cabinet seems to be a rather notorious piece of furniture just now.

The more the "unco good" fight the prize fighters the greater the interest in the fight becomes. The churches are unintentionally the very best press agents for Johnson and Jeffries.

Johnson will probably be the winner in the fight with Jeffries. Plain white isn't it with "colors" for summer wear.

If your Stomach, Heart, or Kidneys are weak, try at least, a few doses only of Dr. Shoop's Restorative. In five or ten days only, the result will surprise you. A few cents will cover the cost. And here is why help comes so quickly. Dr. Shoop doesn't drug the stomach, nor stimulate the Heart or Kidneys. Dr. Shoop's Restorative goes directly to the weak and failing nerves. Each organ has its own controlling nerve. When these nerves fail, the depending organs must of necessity falter.

Crook county has organized a fair association, and is already making out its premium list for the fair this fall.

Biliousness and Constipation.

For years I was roused with biliousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Pepsin preparations and cathartics only made matters worse. I do not know where I should have been today had I not tried Chamberlain's Stomach and Liver Tablets. The tablets relieve the ill feeling at once, strengthen the digestive functions, purify the stomach, liver and blood, helping the system to do its work naturally. —Mrs. Rosa Potts, Birmingham, Ala. These tablets are for sale by all Druggists.

Oil Sand Soon.

The past week's run at the gas well was a very good one, rapid progress during the week putting the hole down to 3725 feet. A heavy pressure of gas is being experienced, and the ball is lifted several feet out of the well by the gas every time the balling is done.

A trace of oil is also visible on every bailer full brought up.

At the present time the drill is working in a harder shale than has been seen in the well, and the color of this shale is darker than the blue which has been in evidence so long. It is a brownish color, and somewhat grainy in texture. This is the sort of cap rock usually found just before entering a sand, and it is generally believed that a sand will soon be reached. An eastern oil man who looked at pieces of the shale this week said 25 feet more would put the drill into oil sand.—Ontario Optimist.

To Cure Cold in One Day. Take LAXATIVE BROMO Quinine Tablets. Druggists refund money if it fails to cure. E. W. GROVE'S signature on each box. 35c TTS

FINE BERRIES FOR EXHIBIT

SPLENDID SHOWING OF "OREGONS" CONTRIBUTED BY LOCAL GROWERS, WILL BE PRESERVED, PLANTS AND ALL.

The Board of Trade has recently captured some magnificent strawberries for exhibit purposes, and the same are being put up to be used to the best possible advantage. A crate of magnificent "Oregon" was provided by W. H. Farr, who lives east of the city, and same were sent to Portland to be processed by the expert of the Chamber of Commerce.

Several fine plants of the same variety, each bearing several hundred berries, were taken up and shipped for a like purpose, by J. J. Newmyer of Chemawa. The roots of these plants will be thoroughly cleansed, and with the foliage, roots, berries and all will be preserved in large glass jars, which will make a magnificent showing of the manner of growth and the wonderful productivity of the Oregon Strawberry. Mr. Newmyer will also ship several of these plants to Spokane for the Great Northern exhibition car, at the request of the Hill people.

Aside from this several choice samples of Clark Seedlings have been brought in by C. E. Miller, who lives north of the city. Some of these are also going into the Portland processing laboratory, and others are being put up by Mrs. Foster here in Salem. The Board already has some fine specimens of rhubarb and asparagus processed at the Portland Chamber of Commerce display, and many things of this kind are being sent down from day to day. Anyone having choice samples of fruit and vegetables should bring them in for this purpose, as it is the best class of advertising that we can have.

ACT QUICKLY.

Delay Has Been Dangerous in the City of Salem. Do the right thing at the right time.

Act quickly in times of danger. Backache is kidney danger. Doan's Kidney Pills act quickly. Cure all distressing, dangerous kidney ills.

Plenty of evidence to prove this. F. A. Sutton, Hoyt and West St., Salem, Ore., says: "For 10 or 12 years, rheumatism and kidney trouble were the plague of my life. I suffered intensely from a pain in the small of my back and was often unable to move. I doctored and tried a number of remedies but to no avail, and I was in a bad way when I procured Doan's Kidney Pills at Dr. Stones Drug Store. They benefited me at once and after I had taken the contents of three boxes, I was free from every symptom of kidney complaint. My health is now of the best. I cannot recommend Doan's Kidney Pills too highly." (Statement given January 31, 1906.)

Re-Endorsement.

On November 22, 1909, Mr. Sutton confirmed his former statement, saying: "I willingly reiterate all I have previously said in favor of Doan's Kidney Pills." This remedy cured me three years ago and I have had no return of kidney trouble." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Chamberlain's Liniment.

This is a new preparation and a good one. It is especially valuable as a cure for chronic and muscular rheumatism, and for the relief from pain which it affords in acute inflammatory rheumatism. Those who have used it have invariably spoken of it in the highest terms of praise. Lame back, lame shoulder and stiff neck are due to rheumatism of the muscles, usually brought on by exposure to cold or damp, and are quickly cured by applying this liniment freely and massaging the affected parts. Soreness of the muscles, whether induced by violent exercise or injury, is allayed by this liniment. For sale by all good druggists.

Pay as you go—but don't go too often.

For a burn or scald apply Chamberlain's Salve. It will allay the pain almost instantly and quickly heal the injured parts. For sale by all good druggists.
