

THE CITY GOES WILD

OVER TED

His Trip From the Steamship to the Battery Was Accompanied by a Continuous Pandemonium of Mingled Noises

"AH I'M GLAD TO BE HOME"

This Was One of Roosevelt's First Remarks as the Battleships Broke Forth in Thunderous Salutes—In His Speech He Said "I am Deeply Moved. No Man Could Receive Such a Greeting and Not Feel Very Proud and Very Humble".

New York, June 18.—The steamship Kaiserin Augusta Victoria, bearing Colonel Theodore Roosevelt, reached Ambrose channel at 7:03 o'clock this morning and anchored off Quarantine at 7:45.

As the huge liner passed Ambrose light the warships in the lower bay began to fire the first presidential salute of twenty-one guns the highest honor ever accorded a private citizen of the United States.

When the South Carolina began saluting, Roosevelt clapped his hands for joy and cried:

"Look at them! Aren't they wonderful and beautiful? Can you blame me for wanting that kind of a navy? This is worth coming all the way from Khartoum to see. This is great and worth while.

"Ah, I'm glad to be home".

Roosevelt boarded a revenue cutter at 8:20 o'clock and was taken ashore.

Roosevelt's trip from the steamship to the Battery was accompanied by a continual uproar from river craft and factories. When he stepped out into the open in Battery Park the thousands who had massed in lower Manhattan to bid him welcome set up a great shout and continued cheering for many minutes.

The former president was officially welcomed home by Mayor Gaynor. Replying to Gaynor's speech, Roosevelt said:

"I wish to thank you and your committee, and through them the American people, for these greetings. I need not say that I am deeply moved. No man could receive such a greeting and not feel very proud and very humble.

"I have been away a year and a quarter. I have thoroughly enjoyed myself and now I am back in my own country, among the people I love, and am ready and eager to do my part in helping to solve the problems that must be solved if the greatest of democratic republics is to see its destiny rise to the highest level of hopes and opportunities. This is the duty of every citizen, and particularly my duty.

"Any man ever honored by the presidency is forever rendered the people's debtor, and bound throughout life to remember this as a prime obligation, so that the people may never regret that they once had placed him at their head."

Newspaper Comment.
New York, June 18.—The New York World today in a 2,000 word editorial says that the people's efforts to "deify" Roosevelt are not from political prejudice, but from reaction.

"What every thoughtful American has reason to be concerned about are not the plans and purpose of Roosevelt, but the average citizen's attitude toward democratic instincts as revealed by his attitude toward Roosevelt."

The New York American says: "Coincidences will never cease."

KAUFMAN LANGFORD FIGHT OFF

The Action of the Governor in Calling Out the Militia Causes Blot the Fight Promoter to Make a Change in Plans.

IS POSTPONED ONE WEEK

Chief of Police Notified Blot that He Would Arrest the Boxers the Moment They Entered the Ring so There Was No Chance to Put the Fight On—Blot Will Put On a Contest However Tonight so as to Have a Chance to Give the Law a Test.

San Francisco, June 18.—The Kaufman-Langford prize fight was called off at 11 o'clock this morning by Promoter Louis Blot.

Blot issued a statement from the office of Cleveland Dam, his attorney, in which he said that he had been informed by Adjutant-General Lauck and Chief of Police Martin that the fight would be forcibly stopped.

Blot conferred with his attorney for fully an hour before making the announcement that the fight would not be held. Blot stated that it was his desire to obey the law in all respects.

The statement follows: "After a number of conferences

between the officers of the Metropolitan club and the attorneys for the said club, the club has determined to postpone the boxing exhibition between Kaufman and Langford, which boxing exhibition was scheduled to take place this afternoon.

"Mr. Louis Blot, representing the Metropolitan club, and Messrs. Cleveland Dam and George Appel, his attorneys, were informed last night by Adjutant-General Lauck that he had been instructed by Governor Gillett to prevent the boxing exhibition between Kaufman and Langford if the Metropolitan club should attempt to stage the same.

"The chief of police has also advised Mr. Blot that he would not permit the boxing exhibition to take place, and that should the boxers enter the ring he would immediately arrest them.

