

STAYTON MAN INJURED IN RUN AWAY

ALBERT KENWORTHY THROWN FROM WAGON AND HIS RIGHT SHOULDER DISLOCATED - BADLY HURT BUT WILL RECOVER.

Albert Kenworthy of West Stayton, one of the substantial and well known farmers of this part of the county, was seriously injured Wednesday afternoon when his team ran away in this city.

The horses became frightened at something on Third street, coming into town, turned the corner at Ringo's undertaking establishment and ran west. Reaching the Charles Brown corner, the wagon struck a rough spot and the driver was thrown out, landing heavily on his head and shoulders. He was carried into the Brown residence and help summoned. None of the physicians was in his office, but Dr. Thompson was out making some city calls and finally was located. In the meantime Joe Brewer had gone down in his auto and brought Mr. Kenworthy to the office of Drs. Brewer and Thompson, where Dr. Thompson dressed the injuries. It was found that Mr. Kenworthy had a dislocated right shoulder, fractured shoulder blade, one ear nearly torn off and had bruises about the head and body.

After being cared for by the physician, he was taken to his home in an automobile and Dr. Thompson states that the indications are favorable for his complete recovery. Mrs. Downing is the nurse in charge of the case. Mr. Kenworthy is about 51 years of age.—Stayton Mail.

X-RAYS AND SMILES.

Dimick's and Abraham's platforms are both much like the "Goose Run" which Mark Twain wanted made navigable. Mark set forth to congress that all it needed was widening, deepening and lengthening and a water supply to make it a fine navigable stream.

Judge Lowell says the way to win on Statement One is to join hands on one candidate for Governor and that he the judge is going to join hands by standing by Dimick. He can join hands with Dimick supporters, but how about touching digits with those opposed to Dimick?

Dear old Daddy Daniel Webster jumps onto Frank Davey. Why Frank put Daddy into his job and he shouldn't turn on Frank. Besides nobody seems to want Daddy's job.

What's the use of having an acting Governor anyway? Why not have a real Governor?

Abraham would be another "Acting" Governor. He would be acting for the Assembly and not for the people.

Of course, Wallace McCammant is not a corporation lawyer. He has had a little business besides what he got from them. He has thrown them overboard and will have nothing more to do for them until he is made Supreme Judge. Then he will drive them to the wall.

ACT QUICKLY.

Delay Has Been Dangerous in Salem.

Do the right thing at the right time. Act quickly in times of danger. Backache is kidney danger. Doan's Kidney Pills act quickly. Cure all distressing, dangerous kidney ills.

Plenty of evidence to prove this. F. A. Sutton, Hoyt & West streets, Salem, Oregon, says: "For 10 or 12 years, rheumatism and kidney trouble were the plague of my life. I suffered intensely from a pain in the small of my back and was often unable to move. I doctored and tried a number of remedies but to no avail, and I was in a bad way when I procured Doan's Kidney Pills at Dr. Stone's Drug store. They benefited me at once and after I had taken the contents of three boxes, I was free from every symptom of kidney complaint. My health is now of the best. I cannot recommend Doan's Kidney Pills too highly." (Statement given January 31, 1906.)

Re-Endorsement.

On November 22, 1909 Mr. Sutton confirmed his former statement, saying: "I willingly reiterate all I have previously said in favor of Doan's Kidney Pills. This remedy cured me three years ago and I have had no return of kidney trouble!" For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature to do its work. The proprietors have so much faith in its curative powers that they offered one hundred dollars for any case that it fails to cure. Send for list of testimonials. Address: F. E.
