SENATOR BOURNE STANDS BY HIS CONVICTIONS.

The San Francisco Chronicle has this to say: "Senator Bourne, not being able to get some of his friends into office becomes an insurgent. He was supposed to have been elected to represent the people of Oregon from the Republican point of view, but he has chosen the part of an office-broker, of no politics. Oregon Republicans will know how to deal with him when the time comes."—Salem Statesman.

The Salem Statesman, in copying the above from the San Francisco paper, does Senator Bourne an injustice.

Senator Bourne has supported the Taft administration measures, when he has deemed them right, and so far has voted for them, after they were properly amended.

He voted for the postal savings bank bill, after supporting the amendment offered by Senator Cummins of Iowa.

Senator Bourne is not the kind of man who will support any measure in violation of his convictions to secure offices, even for his friends. Senator Bourne's friends do not ask him to make a molly-coddle of himself to secure a few federal appointments.

His record with the insurgents has been perfectly consistent for he has voted with them, when he thought they were right, and against them when he thought they were wrong.

PROGRESSIVE POLITICAL POINTERS

Minority representation means majority rule. Each party, according to its strength, stops corruption and promotes efficiency in legislation.

The sugar trust is not only guilty of swindling the government with false weights, but it also violates the rebate laws. The big anarchists make the laws for other people to obey.

Ex-United States Senator Mason, of Illinois, says that fully half the members of the American house of lords bribed their election. Oregon voters will be slow to return to the old game.

The tax amendment petition filed by organized labor of Oregon does nothing whatever to the tax laws, except forbid poll taxes. It places in the hands of the legislature no more power than some state legislatures have over taxation. All the British colony states repose in their legislative bodies the same power that is proposed by this amendment. Of course, in Oregon the people are part of the legislature, and in matters of taxation should not be governed by emergency clauses, as has been the case for the past six years in Oregon.

In Gilliam county, on Rock creek, some 15,000 acres of land are to be irrigated by constructing a dam and storing water. The contemplated enterprise will more than pay for itself with the increased land values resulting. There are many such projects practicable in Eastern Oregon.

Unofficial figures indicate that population is actually decreasing in Iowa, one of the naturally most fertile states in the Middle West. The agricultural population of all the Middle West is certainly decreasing. The reason on analysis, proves to be land monopoly and tenant farming. There is room for ten times its present population in Iowa.

One of the active leaders of the party in the United States senate is Gallinger, who has a pocket-borough state corralled called New Hampshire. He recently stood for a shameless, deceptive pamphlet on the tariff being sent out by the million at the expense of the government, but refused the unanimous consent necessary to send out 50,000 copies of Senator Bourne's speech on the operation of direct legislation in Oregon. He is one of the bunch that hopes to see Oregon returned to the same class as New Hampshire, where two railroads take turns about telling the legislature who to elect to the United States senate.

Good roads, good water and good people always attract population. Nehalem is going after them. As in other towns in Oregon, Nehalem no doubt is held back by the idle lot and land speculator, the mossback and the knocker, but new people coming in will help some.

The legislature has not represented the people of Oregon for ten years. Its refusal to comply with the plainly and definitely expressed will of the people in instance after instance proves the utter inability of party and people to be both represented.

With the final appropriation made for the Oregon City locks the value of every acre of land should rise throughout the Willamette Valley.

Oregon wants the best laws. It wants the best machinery. Why should it not have the first as well as the second.

Many Women who are Splendid Cooks

dread having to prepare an elaborate dinner because they are not sufficiently strong to stand over an intensely hot coal range. This is especially true in summer. Every woman takes pride in the table she sets, but often it is done at tremendous cost to her own vitality through the weakening effect of cooking on a coal range in a hot kitchen.

It is no longer necessary to wear yourself out preparing a fine dinner. Even in the heat of summer you can cook a large dinner without being worn out.

New Perfection Wick Blue Flame Oil Cook-stove

Gives no outside heat, no smell, no smoke. It will cook the biggest dinner without heating the kitchen or the cook. It is immediately lighted and immediately extinguished. It can be changed from a slow to a quick fire by turning a handle. There's no drudgery connected with it, no coal to carry, no wood to chop. You don't have to wait fifteen or twenty minutes till its fire gets going. Apply a light and it's ready. By simply turning the wick up or down you get a slow or an intense heat on the bottom of the pot, kettle or oven, and nowhere else. It has a Cabinet Top with shelf for keeping plates and food hot, drop shelves for coffee, teapot or saucepan, and even a rack for towels. It saves time, worry, health and temper. It does all a woman needs and more than she expects. Made with 1, 2, and 3 burners; the 2 and 3-burner sizes can be had with or without Cabinets.

