BENEDICT FIRST BIG SPEECH EMAILED PRISONER WITHOUT SPACE INVOLVED TO BURNS DISTRICT

Washington, D.C.,—President Roosevelt opened the campaign activities of his administration with a speech delivered to the insurgent leaders on his release from the federal penitentiary at Leavenworth, Kans., today.

The speech was delivered before a crowd of about 2,000 people gathered on the steps of the Leavenworth county courthouse, where the former governor was sentenced last year.

"The essential purpose of the government," said Roosevelt in his address, "is to serve the legitimate needs of all the people, not only those who have power or wealth, but also those who have influence or influence in numbers."

The address was transmitted by wireless to the insurgent leaders who are expected to arrive here at 11 a.m. tomorrow.

WASHINGTON.

Roosevelt will open the campaign today in the East with speeches before local organizations in New York, Boston, and other cities.

The former governor's release from prison was announced today by the administration, which said it is "a step in the right direction." The speech will be broadcast over the radio tonight.

WASHINGTON, D.C.,—President Roosevelt today announced the establishment of a "Progressive" party in the South and West, and said that the "Progressives" are "the only party that can do the job for the people." The announcement was made at a press conference here today.

"The Progressive party," said Roosevelt, "is the only party that can do the job for the people. It is a party of the people, for the people, and by the people."