"It is the desire of Mr. Blot to obey the law in all respects and while he feels that the view of Governor Gillett is erroneous, he cannot as a law abiding citizen, defy the mandate of the governor and the chief of police.

"Mr. Blot does not wish to be a party to an act that would cause the governor to bring militia into San Francisco at this time, and further desires to protect the good name of his city from any such act on the part of the governor.

"Mr. Blot also desires to protect those who have purchased tickets for the boxing exhibition and to those who have purchased tickets, the money will be cheerfully refunded at some future date.

"Within the next few days Mr. Blot will test the right of the governor to order troops into San Francisco to prevent a boxing exhibition, which is lawful in the state of California.

"In view of the foregoing the boxing exhibition between Kaufman and Langford is postponed for one week."

To Test the Law.

San Francisco, June 18.—Louis Blot announced today that he would put on a card at his arena Monday afternoon to test the power of the authorities to interfere with a boxing contest which in all respects will be similar to the Kaufman-Langford fight as planned.

Blot said that he would undergo arrest and prosecution to bring about a decision in the matter and that every effort would be made to get a quick decision.

THE CHERRY FAIR TO BE HELD JULY 7 TO 9 INCLUSIVE

DISPLAY WILL BE MADE AT THE SAME PLACE AS LAST YEAR ON WEST SIDE OF THE COURT HOUSE LAWN.

July 7, 8 and 9 were definitely decided upon last evening at a meeting of the general committee of the Cherry Fair as the time for holding the fair in the city.

It was also decided to have the cherry exhibit this year at the same place where it was held last year—on the west side of the court house yard. It will be sheltered by a tent.

Advices were received at the meeting that the Willamette Apple Growers will meet in the city during the fair—July 8. This day has also been declared as Albany day.

Each of the committees reported excellent progress and everything points towards a fair which will surpass in every respect those of previous years.

They are going to the home of Mrs. Aoki's father, Archdeacon Emery, at Corte Madera, Marin county, California. Mrs. Aoki came to Carson City six weeks ago with the intention of gaining a residence and getting a divorce from her Nipponese husband. Soon after she filed the complaint, Aoki arrived from Seattle and a reconciliation followed.

GOVERNOR GILLETT EXPLAINS

Says the Papers Have Not Correctly Reported Him, and that His Delay in Stopping the Fight Was Caused by Being Out of State.

ACTION HAS BEEN PROMPT

He Said: Men Have No Right to Come Into This State and Deliberately Advertise to the World that They Propose to Openly Break Its Laws, and if They Are Prevented Doing So They Have No Right to Complain that They Will Lose Their Money.

[UNITED PRESS LEASED WIRE.]
Sacramento, Calif., June 18.—"I notice that District Attorney Fickert in his reported interviews complains about stopping the fight at this late hour, and others, too, are making the same criticism," said Governor Gillett in a formal statement today.

"In reply to all these complaints I wish to say that the press of this country has not reported me correctly. For instance one of the Chicago papers published an interview with me which never took place wherein I was made to say that the fight would be a big thing for San Francisco; that it would bring many people there who would spend much money.

"In this way I have been wrongfully made an advocate of that in which I do not believe. Before leaving for the East May 1, to assist San Francisco in securing recognition from congress for its Papanapa Pacific exposition the Jeffries-Johnson fight was scheduled to take place in Alameda county. I learned that the local authorities were investigating it and I then said that the state ought not to do police duty in a municipality so long as the local authorities were discharging their duty and were able to cope with the situation.

"I understood that the promoters of the fight were told that they could not hold it in Alameda county, because it would be a violation of the law, and the fight was then transferred to San Francisco. It was then up to the district attorney of San Francisco to make the same investigation that was made by the attorney of Alameda county and he was requested to do so, I am informed. I was in the East, returning home June 6. On June 9 I was advised that District Attorney Fickert had declined to take any steps to stop the fight. I immediately proceeded to investigate the law and to secure evidence.

"In two or three days thereafter,

Thousands Dead.

Berlin, June 18.—Thousands of Hungarians, 300 Servians, 300 Germans, 200 Swiss and 100 Austrians were drowned in the floods that swept central Europe during the last few days, according to reports received here.