LEBANON STRAWBERRY CARNIVAL

ENTERTAINS ABOUT TEN THOUSAND PEOPLE ON THREE DAYS—BEAUTIFUL EXHIBITS OF BERRIES AND FLOWERS.

The Lebanon Strawberry, Flower and Fine Stock show on the last three days of the week was attended by thousands of people from all over the Willamette valley. The attendance on the three days totaled nearly 10,000 people and the closing day witnessed a large excursion from Albany. The city of Lebanon has certainly done wonders to make this place and the surrounding country another Hood River strawberry district. The business men of Lebanon are entitled to the highest praise for their public spirit and the ladies for their civic pride. On the second day Hon. B. F. Mulkey delivered an address in which he touched on national topics and he was welcomed by many people as an old friend of this section of the state and many urged him to make the race for Congress.

Strawberry Prizes. The committee to award the strawberry prizes was E. Hofer of Salem, B. F. Mulkey of Medford, and Alex Porter of Halsey. The award was as follows:

- Grand prize to Clem Bros., packed by Mrs. F. M. Sherman.
First on Marshall Cle m Bros., second, John Rickels.
First on Magoon to John Rickels, second, A. Crossen.
First on Gold Dollar, A. F. Hall and Sons, second to Swink and Fitzwater.
Brandywine, H. C. McTimmons. Clark's Seedling, Hall & Sons. Oregon Improved, John Rickels. Excelsior, Hall & Sons. Jumbo, E. E. Watters. Excelsior, Hall & Sons. Oregon Original package, F. M. Sherman.
Largest display by one grower, five crates different varieties, Hall & Sons.

Exhibitors in Detail. There were about 40 crates entered for prizes. The Marshall berry is the one that is grown and shipped most extensively. The Lebanon strawberry is finding its way into the best markets in the state, and people are calling for them wherever they have been introduced.

- F. M. Sherman (husband of Mrs. Ummerhofer.) showed three crates, Marshall's, Magoon's, and one grown by Clem Brothers, "just berries." The latter was a dirty crate with leaves and stems and straws mixed in. It was a fine take-off on the old careless way of doing things. It was labelled: "Grown in a cow pasture; picked by a mule cow, and packed by a cyclone."
J. F. Swank and Roy Fitzwater had three crates—Gold Dollar—very early and too ripe—and two of Magoon. They have 15 acres in strawberries and Mr. Swink is working hard to form a growers' union.
E. E. Watters showed two crates—Magoon and Jumbo. He is growing the first season and has out five acres.
G. W. Jenkins, crate Marshall.
E. E. Taylor, crates Marshall, Magoon, Brandywine.
John Rickels, crates Oregon Improved, Marshall.
B. F. Burnett, crate Magoon.
A. F. Hall & Son, six crates, Magoon, Gold Dollar, Clark's Excelsior and Brandywine.
A. Crossen, Magoon.
A. Clem, Magoon and two crates Marshall.
B. F. Simpson, Marshall and Magoon.
Sol. Lindley, Magoon and Marshall.
H. Clay McTimmons, Brandywine, Marshall and Magoon.
Prizes for Roses, June 2.
Mrs. Alexander, Marie Henrietta, first; Mrs. Stoops, second.
Mrs. D. T. Pitchford, Paul Neron, first; Mrs. Bilyeu, second.
Mrs. Bilyeu, La France, first; Mrs. Stoop, second.
Mrs. Bilyeu, La Mark, first.
Mrs. Hope, Madam Wagner.
White Maman Cochet, Madam Caroline Testout, first.
Mrs. Compton, Red Rambler, first.
Mrs. Stoops, Kaiserin Augusta Victoria, and Cherokee, first.

Principal Rose Exhibits.
Mrs. J. C. Mayer, Mrs. St. Johns, Mrs. Jos. Smith, Mrs. H. B. Lucas, Mrs. Gresham, Mrs. Frank Mont, Mrs. Stoops, Mrs. Beatrice, Newport; Mr. Geo. L. Allen, Mrs. Bach, Mrs. Bilyeu, Mrs. Hope, Mrs. Compton, Miss Anna Blacklaw, Mrs. Hardy, Mrs. Pitchford, Miss Woodcock, Mrs. Amos, Mrs. Zyensing, Mrs. Jenkins, Mrs. Robert Ray, Mrs. Haines, Mrs. Skinner, Mrs. Taylor, Mrs. Hubbs, Mrs. C. D. Steen, Mrs. Case, Mrs. Arnold, Mrs. Paletton, Mrs. Ferdinand Seek, Mrs. St. John, Mrs. Buhl, Mrs. Quilbot, Mrs. Jackels, Mr. Morgan, Dr. Kimmel, Miss Crandall, Mrs. Lindley, Mrs. Waters, Mrs. Kirkpatrick, Mrs. C. H. Ralston, Mrs. Scroggins, Mrs. Cunningham, Mrs. Lee Bilyeu, Mrs. Daggett, Mrs. Rogers, Mrs. Epperly.

The Flower Exhibits. The large pavilion was one great bower of roses and peonies. The Lebanon ladies are very successful rose growers, and there were fresh displays made each day and prizes awarded each day. The whole pavilion was made gorgeously beautiful by the display of 20 varieties of peonies grown by John D. Allen, the most extensive grower of this beautiful flower in the northwest. He is an enthusiast and entered no flowers for premiums. The largest part of his crop was sold this year in Portland, where he shipped nearly 2,000 blooms. The people of Lebanon exerted themselves to the utmost to entertain the crowds, and on Saturday free strawberries were served to thousands. Lebanon has fairly won the distinction of being called the strawberry city of Oregon.

Of Interest to Farmers and Mechanics. Farmers and mechanics frequently meet with slight accidents and injuries which cause them much annoyance and loss of time. A cut or bruise may be cured in about one-third the time usually required by applying Chamberlain's Lintiment as soon as the injury is received. This lintiment is also valuable for sprains, soreness of the muscles and rheumatic pains. There is no danger of blood poisoning resulting from an injury when Chamberlain's Lintiment is applied before the parts become inflamed and swollen. For sale by all good druggists.

TRY A HOME TREATMENT

When Doctors Say That Nothing But Change of Climate Will Help.

Renew the Blood Supply by the Tonic Treatment and See if You Are Not Saved From Time and Suffering.

If you are suffering from a run-down condition where ordinary remedies seem to have no effect and your friends and advisors are recommending a change of air or climate, it is worth while to consider trying the tonic treatment with Dr. Williams' Pink Pills before taking their advice.
Mrs. William Patterson, whose address is Box 33, R. F. D. No. 4, Snohomish, Wash., failed to regain her strength until she tried this tonic treatment with Dr. Williams' Pink Pills. She says:
"When I was fifteen years old I had an attack of the measles and was sick for over a year. I was very weak and could not get my strength back. I was so short of breath that I couldn't walk any distance at all without fainting. I had awful headaches a greater part of the time. I was nervous and run down in flesh and strength. Friends, who saw me, thought I would never get well.
"I was living at Everett and was treated by two doctors but they didn't do me a bit of good. I was under their care for about six months and was getting worse all of the time. Finally I had to remain in bed and the doctor said that nothing but a change of climate would help me. After being confined to bed for a month, my mother decided to give me Dr. Williams' Pink Pills. I received great help from a few boxes and grew stronger and felt better in every way. I took the pills regularly for quite a while and was completely cured."
Whenever a tonic is needed, Dr. Williams' Pink Pills should be given an immediate trial. They quickly enrich the blood and give strength and health to every part of the body. For this reason they have cured anemia, chlorosis, rheumatism, lumbago, general debility and the after-effects of the grip and fever.
Our booklet, "Diseases of the Blood," will be sent free upon the request of any sufferer from impure or impoverished blood.
Dr. Williams' Pink Pills are sold by all druggists, or will be sent, postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50, by the Dr. Williams' Medicine Company, Schenectady, N. Y.

We Stand Back of The Farmer

This good bank believes that much of its success is due to the many friends it has among the farmers of this community. Our bank always has, and will continue to offer exceptional facilities to the farmer, at alone in safe-guarding his funds, but in lending him money to tide over the "tight" place in the year's work. Agriculture and finance go hand in hand, and each one can be without the other. We will try to hold up our end by standing back of our farmers to the full extent of our ability.