Lists of dead are being compiled but as yet are incomplete. Hundreds of persons in lower Germany, Switzerland, Austria and Servia, are marooned and suffering from hunger and exposure.

Soldiers are burning the dead to prevent contagion.

I called up District Attorney Fickert and he told me that he would not do anything to stop it. The local authorities of San Francisco refusing to take any action, it then became my duty as governor to do so, and inside of 24 hours I prepared my letter to the attorney-general and instructed him to take the necessary steps to stop the fight.

"I consider that there was no delay but prompt action after I learned that the district attorney of San Francisco had refused to do his duty.

"But it is no excuse for the commission of a crime that the officers of the law were slow to stop it. Men have no right to come into this state and deliberately advertise to world that they propose to openly break its laws and if they are prevented from doing so they have no right to complain that they have spent money which they will lose in their endeavor to do so.

(Signed) J. N. GILLETT."

THE TRUNK CONTAINED DEAD BODY

[UNITED PRESS LEASED WIRE.]
New York, June 18.—The body of Moses Sacks, a jewelry salesman, was found in a trunk in the hallway of an East Side tenement house today. The trunk was left there by an expressman yesterday.

The police believe Sacks was robbed and murdered. Several empty jewelry cases were in the trunk with the body.

A janitress opened the trunk today and discovered the body, which was so cramped that the lid flew open when she turned the lock.

THINK CHARLTON IS A MURDERER

Como, Italy, June 18.—Divers today ended their search of Lake Como for the body of Porter Charlton, missing husband of Mary Scott Castle Charlton, whose body was found in a trunk in the lake.

The police believe that Charlton murdered his wife and fled. He is being sought by the Como authorities.

TWO MORE STARS FOR THE FLAG

Statehood Bill Passed by Both Houses Admitting Arizona and New Mexico—President Favors it and Will Sign the Bill.

THE VOTE WAS UNANIMOUS

Uncle Sam Generously Presented Each of His Newly Born Children with a Million of Acres of Land to Begin Business on and to Educate Their Children—The House Educational Limitation of the Right of Franchise Was Eliminated.

Washington, June 18.—The house today adopted the senate statehood bill providing for the admission of Arizona and New Mexico as states.

The house had previously adopted a statehood bill. When this measure was reported to the senate the senate bill was substituted for it and passed. The house adopted the senate substitute, thus avoiding the necessity for sending the measure to conference. House members declared that if the bill went to conference it would be emasculated.

President Taft strongly favored the senate bill and urged leaders in the house to secure its adoption. Therefore it is expected that his signature will soon be attached.

The vote on the measure in the house was unanimous. It provides for the admission of Arizona and New Mexico as separate states. The state constitutions must be approved by congress and the president.

A million acres of land are set aside as public domain in each state to provide for the paying of outstanding county bonds. The house educational limitation of the right of franchise was not in the senate bill as finally adopted.

JEFF AND JOHNSON WILL MOVE

ARRANGEMENTS BEING MADE FOR HAVING THE BIG MILL IN RENO AS ALL HOPES OF PULLING IT OFF IN CALIFORNIA, ARE DEAD.

Rowardennan, Calif., June 18.—Jeff will break camp here Monday, leaving Monday night for Moana Springs, Nevada. He will leave tonight for Santa Cruz to give an exhibition, returning later in the evening, packing is under way.

San Francisco, June 18.—It has been practically decided to hold the big fight at Reno, Nevada.

Sam Berger, Jeff's manager, said late today that Jack Gleason had informed him that arrangements had virtually been completed for holding the fight in the Nevada metropolis.

Jeff's camp will be moved Monday to Moana Hot Springs, just outside Reno, and Jack Johnson will go to Laughton's Hot Springs some time Monday.

A definite announcement of the promoters is expected within a few hours.

Storm Follows Ceremonies.
[UNITED PRESS LEASED WIRE.]
New York, June 18.—Just after the parade ended today a severe wind and rain storm, the worst of the year, swept New York. Flag poles were shattered, signs blown down and other damage done. The great throngs in the streets were drenched.
